 and an intro by Alexander Hislop In his work on The Two Babylons Dr Hislop has proven conclusively that all the idolatrous

 Gen 10 10 A W Pink The Antichrist 1923 There is this great difference between the works of men and the works of God that
 the same minute and searching investigation which displays the defects and imperfections of the one brings out also the
 beauties of the other If the most finely polished needle on which the art of man has been expended be subjected to a
 microscope many inequalities much roughness and clumsiness will be seen But if the microscope be brought to bear on the
 flowers of the field no such result appears Instead of their beauty diminishing new beauties and still more delicate that have
 escaped the naked eye are forthwith discovered beauties that make us appreciate in a way which otherwise we could have
 had little conception of the full force of the Lord s saying Consider the lilies of the field how they grow they toil not neither do
 they spin and yet I say unto you That even Solomon in all his glory was not arrayed like one of these The same law appears
 also in comparing the Word of God and the most finished productions of men There are spots and blemishes in the most
 admired productions of human genius But the more the Scriptures are searched the more minutely they are studied the more
 their perfection appears new beauties are brought into light every day and the discoveries of science the researches of the
 learned and the labours of infidels all alike conspire to illustrate the wonderful harmony of all the parts and the Divine beauty
 that clothes the whole If this be the case with Scripture in general it is especially the case with prophetic Scripture As every
 spoke in the wheel of Providence revolves the prophetic symbols start into still more bold and beautiful relief This is very
 strikingly the case with the prophetic language that forms the groundwork and corner stone of the present work There never
 has been any difficulty in the mind of any enlightened Protestant in identifying the woman sitting on seven mountains and
 having on her forehead the name written Mystery Babylon the Great with the Roman apostacy St. Peter Non-Roman in
