Philip Larkin James Booth, 2014-08-28 _____ Superb Booth's psychology is subtler than Motion's and more convincing Peter J Conradi Spectator Booth's diligence is unquestionable and even readers who think they know the poems will see nuances they had previously missed should render further attention by biographers superfluous for several years Guardian Those of us who never warmed to Larkin the man or poet will have our aversions challenged by this sympathetic but different account of his life and work Independent _____ A fascinating and controversial study of Philip Larkin's world and how it bled into his work James Booth's biography is a unique insight into the man whose life and art have been misunderstood for too long Philip Larkin was that rare thing among poets a household name in his own lifetime Lines such as Never such innocence again and Sexual intercourse began In nineteen sixty three made him one of the most popular poets of the last century Larkin's reputation as a man however has been more controversial A solitary librarian known for his pessimism he disliked exposure and had no patience with the literary circus And when in 1992 the publication of his Selected Letters laid bare his compartmentalised personal life accusations of duplicity faithlessness racism and misogyny were levelled against him There is of course no requirement that poets should be likeable or virtuous but James Booth asks whether art and life were really so deeply at odds with each other Can the poet who composed the moving Love Songs in Age have been such a cold hearted man Can he who uttered the playful self deprecating words Deprivation is for me what daffodils were for Wordsworth really have been so boorish A very different public image is offered by those who shared the poet's life the women with whom he

was romantically involved his friends and his university colleagues It is with their personal testimony including access to previously unseen letters that Booth reinstates a man misunderstood not a gaunt emotional failure but a witty provocative and entertaining presence delightful company an attentive son and a man devoted to the women he loved Meticulously researched unwaveringly frank and full of fresh material Philip Larkin Life Art and Love definitively reinterprets one of our greatest poets Such Deliberate Disguises: The Art of Philip Larkin Richard Palmer,2008-05-01 Such Deliberate Disguises

The Art of Philip Larkin argues that a true understanding of Philip Larkin as man and poet lies beyond his enduring public appeal and the variety of criticism that has recently been applied to his work Richard Palmer suggests that the ostensible simplicity of Larkin s writing which continues to attract so many readers to him is deceptive masking as it does one of the richest and most resonant of oeuvres in twentieth century poetry Penetrating the many masks of Larkin the book sheds new and considerable light on the hitherto largely ignored spiritual significance of his work Based upon close and scrupulous reading of the poems themselves it draws upon insights gained from the history of art and the study of religion and myth as much as literary criticism and personal biography It also brings long overdue attention to what is seen to be perhaps the chief love and operative aesthetic force of Larkin s life jazz Such Deliberate Disguises is thus a major contribution not just to Larkin studies but to the wider cultural history of our times **Reading Philip Larkin: Selected Poems** John

Gilroy,2012-06-01 Our best selling poetry introduction offers a detailed commentary on the poetry of Philip Larkin exploring the political and cultural contexts which have shaped his contemporary reputation Part 1 Life and Times traces Larkin s early years and follows his development within his career as a university librarian into one of the most important and popular voices in twentieth century poetry Part 2 Artistic Strategies explores a range of methodologies and aesthetic influences by which Larkin was empowered to create poetry at once both accessible and profound Part 3 Reading Larkin provides detailed critical commentary on many of the poems from his three major collections The Less Deceived The Whitsun Weddings and High Windows Part 4 Reception outlines the history of Larkin s reputation from the mid 1950s to the present examining the debates to which his poetry has given rise John Gilroy teaches at Anglia Ruskin University and for the University of

Cambridge Institute of Continuing Education **Belonging and Estrangement in the Poetry of Philip Larkin, R.S.**

Thomas and Charles Causley Rory Waterman,2016-04-22 Focusing on the significance of place connection and relationship in three poets who are seldom considered in conjunction Rory Waterman argues that Philip Larkin R S Thomas and Charles Causley epitomize many of the emotional and societal shifts and mores of their age Waterman looks at the foundations underpinning their poetry the attempts of all three to forge a sense of belonging with or separateness from their readers the poets varying responses to their geographical and cultural origins the belonging and estrangement that inheres in relationships including marriage the forced estrangements of war the antagonism between social belonging and a need for isolation and finally the charged issues of faith and mortality in an increasingly secularized country **Philip Larkin's**

Poetics István D. Rácz,2015-11-24 In Philip Larkin's Poetics István D. Rácz offers a reading of Larkin's credo that systematically discusses the links between his principles and practice a discussion notably absent up to now from the many studies of this outstanding post 1945 British poet While Larkin claimed that his poetry did not need any explication Rácz argues that a careful reading reveals a coherent poetics This thoroughgoing discussion of the oeuvre provides ample evidence that Larkin's poetry of interacting opposites creates a logically organized system based on principles to be found in his poetics

Philip Larkin, Popular Culture, and the English Individual J. Ryan Hibbett,2019-02-18 Despite the denigrating revelations of his published letters Philip Larkin looms larger than ever both as an English national icon and as a championed voice of postwar English poetry Philip Larkin Popular Culture and the English Individual seeks to move beyond the decades long preoccupation with Larkin's reputation and canonical status approaching Larkin instead as part of a persevering cultural phenomenon through which the traditionally distinguished individual is reconstituted in the company of the ordinary and the interchangeable It tracks how Larkin's poetic texts negotiate and engage with representations of popular culture at a time when notions of celebrity authenticity and cultural authority were newly and deeply unsettled by rock and roll and when cultural capital had become a coveted substitute for diminished imperial wealth From his unprecedented f bombs to his cultivation of a familiar comedic personality this book examines how Larkin realigns common social practices and popular art forms be it attending a church service watching television or enjoying a concert to the isolated knowing gaze of the individual

Begin Afresh Sisir Kumar Chatterjee,2025-03-12 *Begin Afresh* The Evolution of Philip Larkin's Poetry offers incisive insightful and yet lucid analyses of all the individual poems contained in the four major collections of Larkin 1922 1985 It also deals with his Juvenile Poems Brunette Coleman poems those in In the Grip of Light and XX Poems as well as his last poems The book also discusses Larkin's novels and drafts It evaluates the critical opinions regarding various aspects of Larkin's poetry especially the issue of its development and shows that it may not follow a clearly identifiable linear chronological line of evolution but it does evolve in a subtle way from one phase of his career to the next The book explores how Larkin discovered his own original inimitable idiosyncratic poetic voice by truly democratising English poetry for the first time by writing accessible and pleasurable poetry and by forging a new poetic out of a philistine aesthetic which stands out as an artistic holotype It shows how Larkin restores the relation between poetry and the reading public a relation which was broken down by Modernist poets It also establishes how his poetic vision is neither optimistic nor pessimistic but realistic in that it preserves the universal human condition without moralising or philosophising The book aims to make a fresh departure in Larkin criticism and mark a new era in Larkin studies This volume will be of interest to students and researchers of Modernism twentieth century literature poetry language and literature

So You Think You Know Philip Larkin? M. R. Sethi,2021-10-20 Nothing seemed to escape the eyes of Philip Larkin a contemporary English poet who achieved acclaim on the strength of a small body of work While lyrically exploring the human experience Larkin's candid

perceptions were enlivened by his acute power of observation a unique literary talent that prompted his recognition as England's other Poet Laureate In a fascinating quiz book that will appeal to both Larkin scholars and lovers of poetry and literature retired English professor M R Sethi shares more than six hundred questions with answers that offer an opportunity to test knowledge regarding the life and works of the famous poet Scholars and others will be tested on Larkin's physical shortcomings his first jobs what he wore while mowing the lawn why he once threatened to jump out a window who was not one of his friends at Oxford and much more that includes detailed questions regarding many of his poems So You Think You Know Philip Larkin is a volume of questions and answers shared to test the knowledge of both scholars and poetry and literature aficionados about a famous contemporary poet

Early Larkin James Underwood, 2021-07-15 Astute Times
Literary Supplement Beginning in the late 1930s this is the first book length critical study of Larkin's early work his poetry novels short fictions essays and letters The book tells the story of Philip Larkin's early literary development starting with Larkin's earliest literary efforts and his remarkable correspondence with Jim Sutton and ending at the point Larkin's maturity begins with the writing of his first great poems In providing a comprehensive and systematic study of this part of Larkin's life this book also presents a new and surprising narrative of Larkin's development Critics have presented Larkin's early career as a false start which he overcame by swapping Yeats's influence for Hardy's Having re-discovered Hardy's poetry in 1946 the story goes Larkin realised the potential of writing about his own life and disavowed Yeats Central to this book's controversial counter narrative is an insistence on the significance of Brunette Coleman the female heteronym Larkin invented in 1943 Three years before his re-discovery of Hardy Larkin wrote a strange and unique series of works for schoolgirls under Coleman's name These writings not only led him away from Yeats and other hindering influences but also away from himself Whereas the Yeats to Hardy narrative emphasises the autobiographical qualities of Larkin's mature verse Early Larkin proposes that the writer's breakthrough was a result of his burgeoning interest in everything outside himself itself the consequence of his curious experiment with Brunette Coleman

The Oxford Encyclopedia of British Literature David Scott Kastan, 2006-03-03 From folk ballads to film scripts this new five volume encyclopedia covers the entire history of British literature from the seventh century to the present focusing on the writers and the major texts of what are now the United Kingdom and the Republic of Ireland In five hundred substantial essays written by major scholars the Encyclopedia of British Literature includes biographies of nearly four hundred individual authors and a hundred topical essays with detailed analyses of particular themes movements genres and institutions whose impact upon the writing or the reading of literature was significant An ideal companion to The Oxford Encyclopedia of American Literature this set will prove invaluable for students scholars and general readers For more information including a complete table of contents and list of contributors please visit www.oup.com/us/ebL

The Cambridge History of English Poetry Michael O'Neill, 2010-04-29 Poetry written in English is uniquely powerful and suggestive in its capacity to surprise unsettle shock console and move The Cambridge

History of English Poetry offers sparkingly fresh and dynamic readings of an extraordinary range of poets and poems from Beowulf to Alice Oswald. An international team of experts explores how poets in England, Scotland, Wales, and Ireland use language and to what effect, examining questions of form, tone, and voice. They comment too on how formal choices are inflected by the poet's time and place. The Cambridge History of English Poetry is the most comprehensive and authoritative history of the field from early medieval times to the present. It traces patterns of continuity, transformation, transition, and development. Covering a remarkable array of poets and poems and featuring an extensive bibliography, the scope and depth of this major work of reference make it required reading for anyone interested in poetry. Radical Larkin J.

Osborne, 2016-04-30. The first critical monograph to benefit from the textual rigour of Archie Burnett's landmark edition of *The Complete Poems* 2012. Radical Larkin celebrates Larkin's technical genius by offering seven in-depth analyses of the stylistic strategies he used to create eleven of his most famous poems. **The Poetry of Philip Larkin** S. N.

Prasad, 2022-07-14. *The Poetry Of Philip Larkin A Study In Long Perspectives* By S N Prasad. The present book is an innovative attempt to give the Philip Larkin criticism a new direction. Early critical writings on Larkin for the most part tried to show him as a provincial poet and his poetic imagination as of a middle brow kind. However, soon some perceptive readers of his poetry found some of its real value as a result of which he is now regarded as one of the major British post-modern poets. This book has tried to show that Philip Larkin in his poetry tries to see man in his present existential condition and he sees his future prospects as a species in very long perspectives and in this respect, besides his many faceted merit as a true poet, he can and should be seen in the company of great mainstream scientists, philosophers, creative writers, and thinkers. Philip Larkin in his major poems aims at giving a therapeutic touch to the ailing human culture. This book has a long INTRODUCTION which tries to show the true origins of man, his physiology, and his present psycho-social condition. Views of reputed creative writers, scientists, philosophers, and thinkers have been referred to in this connection. In the three middle sections of the book, thirty of Larkin's poems taken from his three major volumes have been analyzed individually at some length. These analyses reveal some of the very important but hitherto unrevealed aspects of his poetry. Philip Larkin

Robert C. Evans, 2017-09-16. Philip Larkin is widely regarded as one of the greatest English poets of the 20th century. As such, there is a vast amount of literary criticism surrounding his work. This Readers Guide provides a comprehensive and accessible overview of the key reactions to Larkin's poetry. Using a chronological structure, Robert C. Evans charts critical responses to Larkin's work from his arrival on the British literary scene in the 1950s to the decades after his death. This includes analyses of critical material from around the world, making this an excellent guide for all students of Larkin.

Larkin, Ideology and Critical Violence J. Osborne, 2007-11-23. This volume combines a theoretical critique of the biographical method that dominates Larkin studies with a revolutionary interpretation of his works that better accounts for their profound influence upon leading Postmodernists like Ian McEwan, David Mitchell, Carol Ann Duffy, Damien Hirst, and the

creators of Jerry Springer the Opera **Philip Larkin and His Audiences** G. Steinberg, 2010-01-13 Philip Larkin one of England's greatest and most popular twentieth century poets is nonetheless widely regarded as a misanthropic provincial recluse This volume re-examines that critical view and argues that Larkin's poetry far from demonstrating his misanthropy highlights his profound awareness of and concern for readers **Philip Larkin: Letters Home** Philip Larkin, 2018-10-30 Letters Home gives access to the last major archive of Larkin's writing to remain unpublished the letters to members of his family These correspondences help tell the story of how Larkin came to be the writer and the man he was to his father Sydney a conservative anarchist and admirer of Hitler who died relatively early in Larkin's life to his timid depressive mother Eva who by contrast lived long and whose final years were shadowed by dementia and to his sister Kitty the sparse surviving fragment of whose correspondence with her brother gives an enigmatic glimpse of a complex and intimate relationship But it was the years during which he and his sister looked after their mother in particular that shaped the writer we know so well a number of poems written over this time are for her and the mood of pain shadow and despondency that characterises his later verse draws its strength from his experience of the long lonely years of her senility One surprising element in the volume however is the joie de vivre shown in the large number of witty and engaging drawings of himself and Eva as Young Creature and Old Creature with which he enlivens his letters throughout the three decades of her widowhood This important edition meticulously edited by Larkin's biographer James Booth is a key piece of scholarship that completes the portrait of this most cherished of English poets
