Phases of Faith with an Introduction by U. C. Knoepfmacher Francis William Newman,1860 *Evangelical Disenchantment* David Hempton,2008-12-01 David Hempton looks at evangelicalism through the lens of well known individuals who once embraced the evangelical tradition but later repudiated it The author recounts the faith journeys of nine creative artists social reformers and public intellectuals of the nineteenth and twentieth centuries Publisher description

The Evolving God J. David Pleins,2013-06-06 In focusing on the story of Darwin s religious doubts scholars too often overlook Darwin s positive contribution to the study of religion J David Pleins traces Darwin s journey in five steps He begins with Darwin s global voyage where his encounter with religious and cultural diversity transformed his understanding of religion Surprisingly Darwin wrestles with serious theological questions even as he uncovers the evolutionary layers of religion from savage roots Next we follow Darwin as his doubts about traditional biblical religion take root affecting his career choice and marriage to Emma Wedgwood Pleins then examines Darwin s secret notebooks as he searches for a materialist theory of religion Again other surprises loom as Darwin s reading of Comte s three stages of religion s development actually predate his reading of Malthus Pleins explores how Darwin applied his discovery to the realm of ethics by formulating an evolutionary view of the Golden Rule in his *Descent of Man* Finally he considers Darwin s later reflections on the religion question as he wrestled with whether his views led to atheism agnosticism or a new kind of theism The *Evolving God* concludes by looking at some of the current religious debates surrounding Darwin and suggests the need for a deeper appreciation for Darwin as a religious thinker Though he grew skeptical of traditional Christian dogma Darwin made key discoveries concerning the role and function of religion as a natural evolutionary phenomenon **Phases of Faith. 6th**

Christina Rossetti's Feminist Theology L. Palazzo,2002-03-13 This volume disputes the assumption that Rossetti was a follower of Keble and Pusey and shows how her dissatisfaction with the male dominated call to celibacy led her to reject their notions of worldliness and to form a closer bond with the physical world and the body *Elizabeth Gaskell* Angus Easson,2016-07-22 First published in 1979 this book looks at every aspect of the life and work of Elizabeth Gaskell including her lesser known novels and writings especially those concerning life in the industrial north of Victorian England It shows how her work springs from a culture and society which pervades all she thought and wrote An opening chapter explores her

religion culture friendships and family The major works are considered in turn and background material relevant to the novels industrial scenes is presented The process of literary creation is charted in material drawn from letters and by examination of the manuscripts Her short stories journalism and letters are also considered **John Stuart Blackie** Stuart Wallace,2006-05-25 John Stuart Blackie was one of the most impressive and influential figures of nineteenth century Scotland as well as one of the most striking and flamboyant As an intellectual he translated Goethe s Faust and brought first hand knowledge of German philosophy to Scotland as a means of keeping the Enlightenment tradition alive As first Professor of Humanity at Aberdeen from 1839 to 1852 and then as Professor of Greek at Edinburgh until 1882 he played a perhaps the central role in modernising the Scottish university curriculum removing the dead hand of theological orthodoxy raising standards and the entry age introducing tutorial teaching and establishing new chairs including the Edinburgh chair of Celtic His role in the reform of secondary school teaching was equally central But Blackie was also a great public man corresponding with great and famous throughout Great Britain and Europe from Goethe and Carlyle to Ruskin and Gladstone and filling the pages of newspapers and journals with writings on the major issues of the day For the last thirty years of his life he became closely involved in issues of Scottish nationalism and home rule and as champion of the crofters is largely responsible for their contemporary survival and unique status Despite the existence of a rich archive of his papers and letters there has been only one book devoted to his life The Life of Professor John Stuart Blackie the most distinguished Scotsman of the day edited by J G Duncan and published in 1895 **Nineteenth Century Prose** ,2012 **From Awakening to Secession** Timothy Stunt,2000-06-01 A major study of the impact of the Swiss RTveil Awakening on British evangelicals in the 1820s This book provides an important synthesis of a variety of tendencies and movements which have usually been treated and understood as separate By resisting the temptation to read back into the 1820s the partisan labels of later decades Timothy Stunt rediscovers the common ground which was shared by a wide spectrum of Christians who were later seen as mutually hostile The author considers the influence of the Awakening on radical attitudes to mission and ecclesiastical radicalism in Ireland pre Tractarian Oxford and Scotland In dealing with the reluctant movement towards secession from the established church Stunt illuminates and reinterprets the origins of the early Catholic Apostolic Church and the Brethren *The Oxford Movement and Its Leaders, Supplement* Lawrence N. Crumb,1993-06 A comprehensive list of 1 863 citations to books pamphlets chapters articles theses manuscripts microfilms and tape recordings related to the Oxford Movement Arrangement is chronological with detailed author periodical and subject indexes **Bible and Novel** Norman Vance,2013-07-05 The Victorian novel acquired greater cultural centrality just as the authority of the scriptures and of traditional religious teaching seemed to be declining Did the novel supplant the Bible The novelists often adopted or participated in a broadly progressive narrative of social change which can be seen as a secular replacement for the theological narrative of salvation history and the waning authority of biblical narrative Victorian fiction seems in some ways

to enact the process of secularization But contemporary religious resurgence in various parts of the world and postmodern scepticism about grand narratives have challenged and complicated the conventional view of secularization as an irreversible process an inevitable disenchantment of the world which is an aspect and function of the grand narrative of modernization Such developments raise new questions about apparently post Christian Victorian fiction In our increasingly secular society novel reading is now more popular than Bible reading Serious novels are often taken more seriously than scripture Norman Vance looks at how this may have come about as an introduction to four best selling late Victorian novelists George Eliot Thomas Hardy Mary Ward and Rider Haggard Does the novel in their hands take the place of the Bible Can apparently secular novels still have religious significance Can they make new imaginative sense of some of the religious and moral themes and experiences to be found in the Bible Do Eliot and her successors anticipate some of the insights of modern theology and contemporary investigations of religious experience Do they call in question long standing rumours of the death of God and the triumph of the secular Bible and Novel develops a new context for reading later Victorian fiction using it to illuminate the increasingly perplexed and confusing issue of secularization and recent negotiations of the post secular

Losing My Religion Tom Frame, 2010-10-14 In this challenging and provocative book Tom Frame one of Australia's best known writers on religion and society examines diminishing theological belief and declining denominational affiliation He argues that Australia has never been a very religious nation but that few Australians have deliberately rejected belief most simply can't see **The Publishers' Trade List Annual**, 1973 Hindu Encounter with Modernity Shukavak Das, 1999 Bhaktivinode is presented from the perspective of his own times and in his own words His writings theology and religious practices are thoroughly and systematically examined from a nonhagiographic viewpoint and the entire work is carefully annotated Bhaktivinode's life straddled contemporary British society and ancestral Hindu culture One was a modern analytical world which demanded rational thought The other was a traditional world of Hindu faith and piety which seemingly allowed little room for critical analysis Could he play a meaningful role in modern society and at the same time maintain integrity as a Hindu This book systematically examines his reinterpretation and application of Hinduism in the context of rational thought In this well researched comprehensive and objective study Dr Shukavak begins with a discussion of the crisis of faith many Hindus experienced during British rule in India This is followed by a biographic narration of the life of Kedarnath Dutta concentrating primarily on his devotional development and struggle with the problems of tradition and modernity Shukavak identifies the inner logic of Bhaktivinode's approach as it points backward to Caitanya and the Goswamis and forward to the challenges of rationalism and universalism Kedarnath Dutta Bhaktivinode 1838-1914 was an English educated member of the Bengali bhadralok in 19th century British India He was an associate of such noteworthy men as Kashiprasad Ghosh Ishwar Chandra Vidyasagar Keshub Chandra Sen Michael Madhusudan Datta Bankim Chandra Chatterjee Sisir Kumar Ghosh and the Tagore family In his late twenties he discovered his Eastern Savior Caitanya
