Peters Redemption

Karen H. Jobes

Peters Redemption:

1 Peter (Baker Exegetical Commentary on the New Testament) Karen H. Jobes, 2022-10-18 In this new edition in the award winning BECNT series leading evangelical biblical scholar Karen Jobes offers a substantive commentary on 1 Peter. The first edition widely regarded as one of the leading commentaries on 1 Peter has sold over 22 000 copies. The second edition takes recent scholarship into account and has been updated and revised throughout. Jobes takes a historical grammatical approach to exegeting 1 Peter and considers the possibility that the original readers of the letter were actual exiles who had known Peter in some other location probably Rome. She analyzes each discourse unit of the Greek text with a view toward not only what the letter meant in its original setting but how it speaks to readers today. As with all BECNT volumes this commentary features an acclaimed user friendly design and admirably achieves the dual aims of the series: academic sophistication with pastoral sensitivity and accessibility making it a useful tool for pastors church leaders students and teachers.

1 Peter Dennis R. Edwards, 2017-05-09 A new commentary for today's world. The Story of God Bible Commentary explains and illuminates each passage of Scripture in light of the Bible's grand story. The first commentary series to do so, SGBC offers a clear and compelling exposition of biblical texts guiding everyday readers in how to creatively and faithfully live out the Bible in their own contexts. Its story-centric approach is ideal for pastors students Sunday school teachers and laypeople alike. Each volume employs three main easy-to-use sections designed to help readers live out God's story: LISTEN to the Story Includes complete NIV text with references to other texts at work in each passage encouraging the reader to hear it within the Bible's grand story; EXPLAIN the Story Explores and illuminates each text as embedded in its canonical and historical setting; LIVE the Story Reflects on how each text can be lived today and includes contemporary stories and illustrations to aid preachers teachers and students. 1 Peter Peter shows a strong dependence upon the Old Testament to connect his readers to the story of God in which God draws people into a community. Peter demonstrates that the Christian community is to be a united people of God not merely a group of individuals who happen to possess similar beliefs. Edited by Scot McKnight and Tremper Longman III and written by a number of top-notch theologians, The Story of God Bible Commentary series will bring relevant balanced and clear-minded theological insight to any biblical education or ministry.

The Pitfall of Truth Vel Nirtist, 2005 Years after the start of the war on terror we are no closer to understanding our terrorist enemy's mind than we were on September 11th 2001 when we looked aghast at the collapsed Twin Towers and the smoke billowing from the Pentagon. We do not understand what drives our adversaries because we look for answers in all the wrong places. We examine the sociological factors that contribute to the hatred of America: ignorance poverty frustration with American foreign policy. We even claim that the metaphysical force of evil is to blame. But however widely we spread our net in a search for the rationale for terror we most studiously avoid examining one major motivator of human action: religion. Instead we prefer to appear convinced that religion is by definition peaceful but hijacked and perverted by the terrorists. The

Pitfall of Truth overcomes the politically correct impulse to ignore religion as a potential source of terrorism The book shows that throughout history religion has often been a prime motivator of violence It demonstrates for the first time the mechanisms by which religion fosters violent behavior This is a groundbreaking book indispensable for understanding the rationale of religious violence and is vitally important if we are to successfully fight and win the war on terror Please order through Baker and Taylor at www.btol.com Redemption Redeemed John Goodwin,1840 Bonaventure, John Duns Scotus, and the Franciscan Tradition

Peter Damian Fehlner,2023-09-07 In this fourth volume of Collected Essays Bonaventure John Duns Scotus and the Franciscan Tradition Peter Damian Fehlner traces the development of the Franciscan theologies of redemption co redemption and the Immaculate Conception as they both flow from and return to a very concrete spirituality rooted in devotion to the persons of Jesus and Mary The main protagonists in these studies are the towering figures of Bonaventure and John Duns Scotus Framed within an ecclesiological and sacramental worldview shaped by the correlative and markedly Franciscan doctrines of the Absolute Primacy of Jesus and the Immaculate Conception Fehlner outlines the theological background and rationale for affirming Mary s co redemptive role in creation and salvation history In articulating this great vision of the church Fehlner discloses the Catholic and Franciscan understanding of Tradition and its progressive penetration and integration of doctrinal and devotional development into the life of the church For Fehlner Mary s co redemptive association with her Son and her union in charity with the Holy Spirit provides both the primary instance of and the hermeneutical key for prayerfully receiving and living the mysteries of our salvation **Risen Indeed?**

Resurrection and Doubt in the Gospel of Mark Austin Busch,2022-08-05 Risen Indeed Resurrection and Doubt in the Gospel of Mark traces the literary dynamics and explores the theological dimensions of the Gospel of Mark s thematization of skepticism regarding resurrection In every place where it seems to depict resurrection Jesus s and others Mark evades the issue of whether resurrection actually occurs Austin Busch argues that despite Mark s abbreviated and ambiguous conclusion this gospel does not downplay resurrection but rather foregrounds it imagining Jesus s death and restoration to life as a divine plot to overcome Satan through cunning deception Risen Indeed constitutes a careful literary reading of Mark s Gospel as well as an assessment of Mark s impact on the traditions of Christian literature and theology that emerged in its wake **The First Epistle of Peter** Peter H. Davids,1990-08-07 Peter David s study on I Peter is part of The New International Commentary on the New Testament Prepared by some of the world s leading scholars the series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the Scriptures as the infallible Word of God **Stop Trying** Cary Schmidt,2021-01-07 From looking outwardly to please others to looking inwardly to define ourselves we constantly try to cultivate or construct our identities But guided by the whims of culture or the faulty advice of tradition we often find identity collapses when life falls apart or change threatens that fragile structure Is it possible to discover an identity bolstered with unassailable confidence strengthened for the challenges of life rather than

destroyed by them and free from the whims of cultural pressure Yes It is an identity received not achieved an identity established in the gospel In Stop Trying Cary Schmidt s storytelling creates compelling scenes in which you ll see yourself and your self You ll understand why defining your identity outside of Jesus Christ is ultimately fragile hollow and unsatisfying And you ll discover that your truest and most fulfilling identity is a byproduct of a relationship that changes everything **J. S. Bach's Johannine Theology** Eric Chafe,2014-04 Bach s Johannine Theology The St John Passion and the Cantatas for Spring 1725 is a fertile examination of this group of fourteen surviving liturgical works Renowned Bach scholar Eric Chafe begins his investigation into Bach s theology with the composer s St John Passion concentrating on its first and last versions Beyond providing a uniquely detailed assessment of the passion Bach s Johannine Theology is the first work to take the work beyond the scope of an isolated study considering its meaning from a variety of musical and historical standpoints Chafe thereby uncovers a range of theological implications underlying Bach s creative approach itself Building considerably on his previous work Chafe here expands his methodological approach to Bach s vocal music by arguing for a multi layered approach to religion in Bach s compositional process Chafe bases this approach primarily on two aspects of Bach s theology first the specific features of Johannine theology which contrast with the more narrative approach found in the Synoptic Gospels Matthew Mark Luke and second contemporary homiletic and devotional writings material that is not otherwise easily accessible and less so in English translation Bach s Johannine Theology provides an unprecedented enlightening exploration of the theological and liturgical contexts within which this music was first heard **1 Peter** Harry Uprichard,2019-12-06 Writing to Christians facing trials and possible persecution Peter begins his letter not with their problems but with the solution Individually as believers they inherit a triune salvation where God chooses Christ cleanses and the Spirit consecrates Corporately brought from darkness to light Christ as cornerstone both establishes and shapes them Practically amid adversity within society in work and at home Christ s death as atonement saves them and his example motivates them He is also their overseer and shepherd Generally and potentially suffering for righteousness s sake means following Christ s example of nonretaliation setting him apart in their hearts as Lord and living for him at all times like this Even in their fellowships leaders and led must be diligent and humble like Christ the chief shepherd The Christian life is really all about Christ This recalls Peter s word to Jesus at Caesarea Philippi You are the Christ the Son of the living God Matt 16 16 That is what First Peter is essentially about Living for Christ in a suffering world involves believing in Christ s atoning death and following Christ s example whatever the circumstances That done all is done *Peter in the Gospel of John* Brad Blaine,2007 *Stepping Into Scripture: Liturgical Year C* Lillith O'Shann Edmiston Moore,2022-01-07 Stepping into Scripture is designed to teach you how to immerse yourself into God s Word You will learn to take a scripture passage construct a flow chart and then write what God spoke to your heart and what God taught you Stepping into Scripture is a resource book designed for clergy lay speakers Bible study teachers Sunday school teachers accountability groups or your

own private study God speaks to us through his Word With Stepping into Scripture you have the opportunity for God to speak to your spirit and be shown new insights **Sin and Evil** Ronald Paulson,2007-01-01 The 1990s brought surprising industrial development in emerging economies around the globe firms in countries not previously known for their high technology industries moved to the forefront in new Information Technologies IT by using different business models and carving out unique positions in the global IT production networks In this book Dan Breznitz asks why economies of different countries develop in different ways and his answer relies on his exhaustive research into the comparative experiences of Israel Taiwan and Ireland states that made different choices to nurture the growth of their IT industries The role of the state in economic development has changed Breznitz concludes but it has by no means disappeared He offers a new way of thinking about state led rapid innovation based industrial development that takes into account the ways production and innovation are now conducted globally And he offers specific guidelines to help states make advantageous decisions about research and development relationships with foreign firms and investors and other critical issues Releasing the Prophetic Destiny of a Nation Dutch Sheets,Chuck Pierce,2005-05 At the same moment God issued a separate call to two men prophet Chuck Pierce and pastor Dutch Sheets to heal the United States As a prophetic act to realign our country to His covenant plan the duo rallied apostles prophets and intercessors from state to state to break the grip of demonic strongholds Releasing the Prophetic Destiny of a Nation is the remarkable story behind their 50 state roadtrip to restore revival to America Endowed with God given keys of authority to reconcile America to its heavenly mandate the two chronicle their efforts to purge the land of territorial and generational sin Now is the time and season for a warfare anointing to rest upon America

Peter Lombard. 1 Marcia L. Colish,1994 The first general study of Peter Lombard c 1100 1160 in a century this book places Peter s thought in the context of the intellectual debates of his time in the effort to understand the substance of Lombardian theology and the reasons why his principal work the Sentences immediately became a classic of early scholastic theology with a durable influence doing more to shape the education of university theologians and philosophers than any other work of systematic theology for the next four centuries Attention is paid to the sentence collection as a genre of theological literature the problem of theological language with which Peter and his contemporaries wrestled and his contribution to early scholastic biblical exegesis as well as to the development of his systematic theology in the Sentences

Petrine Theology Douglas W. Kennard,2022-09-23 Using a similar method to Kennard s biblical theology of Jesus Hebrews and Isaiah Kennard s Petrine Theology makes contributions to Peter s theology including Peter s Jewish heritage bridging from Jesus to Paul expressing compatible sovereignty and free will high Christology missional Trinity Hebraic anthropology Jewish atonement redemption and new exodus gospel as allegiance to Christ contextual sociological ecclesiology suffering and spiritual warfare in a narrow virtuous way to kingdom and nuanced consistent eschatology The companion volume Petrine Studies fills out background issues narrative biographical theology and practical life concerns

from Mark Following a combination of Mark Peter s sermons in Acts and Petrine epistles Gene Green claims that Petrine theology makes unique contributions to Christian theology Pheme Perkins concurs Peter is the universal foundation for all the churches There is no figure who compasses more of that diversity than Peter F J Foakes Jackson concluded the very fact that Peter was singled out by the unanimous voice of the writers of the NT for pre eminence is sufficient reason why he should demand our serious attention James Dunn celebrated Peter was probably in fact and effect the bridge man pontifex maximus who did more than any other to hold together the diversity of first century Christianity

Transformed Temperaments CHRISTOPHER WILLIAMS,2025-02-26 Are you ready to embark on a journey of transformation Transformed Temperaments The Disciples Before and After Pentecost takes you deep into the lives of the disciples uncovering their unique personalities struggles and ultimate transformation through the power of the Holy Spirit From Peter s impulsive nature which was refined into bold leadership to Thomas s honest doubt which became unshakable faith each chapter explores how these ordinary men became extraordinary leaders in the early Church This book is not just a study of history it s an invitation to experience the same transformative power in your own life With vivid storytelling and practical insights Christopher Williams examines how Pentecost reshaped the temperaments of the disciples equipping them to fulfill God s mission You ll discover lessons from James and John s journey from ambition to compassionate leadership Andrew s quiet yet impactful evangelism and even Paul s radical conversion from persecutor to apostle Whether you re a seasoned believer a ministry leader or someone seeking to deepen your walk with God this book provides the tools and inspiration to grow in faith Let Transformed Temperaments guide you in understanding how God uses imperfect people just like you for His extraordinary purposes

Life-study of James and the Epistles of Peter Witness Lee,2023-09-27 In Life study of James Witness Lee emphasizes two key points related to the Epistle of James first that the believers must progress in practical Christian perfection and second that the believers must be careful not to cultivate such perfection without a clear vision concerning the law and grace of God in God s New Testament economy In Life study of First Peter he describes the Christian life under the government of God with its high demand and in Life study of Second Peter he details the divine provision that supplies the believers with all that they need to meet that high demand

A Study of Petrine Christology from Key Texts in 2 Peter Kelly Adair Seely,2021-10-19 Second Peter is full of christological language Scholars have often overlooked the christological richness as they have focused heavily on the issues of eschatology and authorship The uniqueness of the Son from the Father as well as the divinity of Jesus are at the forefront of the short epistle Further Ernst Kasemann famously criticized 2 Peter for being void of Christology and the cross and thus the gospel The author analyzes the Christology of 2 Peter particularly as it relates to the Petrine view of the divinity of Jesus and the distinctness and uniqueness of the Son from the Father This study examines the christological depth in these key areas as a response to critics like Kasemann Kasemann first looked into the eschatological arguments of 2 Peter and claimed he was not able to find any christological orientation The student of 2 Peter

must not look through eschatology to see the rich Christology which fills the verses of the epistle. However when the reader examines the christological language and themes within 2 Peter he/she is faced with a beautiful portrayal of Jesus and the Father.

Temple, Exile and Identity in 1 Peter Andrew M. Mbuvi, 2007-05-10

Temple Exile and Identity in 1 Peter will generate a fresh and perhaps even a new understanding of the main themes of 1 Peter which include questions of identity, suffering, hope, holiness and judgment. Mbuvi explores the temple imagery in the epistle of 1 Peter and focuses on the use of cultic language in constituting the new identity of the Petrine community. He contends that temple imagery in 1 Peter undergirds the entire epistle. 1 Peter directly connects the community's identity with the temple by describing it in terms reminiscent of the temple structure. He calls the members of the community living stones, formulating an image that has been categorized as a Temple Community. This concern with the temple characterizes the restoration eschatology in the Second Temple period with its focus on the establishment of the eschatological temple. Restoration of Israel was also to be characterized by hope for the re-gathering of the scattered of Israel, the conversion or destruction of the Gentiles and the establishment of God's universal reign, all of which are reflected in the discourse of the epistle.
