Petrine Ministry:

The Petrine Ministry Walter Kasper, 2006 This collection of papers has its origin in the encyclical letter *Ut unum sint* no 95 and the request of Pope John Paul II to study the question of the Petrine ministry with other Christians with a view to seeking together of course the forms in which this ministry may accomplish a service of love recognized by all concerned After the promulgation of the encyclical in 1995 the theme of the Petrine ministry in its implications for dialogue with the other churches and ecclesial communities resonated throughout the ecumenical community and in studies conferences and courses at institutes and research centers focusing on the theological and historical aspects of the issue The symposium presented here organized by the Pontifical Council for Promoting Christian Unity is aimed at furthering study of the role of the Bishop of Rome in the perspective of the search for Christian unity Catholic experts and delegates representing a range of Orthodox churches took part in the closed door symposium at which eight speakers presented papers dealing with each theme from the Catholic and Orthodox points of view How Can the Petrine Ministry Be a Service to the Unity of the Universal Church? James Puglisi, 2010-11-09 Proceedings of two conferences held 2003 2004 at the International Bridgettine Centre of Farfa Sabina Italy **Encyclopedia of Religion in the South** Samuel S. Hill, Charles H. Lippy, Charles Reagan Wilson, 2005 The publication of the Encyclopedia of Religion in the South in 1984 signaled the rise in the scholarly interest in the study of Religion in the South Religion has always been part of the cultural heritage of that region but scholarly investigation had been sporadic Since the original publication of the ERS however the South has changed significantly in that Christianity is no longer the primary religion observed Other religions like Judaism Buddhism and Hinduism have begun to have very important voices in Southern life This one volume reference the only one of its kind takes this expansion into consideration by updating older relevant articles and by adding new ones After more than 20 years the only reference book in the field of the Religion in the South has been totally revised and updated Each article has been updated and bibliography has been expanded The ERS has also been expanded to include more than sixty new articles on Religion in the South New articles have been added on such topics as Elvis Presley Appalachian Music Buddhism Bill Clinton Jerry Falwell Fannie Lou Hamer Zora Neale Hurston Stonewall Jackson Popular Religion Pat Robertson the PTL Sports and Religion in the South theme parks and much more This is an indispensable resource for anyone interested in the South religion or cultural history **An Introductory Dictionary of Theology and Religious Studies** Orlando O. Espín, James B. Nickoloff, 2007 Spanning the gamut from Aaron to Zwingli this dictionary includes nearly 3 000 entries written by about sixty authors all of whom are specialists in their various theological and religious disciplines The editors have designed the dictionary especially to aid the introductory level student with instant access to definitions of terms likely to be encountered in but not to substitute for classroom presentations or reading assignments Publisher Ruptured Bodies Eugene R. Schlesinger, 2024 Ruptured Bodies is a systematic theological account of the divided church It argues that no adequate ecclesiology can ignore division

because it will not describe the church that actually is Such an understanding must integrate the reality of division while also refusing to blunt its sharp edge neither dismissing excusing or minimizing it What must the church be given the fact of its division Schlesinger presents a systematic ecclesiology of the divided church despite that idea s seeming impossibility because such an ecclesiology is precisely what we need

Harvesting the Fruits Walter Kasper,2009-10-15 The Second Vatican Council declared the restoration of unity among Christians to be one of its principal concerns Division among the Churches scandalises the world and damages that most holy cause the preaching of The Gospel to every creature A key figure to have worked tirelessly at these aims is Cardinal Walter Kasper one of the most experienced authoritative and respected members of the Vatican hierarchy Here Cardinal Kasper summarises the results of the Catholic Church s official dialogues with Lutheran Reformed Anglican and Methodist Churches over forty years sets out a blueprint for consensus and convergence and sets out a map for the way forward for ecumenism From such a source this document is therefore of crucial importance The book focuses on the major issues in ecumenical dialogue Jesus Christ The Holy Trinity Justification The Church and The Sacraments of Baptism and Eucharist Cardinal Kasper explains the key issues at stake and offers signposts for the way forward so that the wish of Jesus may be fulfilled That They May All Be One

Ecumenism Today Christopher Asprey,2016-12-05 What is Ecumenism Is Christian unity a legitimate hope or just a pious illusion The aim of this book is to analyze the real obstacles that stand in the path to unity and to propose solutions where these are possible Distinguished authors from the main Christian denominations offer a unique insight into the problem of Christian divisions and the relationships between Christian communities This work is not a politically correct exercise in diplomacy rather it informs the reader about the actual state of the ecumenical dialogue

Church Hans Kung,Hans Küng,2001-05-01 Provides a picture of the Church s theological image as expressed in the historical forms it has taken through the centuries from the present day back to its origins The book uncovers for both Protestant and Roman Catholic some lessons about the community to which he or she belongs

Simut,2008-07-07 The book presents the transition from traditionalism to modernism in connection to two of K ng s most important books on ecclesiology Structures of the Church 1962 as representing K ng s traditional theology and On Being a Christian 1974 as a reflection of his modern approach to Christianity

Petrine Ministry and the Unity of the Church

Communio Sanctorum, 2004 This is the product of the official German Catholic Lutheran Dialogue and the first major Lutheran Catholic ecumenical statement since the ground breaking Joint Declaration on the Doctrine of Justification in 1999 It focuses on the ecclesiastical issues that the Joint Declaration identified as the remaining obstacles to Lutheran Catholic communion The metaphor of the Church as the Communion of Saints serves as a framework for addressing ecumenical issues such as sacraments ministry the role of the Church in salvation and the papacy

Growing Consensus II Lydia Veliko, Jeffrey Gros, 2005 Growing Consensus II is a comprehensive collection of the major American ecumenical documents between 1992 and 2004 Among churches included are Catholic historic Protestant Orthodox Anabaptist and Evangelical

Receptive Ecumenism and the Call to Catholic Learning Paul Murray, 2010-05-06 This volume proposes a fresh strategy for ecumenical engagement Receptive Ecumenism that is fitted to the challenges of the contemporary context and has already been internationally recognised as making a distinctive and important new contribution to ecumenical thought and practice Beyond this the volume tests and illustrates this proposal by examining what Roman Catholicism in particular might fruitfully learn from its ecumenical others Challenging the tendency for ecumenical studies to ask whether explicitly or implicitly What do our others need to learn from us this volume presents a radical challenge to see ecumenism move forward into action by highlighting the opposite question What can we learn with integrity from our others This approach is not simply ecumenism as shared mission or ecumenism as problem solving and incremental agreement but ecumenism as a vital long term programme of individual communal and structural conversion driven like the Gospel that inspires it by the promise of conversion into greater life and flourishing The aim is for the Christian traditions to become more not less than they currently are by learning from or receiving of each other's gifts The 32 original essays that have been written for this unique volume explore these issues from a wide variety of denominational and disciplinary perspectives drawing together ecclesial theologians professional ecumenists sociologists psychologists and organizational experts

Readings in Church Authority Richard Gaillardetz, Kenneth Wilson, 2017-03-02 The issues of Authority and Governance in the Roman Catholic Church permeate each and every aspect of the Church's identity teaching influence organisation moral values and pastoral provision They have left their mark in turn upon its diverse theological and philosophical traditions The trends of postmodernity advances in communication the advent of new ecclesial movements and theologies and a perceived policy towards increasing institutional centralisation on the part of the Curial authorities of the Church in Rome have all facilitated a continuous and lively stream of dialogue and disagreement on authority and governance in relation to the place of the Church in our age and the new Millennium This comprehensive Reader uniquely gathers together in one volume key writings and documents from the wealth of published literature that has emerged on the issues of authority and governance in the Roman Catholic Church With guided introductions to each section and to each reading and end of chapter further

The Roman Curia Anthony Ekpo,2024 The Roman Curia is the central body for the administration of the Roman Catholic Church The structure and organization of the Curia are governed by Praedicate evangelium issued by Pope Francis in 2022 The Curia is both difficult to understand and vitally important for the administration of the Church and the Vatican Interest in the Curia has been growing since Francis 2022 reform and this book provides a historical theological and juridical explanation of the nature of the Roman Curia highlighting its relationship to the Pope It is intended as an overview of the Roman Curia and allied ecclesiastical institutions like the Vatican and the Holy See for those unfamiliar with their nature and operation The book is divided into seven chapters Chapter one explains the three terms that are often used interchangeably but refer to different entities The Vatican City State the Holy See and the Roman Curia While chapter two offers a brief history of the Curia chapter three focuses on the concrete steps that led to the production of PE the principles and criteria that inspired it the meaning of its title and its noteworthy innovations Chapter four treats the theological self understanding that underpins the Roman Curia as developed in PE Chapter five concentrates on the Secretariat of State and the sixteen Dicasteries of the Roman Curia offering a brief history and an examination of the juridical structures and responsibilities of each In a similar way Chapter six offers a brief historical note and reflection on the juridical competence of each of the institutions of justice of the Roman Curia So too Chapter seven reflects on the history and internal juridical ordering of the institutions of finance and other Offices of the Roman Curia

Magisterium Francis A. Sullivan,2002-09-30 A striking series of events of the past two decades have tended to raise questions about the exercise of teaching authority in the Catholic Church The Second Vatican Council the Encyclical Humanae Vitae the controversy over Hans K ng s book on infallibility and the subsequent declaration of Rome that he could no longer teach as a Catholic theologian the colloquium to which Edward Schillebeeckx was summoned by the Vatican the pastoral letter of the American bishops on the question of nuclear warfare have all stimulated a lively discussion of the claims of the Catholic hierarchy to authoritative magisterium With all the abundance of literature on the subject a book was still needed that would offer an up to date systematic presentation of Catholic thinking about the nature and function of this magisterium This is what the present volume sets out to provide It takes as its point of departure the belief which a great many Christians besides Catholics share namely that the Church of Christ is maintained in the truth of the Gospel by the Holy Spirit It then examines the various ministries by which the Gospel has been handed on and interpreted for each generation of believers looking especially to the role of the bishops and among them of the Bishop of Rome in settling disputes about the faith Questions

concerning papal infallibility the response called for by papal encyclicals the critical role of Catholic theologians vis a vis the magisterium are treated in the light of current theological literature with the non specialist reader in mind **Law, Person, and Community** John J. Coughlin, 2012-04-19 This publication takes up the fundamental question What is law through a comparative study of canon law and secular legal theory The book also includes comparative consideration of the failure of canon law to address the clergy sexual abuse crisis the canon law of marriage administrative law the rule of law and much more
