**IMMIGRANT DAUGHTER** Tina Klassen Kauffman, 2012-04-25 Many of us come from poor immigrant farm families and can identify with Tina's story Yet each story is different Tina's stunning story takes you at a fast clip from the early migrations of her Mennonite people from The Netherlands to Prussia to Ukraine Her parents were born toward the end of the 19th Century in Czarist Russia just in time to witness World War I the 1917 Bolshevik Revolution in St Petersburg the Civil War that followed and the reign of Lenin For most of those years in their Ukrainian village the Klassen family prospered The collectivization and purges of Stalin followed the Klassen's emigration from Russia to Canada in 1925 Canada is the setting for Tina's birth and life See how the everyday chores child's play schooling and Tina's curiosity intersect with her family's struggle for survival in this foreign land The cultural and natural environment was not always friendly Drought dustbowl the Great Depression learning a new language and customs all took their toll Although they were dirt poor you will be impressed with her family's indomitable spirit and fortitude Tina is imbued with this spirit and ethic as she prepares herself for independence and service Achievements and progress are rooted in humble beginnings Tina remembers from whence she came

assigned to the war in Europe Even today books focusing on the European war far outnumber those devoted to the Pacific war This book is about one group of men the 39th Fighter Squadron of the Fifth Air Force Rushed through training and flying planes greatly inferior to those flown by experienced Japanese pilots they held their own with raw courage determination and unflinching patriotism As they received better airplanes they pushed the Japanese back but always at terrible cost It took great courage to climb into those cockpits Pilots lost over the sea and jungles were rarely found Those captured by the Japanese were routinely tortured and beheaded The war ended but searing questions remained Would justice ever be served for those pilots executed by the enemy Until now that question was never fully addressed With this book we explore the air war crimes investigations and punishments     A Hoosier Holiday Theodore Dreiser,1916 By 1914 Theodore Dreiser was a

successful writer living in New York He had not been back to his home state in over 20 years When his friend the Indiana born artist Franklin Booth approached him with the idea of driving from New York to Indiana Dreiser s response to Booth was immediate All my life I ve been thinking of making a return trip to Indiana and writing a book about it So was born the literary genre the American automobile road book Along the route Dreiser recorded his impressions of the people and land in words while his traveling companion sketched some of these scenes In this reflective tale Dreiser and Booth cross four states covering 2 000 miles in two weeks to arrive at Indiana and the sites and memories of Dreiser s early life in Terre Haute Sullivan Evansville Warsaw and his year at Indiana University Copyright Libri GmbH All rights reserved     **Not For**
