topic of imputation Though Vickers spends a good deal of time on the particulars of each text he keeps one eye on the broader biblical horizon like any doctrine imputation must be investigated exegetically and synthetically This book and its conclusion that the imputation of Christ s righteousness is a legitimate and necessary synthesis of Paul s teaching is a valuable contribution to the ongoing debate on imputation **Paul and His Letters** John B. Polhill, 1999 Except for Christ himself no figure has been more influential in the history of Christianity than the apostle Paul And yet his remarkable life remains shrouded in mystery In this probing new book John B Polhill scrapes away the myths about this great man and uncovers the truth of his life and thought Using Acts the Pauline epistles and reliable traditions from non canonical sources Polhill weaves together the remarkable story of Paul s transformation from persecutor to persecuted producing a dynamic account of his entire ministry By placing each of Paul s letters in its proper historical context Polhill brings new light to these foundation stones of the Christian faith He follows Paul from his early years in Tarsus and Jerusalem to his imprisonment and eventual martyrdom painting a detailed comprehensive portrait of Paul that will serve as an indispensable resource for students teachers and pastors alike **Conformed to the Image of His Son** Haley Goranson Jacob, 2018-07-17 What does Paul mean when in Romans 8 29 he speaks of being conformed to the image of his Son Is it a moral or spiritual or sanctifying conformity to Christ or to his suffering or does it point to an eschatological transformation into radiant glory Haley Goranson Jacob points out that the key lies in the meaning of glory in Paul s biblical theological perspective and in how he uses the language of glory in Romans **Biblical Theological Investigations into the Righteousness of God** Albert J. Coetsee, Francois P. Viljoen, 2024-03-19 Scripture reveals that God has various attributes One of the attributes that Scripture frequently refers to is God s righteousness The attribute of God s righteousness enjoys a lot of scholarly attention in systematic theologies Fewer studies however are devoted to investigating God s righteousness from a Biblical Theological perspective This is exactly what this publication does it provides a number of Biblical Theological investigations into the attribute of God s righteousness by investigating specific verses chapters and corpora from Scripture and indicates how these portray God s righteousness as part of the developing unfolding and progressive storyline of the text This includes research on topics that have not been adequately explored in the past The chapters contained in this volume are written by Old and New Testament scholars and the target audience is fellow Old and New Testament scholars and scholars interested in God s attributes **The Spirit at the Cross** Carolyn E. L. Tan, 2019 What was the Holy Spirit doing at the cross of Jesus Christ Jesus death and resurrection are central to God s reconciliation with humanity Does the Holy Spirit s work pause between Gethsemane and the resurrection What does the phrase through the eternal Spirit in Hebrews 9 14 mean In this book Tan examines the perspectives of John Vernon Taylor Jurgen Moltmann and John D Zizioulas from whom three views of the Spirit s role at the cross are discerned the Spirit as the bond of love between the Father and the Son the Spirit as the Son s coworker enabler and power and the Spirit as the unifier who unites humanity to the Son In addition Karl Barth provides

the intriguing concept of the Spirit as divine Judge along with the Father and the Son and specifically the one who carries out God's judgment in Jesus Christ the Elect Integrating these theological perspectives with an in depth examination of the manuscript and exegetical and hermeneutical history of Hebrews 9:14 Tan offers another way of understanding the role of the Spirit at the cross Christ as the Father's pneumatic crucible in whom sinful humanity is judged destroyed and reborn through the power of the Holy Spirit
