Rennert,2004 This collection of articles by both German literature specialists and German theater experts grew out of the Comparative Drama Conference held annually between February and March from 1977 to 1999 in Gainesville Florida At the center of the contributors work is the productive tension between the literary and the performance aspects of German drama and theater At the same time the reception is truly American since the German playwrights directors theorists and dramatists discussed have gone through creative filters in the researching performing and teaching of German drama and theater on various campuses across the United States during the last third of the twentieth century **Austria's Difficult Past** Jakub Gortat,2025-07-01 The role played by film in reshaping Austria s post war national identity is often studied within narrow historical and geographical margins Film history traditionally focuses on either the work of a sole director German cinematography or the immediate aftermath of World War II and neglects the link that exists between historical television films and Austria s distinct culture of remembrance In Austria s Difficult Past Jakub Gortat addresses this gap by providing a comprehensive analysis of television films produced by Austrian ORF and German television studios between 1961 and 1980 In doing so he explores the way films mediated the burden of memory and the legacy of Austria s complicity in the Nazi regime *Constructing and Deconstructing National Identity* Birgit Ryschka,2008 Originally presented as the author s thesis doctoral University of Limerick Ireland 2007 **World Encyclopedia of Contemporary Theatre** Peter Nagy,Phillippe Rouyer,Don Rubin,2013-09-13 This new paperback edition of the The World Encyclopedia of Contemporary Theatre Europe covers theatre since World War II in forty seven European nations including the nations which re emerged following the break up of the former USSR Czechoslovakia and Yugoslavia Each national article is divided into twelve sections History Structure of the National Theatre Community Artistic profile Music Theatre Theatre for Young Audiences Puppet Theatre Design Theatre Space and Architecture Training Criticism Scholarship and Publishing and Further Reading allowing the reader to use the book as a source for both area and subject studies A new preface and further reading sections
