Phil Sheridan His Army:

Phil Sheridan and His Army Paul Andrew Hutton, 1999-09-01 Paul Hutton's study of Phil Sheridan in the West is authoritative, readable, and an important contribution to the literature of westward expansion. Although headquartered in Chicago, Sheridan played a crucial role in the opening of the West. His command stretched from the Missouri to the Rockies and from Mexico to Canada, and all the Indian Wars of the Great Plains fell under his direction. Hutton ably narrates and interprets Sheridan's western career from the perspective of the top command rather than the battlefield leader. His book is good history and good reading. Robert M. Utley

Personal Memoirs of Philip H. Sheridan: Volume One Philip Sheridan, 2010-09-23 Philip Henry Sheridan (March 6, 1831 – August 5, 1888) was a career United States Army officer and a Union general in the American Civil War. His career was noted for his rapid rise to major general and his close association with Lt. Gen. Ulysses S. Grant, who transferred Sheridan from command of an infantry division in the Western Theater to lead the Cavalry Corps of the Army of the Potomac in the East. In 1864, he defeated Confederate forces in the Shenandoah Valley, and his destruction of the economic infrastructure of the Valley, called "The Burning," by residents was one of the first uses of scorched earth tactics in the war. In 1865, his cavalry pursued Gen. Robert E. Lee and was instrumental in forcing his surrender at Appomattox. Sheridan prosecuted the later years of the Indian Wars of the Great Plains, tainting his reputation with some historians who accuse him of racism and genocide. Both as a soldier and private citizen, he was instrumental in the development and protection of Yellowstone National Park. In 1883, Sheridan was appointed general in chief of the U.S. Army, and in 1888, he was promoted to the rank of four-star general by President Grover Cleveland. This edition includes great photos of Civil War soldiers and maps.

Sheridan, 2020-01-30 While on his meteoric rise in the Union army Philip H Sheridan earned the enmity of many Virginians for laying waste to the Shenandoah Valley His date and place of birth is uncertain but he himself claimed to have been born in New York in 1831 Although he was destined to come out of the Civil War with the third greatest reputation among the victors his military career did not begin auspiciously It took him five years to graduate from West Point 1853 because of an altercation with fellow cadet and future Union general William R Terrill After serving in a staff position during the early part of the war he was recommended for the command of a cavalry regiment by Gordon Granger Within days of taking command

he was in charge of the brigade with which he earned his first star at Booneville in northern Mississippi He fought well at Perryville and Murfreesboro and was given a second star in the volunteers At Chickamauga almost two thirds of the army including his division was swept from the field However at Chattanooga he regained his somewhat tarnished reputation when his division broke through the Rebel lines atop Missionary Ridge *Personal Memoirs of P.H. Sheridan, General United States Army Philip Sheridan, 2020-01-30* While on his meteoric rise in the Union army Philip H Sheridan earned the enmity of many Virginians for laying waste to the Shenandoah Valley His date and place of birth is uncertain but he himself claimed to have been born in New York in 1831 Although he was destined to come out of the Civil War with the third greatest reputation among the victors his military career did not begin auspiciously It took him five years to graduate from West Point 1853 because of an altercation with fellow cadet and future Union general William R Terrill After serving in a staff position during the early part of the war he was recommended for the command of a cavalry regiment by Gordon Granger Within days of taking command he was in charge of the brigade with which he earned his first star at Booneville in northern Mississippi He fought well at Perryville and Murfreesboro and was given a second star in the volunteers At Chickamauga almost two thirds of the army including his division was swept from the field However at Chattanooga he regained his somewhat tarnished reputation when his division broke through the Rebel lines atop Missionary Ridge Terrible Swift Sword Joseph Wheelan, 2012-08-07 Alongside Ulysses S Grant and William Tecumseh Sherman Philip H Sheridan is the least known of the triumvirate of generals most responsible for winning the Civil War Yet before Sherman s famous march through Georgia it was General Sheridan who introduced scorched earth warfare to the South and it was his Cavalry Corps that compelled Robert E Lee s surrender at Appomattox Courthouse Sheridan s innovative cavalry tactics and total war strategy became staples of twentieth century warfare After the war Sheridan ruthlessly suppressed the raiding Plains Indians much as he had the Confederates by killing warriors and burning villages but he also defended reservation Indians from corrupt agents and contractors Sheridan an enthusiastic hunter and conservationist later ordered the US cavalry to occupy and operate Yellowstone National Park to safeguard it from commercial exploitation **The Life of Gen. Philip H. Sheridan** Frank A. Burr, Richard Josiah Hinton, 1889 Personal Memoirs of P. H. Sheridan, General, United States Army - Complete Philip Henry Sheridan, 2018-08-15 Personal Memoirs of P H Sheridan General United States Army Complete by Philip Henry Sheridan My parents John and Mary Sheridan came to America in 1830 having been induced by the representations of my father s uncle Thomas Gainor then living in Albany N Y to try their fortunes in the New World They were born and reared in the County Cavan Ireland where from early manhood my father had tilled a leasehold on the estate of Cherrymoult and the sale of this leasehold provided him with means to seek a new home across the sea My parents were blood relations cousins in the second degree my mother whose maiden name was Minor having descended from a collateral branch of my father s family Before leaving Ireland they had two children and on the 6th of March 1831 the year after their arrival in this country I

was born in Albany N Y the third child in a family which eventually increased to six four boys and two girls The prospects for gaining a livelihood in Albany did not meet the expectations which my parents had been led to entertain so in 1832 they removed to the West to establish themselves in the village of Somerset in Perry County Ohio which section in the earliest days of the State had been colonized from Pennsylvania and Maryland At this period the great public works of the Northwest the canals and macadamized roads a result of clamor for internal improvements were in course of construction and my father turned his attention to them believing that they offered opportunities for a successful occupation Encouraged by a civil engineer named Bassett who had taken a fancy to him he put in bids for a small contract on the Cumberland Road known as the National Road which was then being extended west from the Ohio River A little success in this first enterprise led him to take up contracting as a business which he followed on various canals and macadamized roads then building in different parts of the State of Ohio with some good fortune for awhile but in 1853 what little means he had saved were swallowed up in bankruptcy caused by the failure of the Sciota and Hocking Valley Railroad Company for which he was fulfilling a contract at the time and this disaster left him finally only a small farm just outside the village of Somerset where he dwelt until his death in 1875 We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience **The Loyal West in the Times of the Rebellion** John Warner Barber, Henry Howe, 1865
