FOUNDING FATHERS

Philip Mazzei One Of Americas Founding F

Giovanni Ermenegildo Schiavo

Philip Mazzei One Of Americas Founding F:

Philip Mazzei, One of America's Founding Fathers Giovanni Ermenegildo Schiavo, 1951 **Philip Mazzei** Giovanni Ermenegildo Schiavo, 1951 **Italian Americans: Bridges to Italy, Bonds to America** , In this volume attesting to the Italian American influence on the United States nine professors of Italian American studies and a curator of an ethnic museum provide original essays on the Italian American experience using the theme bridges to Italy and bonds to America Drawing from a wide variety of primary sources such as census tracts local directories diaries voting records newspaper accounts personal interviews and scholarly and polemical books and articles the authors show how Italian Americans adapted through work prejudice strife and advancement to the social and political life in America while still retaining an element of Italianita A bibliography of the colonial period reveals how Italians and Italian Americans impacted the creation exploration and settlement of America While many studies are concentrated in the eastern United States Italian Americans settled early in the west including Arizona Their history in Arizona parallels the labor strife religion music and entrepreneurship that engaged their countrymen in the East Italian Americans responded in a massive way to help their families that were devastated by the earthquake that leveled Messina Sicily and Reggio Calabria A study of a sculptor who settled in Pittsburgh shows how he produced works depicting American and Italian themes often on a grand scale suitable for outdoor placement and mingled with native born community leaders and clubs and fraternal organizations Tracing the life of a controversial Brooklyn politician Francis B Spinola the authors show how he was elected to local and state political office and fought in the U S Civil War Italian Americans were key components in the early years of jazz history in the 1920s and 1930s This study adds some balance to the development of jazz by tracing the bonds that Italian Americans formed with Black musicians and their pioneering use of the guitar and violin An obvious example of the theme of this book is a study of Italian prisoners of World War II who were transported to the United States and settled in a camp in Texas The author shows how they helped farmers by their work and how artists among them helped decorate a local church with paintings and murals A comparison of the Italian and Mexican immigration to the United States shows the similarity and differences of these two groups over time An examination of the proposition that Mexicans are like Italians is examined in detail A bibliographical study of the southern question in Italian history shows the explosive forces that erupted during and after Italian unification Italians and Italian Americans are still debating whether this incorporation of the Italian south into the kingdom of Italy was detrimental to the people who lived there and contributed to the massive emigration that followed This study is an outgrowth of a desire by scholars to honor the passing of Professor Salvatore Mondello coauthor of the national bestseller *The Italian Americans* One of a few historians of Italian American immigration who appeared on the scene in the late 1950s and early 1960s he approached the subject with enthusiasm passion and a relentless search for relevant material marked by digging into primary sources rooting out individuals who had lived through the immigrant experience and pouring over the contemporary

accounts found in newspapers and magazines Sal was one of the first to see the important link between railroads and Italian American settlements He saw that the rail lines accelerated the Italians movement beyond the large cities in the coastal areas They used the railroads as the means to establish new lives in many urban and rural communities across the country In many ways the articles presented in this book reflect the Mondello approach The authors continue as pioneers by dealing with important topics that have been overlooked ignored and or newly arisen They add a dimension to Italian immigration which focuses on the interaction of American and immigrant cultures and shows them as much American as Italian if not more so Having the advantage of living and teaching in smaller towns the authors write with conviction and verve Whether treating subjects old or new the authors writing is clean fresh often imaginative and well documented producing a fine example of good scholarship solid research clear expository writing and expert analysis They move Italian American history beyond the corpus of work which usually includes radicalism labor strife crime religion and the current blossoming of literature and poetry framing Italian American themes This book will serve to inspire the group of scholars appearing on the scene today to carry on in opening new paths in the Italian American experience This book will be of interest to scholars and lay people alike Scholars will find particularly useful the information in the bibliographical articles and the book s usefulness as a reader in an immigration history or sociology course The younger scholar is sure to be challenged and possibly richly rewarded The book s human interest will appeal to a diverse audience young and old Exposed to nine subjects the general reader is sure to be drawn to one or more of them

Philip Mazzei Giovanni Ermenegildo Schiavo,1951 Four Centuries of Italian-American History Giovanni Ermenegildo Schiavo,1955 *The Italian/American Experience* Louis J. Gesualdi,2012-04-13 The Italian American Experience A Collection of Writings represents a meaningful attempt to inform Italian Americans about their group s varied experiences in America This book unlike many works on the Italian American experience contains writings that explain why popular negative notions of Italian American life are inaccurate The Italian American Experience lists a number of organizations and journals specializing in Italian American culture and provides brief descriptions of many leading researchers in the field of Italian American studies This unique text also contains an annotated bibliography of key books that deal with the lives of Italians and Italian Americans This collection of eleven works offers readers an in depth view of Italian American culture and heritage

Blurred Nationalities across the North Atlantic Luca Codignola,2019-01-02 Long before the mid nineteenth century thousands of people were frequently moving between North America specifically the United States and British North America and Leghorn Genoa Naples Rome Sicily Piedmont Lombardy Venice and Trieste Predominantly traders sailors transient workers Catholic priests and seminarians this group relied on the exchange of goods across the Atlantic to solidify transatlantic relations during this period stories about the New World passed between travellers through word of mouth and letter writing Blurred Nationalities across the North Atlantic challenges the idea that national origin for instance Italianness constitutes the only significant feature of a group s identity

revealing instead the multifaceted personalities of the people involved in these exchanges *Congressional Record* United States. Congress,1994 *Italoamericana* Francesco Durante,Robert Viscusi,2014-04-15 Collected classic writings on about and from the formative years of the Italian American experience featuring fiction nonfiction poetry and drama To appreciate the life of the Italian immigrant enclave from the great heart of the Italian migration to its settlement in America requires that one come to know how these immigrants saw their communities as colonies of the mother country Edited with extraordinary skill *Italoamericana* The Literature of the Great Migration 1880 1943 brings to an English speaking audience a definitive collection of classic writings on about and from the formative years of the Italian American experience Originally published in Italian this landmark collection of translated writings establishes a rich diverse and mature sense of Italian American life by allowing readers to see American society through the eyes of Italian speaking immigrants Filled with the voices from the first generation of Italian American life the book presents a unique treasury of long inaccessible writing that embodies a literary canon for Italian American culture poetry drama journalism political advocacy history memoir biography and story the greater part of which has never before been translated *Italoamericana* introduces a new generation of readers to the Black Hand and the organized crime of the 1920s the incredible pulp novels by Bernardino Ciambelli Paolo Pallavicini Italo Stanco Corrado Altavilla the exhilarating *macchiette* by Eduardo Migliaccio Farfariello and Tony Ferrazzano the comedies by Giovanni De Rosalia Riccardo Cordiferro s dramas and poems the poetry of Fanny Vanzi Mussini and Eduardo Migliaccio Edited by a leading journalist and scholar *Italoamericana* presents an important but little known largely inaccessible Italian language literary heritage that defined the Italian American experience Organized into five sections Annals of the Great Exodus Colonial Chronicles On Stage and Off Stage Anarchists Socialist Fascists Anti Fascists and Apocalyptic Integrated Integrated Apocalyptic Intellectuals the volume distinguishes a literary cultural and intellectual history that engages the reader in all sorts of archaeological and genealogical work An addition to the great tradition of Italian American literature and culture this anthology of fiction poetry plays memoir and articles features the writing of Italians in America writing from the Little Italys of the period in their mother tongue and fills a huge gap in the canon A sophisticated critical look at the writings of Italian immigrants to America across all genres includes social and political commentary a long labor of love for American editor Robert Viscusi A massive work of extraordinary power that while scholarly and comprehensive will have wide appeal Publishers Weekly *The Story of the Italians in America* Michael Angelo Musmanno,1965 Achievements in contributing to the American way of life from the days of Christopher Columbus to the present recounted by a distinguished judge of Italian lineage **Foreign-Born American Patriots** René Critcher Lyons,2013-12-06 This book presents profiles of sixteen individuals born and raised in countries other than America who voluntarily joined the revolutionary cause These men were writers soldiers merchants sailors guerilla fighters pirates financiers and cavalry leaders Each profile discusses the personal experiences that influenced the volunteer leader s decision

to fight for the fledgling country the sacrifices endured for the benefit of the Revolutionary Cause and the unique talents each contributed to the war effort Their participation helped ensure the perpetuation of the ideals and values of the American republic Dictionary Catalog of the History of the Americas New York Public Library. Reference Dept,1961

The Italians in America Before the Revolution Giovanni Ermenegildo Schiavo,1976 **F*ck You, I'm Italian** Tony DiGerolamo,2018-03-15 An entertaining page turning overview of Italian American history and culture From ancient Rome to modern America we Italians have always been the friggin best in art science culture and Madonn food Now this fascinating collection of Italian history people facts and trivia will make you proudly say F ck you I m Italian including Culture from the Renaissance to The Godfather Music from Frank Sinatra to Lady Gaga History from gladiators to Rocky Food from sauce to cannoli Family from Sunday mass to Sunday dinner Founders as Fathers Lorri Glover,2014-09-30 Surprisingly no previous book has ever explored how family life shaped the political careers of America s great Founding Fathers men like George Mason Patrick Henry George Washington Thomas Jefferson and James Madison In this original and intimate portrait historian Lorri Glover brings to life the vexing joyful arduous and sometimes tragic experiences of the architects of the American Republic who while building a nation were also raising families The costs and consequences for the families of these Virginia leaders were great Glover discovers the Revolution remade family life no less than it reinvented political institutions She describes the colonial households that nurtured future revolutionaries follows the development of political and family values during the revolutionary years and shines new light on the radically transformed world that was inherited by nineteenth century descendants Beautifully written and replete with fascinating detail this groundbreaking book is the first to introduce us to the founders as fathers **George Mason** William G. Hyland,2019-05-07 George Mason was a short bookish man who was a friend and neighbor of athletic broad shouldered George Washington Unlike Washington Mason has been virtually forgotton by history But this new biography of forgotten patriot George Mason makes a convincing case that Mason belongs in the pantheon of honored Founding Fathers Trained in the law Mason was also a farmer philosopher botanist and musician He was one of the architects of the Declaration of Independence an author of the Bill of Rights and one of the strongest proponents of religious liberty in American history In fact both Thomas Jefferson and James Madison may have been given undue credit for George Mason s own contributions to American democracy **Dictionary Catalog of the History of the Americas** New York Public Library. Reference Department,1961 The Truth about the Mafia and Organized Crime in America Giovanni Ermenegildo Schiavo,1962 *A History of Wine in America, Volume 1* Thomas Pinney,1989 Completely fascinating Pinney s History of Wine in America combines a myriad of facts about all the states that have endeavored to grow grapes at any time since colonial days into a readable and coherent story The only study to approach wine through its historical aspects it will be invaluable to wine writers who want to include historical perspectives in their articles and it will be seized upon by grape growers and wineries throughout the country who want to discover their

region's historical roots in viticulture and winemaking. A significant contribution to scholarship, this book should have broad appeal. John R. McGrew, USDA Agricultural Research Service, retired. Benjamin Franklin and Italy, Antonio Pace, 1958. This biography shows Rubens working and studying in Italy and follows the development of his distinctive style, which became a strong influence on the French and English painters of the following century.

Unveiling the Energy of Verbal Artistry: An Emotional Sojourn through **Philip Mazzei One Of Americas Founding F**

In a world inundated with monitors and the cacophony of instant transmission, the profound energy and mental resonance of verbal art usually diminish in to obscurity, eclipsed by the continuous onslaught of noise and distractions. However, located within the lyrical pages of **Philip Mazzei One Of Americas Founding F**, a interesting work of fictional brilliance that pulses with raw emotions, lies an wonderful trip waiting to be embarked upon. Composed by a virtuoso wordsmith, this interesting opus courses readers on a psychological odyssey, delicately exposing the latent possible and profound affect embedded within the complex internet of language. Within the heart-wrenching expanse of the evocative examination, we shall embark upon an introspective exploration of the book is main styles, dissect its captivating writing model, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
