Abakwue, 2010-08-13 When Satan took over America he created a new cult of civilization For example he built the flying cities on earth and he deployed them around the weak world He changes the Oceans and the major rivers of the world into mere ponds all to serve his diabolic objectives He twisted the mind of the people's nation and even the mind of civilization And at a point the diabolic excesses began to offend God And God began to react God began to fight back He sent down to the earth a spy angel for each of the U S states to monitor the evil deeds of the devil And then God got even bolder all to Satan's total displeasure For example when God caused the great national idol Lady of Liberty to be destroyed Satan fought back He speedily re-built it turning the new idol of the nation into a walking robotic lady with the exceptional features of the most beautiful lady He declared a universal war on everything Divine And as the war began there was a great bloodletting Satan defeated God's angels who were sent down to fight him one by one At a season Satan was able to win a Great God in a holy war And having won a great victory at a very huge loss he re-built his kingdom with America as his Universal Capital And to prevent God from another invasion he stationed all his terribly armed flying cities ready to fight all in the open sky PHANTOM MUSTANG Carroll J.
