

IT BEGINS WHERE "PEYTON PLACE" LEFT OFF...

It looks into the face of the town... down its streets where shame became famous...into the lives of its people, so securely shrouded in bigotry and false morality.

It takes you back to "Peyton Place"...the town afraid to let the outside world look in.

It lets you discover what happened the day Allison returned — to defend herself against the truth "Peyton Place" called indecent... the way of life it called promiscuous.
