Education in Philanthropy and Volunteerism, 1989* *Charity, Philanthropy, and Civility in American History* Lawrence J.

Friedman, Mark D. McGarvie, 2003 This book presents professional historians addressing the dominant issues and theories offered to explain the history of American philanthropy and its role in American society The essays develop and enlighten the major themes proposed by the book's editors oftentimes taking issue with each other in the process The overarching premise is that philanthropic activity in America has its roots in the desires of individuals to impose their visions of societal ideals or conceptions of truth upon their society To do so they have organized in groups frequently defining themselves and their group's role in society in the process

Gifts of Time and Money Arthur C. Brooks, 2005-06-03 Policymakers civic leaders and scholars have increasingly focused their attention over the last decade and a half on the importance of voluntary participation in civil society From George H W Bush's Thousand Points of Light to Bill Clinton's AmeriCorps to George W Bush's faith-based initiatives it is undeniable that communities are looking to increase their levels of charity and voluntarism in the provision of public goods and services What mobilizes giving and volunteering What are the characteristics of communities that are engaged and those that are not What can policymakers and nonprofit managers do to change the current landscape in places with low levels of participation These are the questions this edited collection addresses It is the first book specifically dedicated to community giving and volunteering efforts with a best practices element Published in cooperation with the Alan K Campbell Public Affairs Institute at Syracuse University
