## Philip Larkin:

*Philip Larkin* James Booth, 2014-08-28 \_\_\_\_\_ Superb Booth's psychology is subtler than Motion's and more convincing Peter J. Conradi Spectator Booth's diligence is unquestionable and even readers who think they know the poems will see nuances they had previously missed should render further attention by biographers superfluous for several years Guardian Those of us who never warmed to Larkin the man or poet will have our aversions challenged by this sympathetic but different account of his life and work Independent \_\_\_\_\_ A fascinating and controversial study of Philip Larkin's world and how it bled into his work James Booth's biography is a unique insight into the man whose life and art have been misunderstood for too long Philip Larkin was that rare thing among poets a household name in his own lifetime Lines such as 'Never such innocence again and Sexual intercourse began In nineteen sixty three' made him one of the most popular poets of the last century Larkin's reputation as a man however has been more controversial A solitary librarian known for his pessimism he disliked exposure and had no patience with the literary circus And when in 1992 the publication of his *Selected Letters* laid bare his compartmentalised personal life accusations of duplicity faithlessness racism and misogyny were levelled against him There is of course no requirement that poets should be likeable or virtuous but James Booth asks whether art and life were really so deeply at odds with each other Can the poet who composed the moving *Love Songs in Age* have been such a cold-hearted man Can he who uttered the playful self-deprecating words 'Deprivation is for me what daffodils were for Wordsworth' really have been so boorish A very different public image is offered by those who shared the poet's life the women with whom he was romantically involved his friends and his university colleagues It is with their personal testimony including access to previously unseen letters that Booth reinstates a man misunderstood not a gaunt emotional failure but a witty provocative and entertaining presence delightful company an attentive son and a man devoted to the women he loved Meticulously researched unwaveringly frank and full of fresh material *Philip Larkin: Life, Art and Love* definitively reinterprets one of our greatest poets
