Parted Not by Death J.E. Petersen,2016-12-23 Parted Not by Death is above all a love story It spans centuries of time based on the premise of reincarnation The two soul mates originally came here from another world Over the course of three lifetimes throughout history they searched for each other again at all costs Because nothing else matters Two alien beings soulmates are forced to flee their homeworld and come to live on Earth A remnant of their race follow in spaceships Over the following ages the soulmate lovers reincarnate here not know each other s identity You will find them in medieval times American colonists and finally in modern times Three other personalities are equally important in all the dramas which follow How do you find your other half true love if you don t recognize them At long last finally they are truly reunited Then a ship returns for the lovers with the offer of returning to the homeworld Will they go Or will they choose to stay on Earth with families and loved ones My story is a fantasy with elements of science fiction Or just perhaps it is based on truth **North**

Black Drop S. L. Stoner, 2022-12-05 Black Drop is a fast paced story crafted around Theodore Roosevelt's 1903 visit to Portland Oregon. The new president has threatened big business and Congress by adopting a progressive program aimed at equalizing wealth and power, reducing abuse of workers, rejecting racial discrimination, and preserving the environment. It appears these efforts have triggered an assassination attempt. Against the backdrop of mounting excitement over the impending presidential visit, Sage Adair and his colorful like-minded friends race to prevent Roosevelt's murder. And since life is never simple, Sage also learns of young boys who need rescuing from a horrific fate. As the presidential train and the boys' doom rush ever closer, every crucial answer remains elusive. Once again, actual historical events lie at the core of this fourth book in the fascinating Sage Adair historical mystery series.
