Philippine Answer To Communism:

The Philippine Answer to Communism Alvin H. Scaff,1964 *The Philippine Answer to Communism* Alvin Hewitt Scaff,1962 Problems of Communism ,1955 **National Defense Resources Conference** Industrial College of the Armed Forces (U.S.),1963 **The Social Evolution of Indonesia** F. Tichelman,2012-12-06 At a fairly early stage of socialism s penetration into the Afro Asian world a handful of European social democrats established an Indian Social Democratic Association ISDV They did so in a country Indonesia that was economically little developed and far away from any of the centres of European socialism and Asiatic radical national ism The ISDV was soon able to bring its influence to bear on sections of the urban proletariat and to build up an Indonesian revolutionary movement This occurred in sharp competition with a nascent nationalist leadership and then without the usual intermediary role played by radicalizing groups of native intelligentsia In this way Dutch social democrats laid the foundations for one of the first communist parties in Asia and Africa a party which was destined to become one of the few communist mass parties of the Third World However in contrast to the major communist movements of China Vietnam this Indonesian party was to demonstrate a basic weakness successive and catastrophic defeats If we leave out Japan the only non Western country where a capitalist industrial revolution occurred we see that foreign and particularly Western minorities frequently did play a dominant role in the initial and formative phases of the socialist and workers movements of the Afro Asiatic world **The Hukbalahap Insurgency** Robert Ross Smith,1963

Soviet Strategies in Southeast Asia Charles B. McLane,2015-12-08 This study s main concern is with the growth of Communism within Burma Thailand Malaya Indonesia Indochina and the Philippines The author explores the origin and fate of these indigenous movements their role in domestic politics and relationship to the metropolitan parties in the case of colonial dependencies and to the Soviet Union and their success or failure under the conditions of independence He also assesses the influence of Communist experience in China the formation of Russian policy in Southeast Asia and the policies of the domestic Communist parties Originally published in 1966 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Amazons of the Huk Rebellion** Vina A. Lanzona,2009-04-22 Labeled Amazons by the national press women played a central role in the Huk rebellion one of the most significant peasant based revolutions in modern Philippine history **National Security Seminar** Industrial College of the Armed Forces (U.S.),1960 *America's Miracle Man in Vietnam* Seth Jacobs,2005-01-27 Argues that American cultural conceptions of religion and race during the 1950s played a crucial role in framing an ideology through which U S policymakers understood their options in Vietnam **Buren in de koloniale tijd** N.A. Bootsma,2021-12-06 In de

koloniale periode werd het buitenlandse beleid van Nederland vanzelfsprekend in belangrijke mate bepaald door de belangen van Nederland Indi De betrekkingen met Engeland en de Verenigde Staten werden er verregaand die met China Japan en Australi zelfs uitsluitend door bepaald Het buitenland was voor Indi zelf ook nog iets anders dan voor Nederland Indi had zijn eigen buurladen Daartoe behoorde ook die andere Maleise archipel de Filipijnen Na meer dan drie eeuwen deel uitgemaakt te hebben van het Spaanse wereldrijk werden de Filipijnen in het begin van de twintigste eeuw door de Verenigde Staten veroverd De Amerikanen leverden daartoe een strijd met de Spanjaarden maar meer nog met de in 1898 uitgeroepen Philippijnse Republiek die pas na drie jaar werd verslagen De Verenigde Staten ontdekten vervolgens dat zij als het ware de sluitsteen vormden van de Europese koloniale overheersing in Zuidoost Azi Bij veel Amerikanen wekte dat weerzin maar ook de voorstanders van het Philippijnse avontuur lieten herhaaldelijk uitkomen dat zij niet wilden worden gerekend tot de koloniale club van Engeland Frankrijk en Nederland In 1916 en 1934 zetten de Verenigde Staten onder impuls van de Democratische Partij de beslissende wetgevende stappen in de richting van Philippijnse onafhankelijkheid Nederlands Indi heeft veertig jaar met dit buurland zich langzaam uitbreidende betrekkingen onderhouden Zij worden in dit boek op drie niveaus onderzocht dat van de Nederlandse regering in Den Haag de Indische regering in Batavia en de Indonesische nationalistische beweging Dat gebeurt in het ruimere verband van de internationale verhoudingen die vooral door Engeland met de Commonwealth de Verenigde Staten en Japan werden bepaald Deze studie behandelt als eerste de relatie tussen de Filipijnen en Nederlands Indi en is het enige Nederlandstalige overzicht van het Amerikaanse bestuur van de Filipijnen De auteur heeft hiertoe uitgebreid onderzoek verricht in Nederlandse Amerikaanse en Engelse archieven

U.S. Army Counterinsurgency and Contingency Operations Doctrine, 1942-1976 Andrew James Birtle, 2006 CMH Pub 70 98 1 This study examines the nature of counterinsurgency and nation building missions the institutional obstacles inherent in dealing effectively with such operations and the strengths and weaknesses of U S doctrine including the problems that can occur when that doctrine morphs into dogma **U.S. Army counterinsurgency and contingency operations doctrine, 1942-1976 (Paperbound)** Andrew James Birtle, 2006 **Southeast Asia , The Politics of Cultural Pluralism** Crawford Young, 1979 **The Huk Rebellion** Benedict J. Kerkvliet, 2002 Newly available with an updated bibliographic essay this highly acclaimed work explores the Huk rebellion a momentous peasant revolt in the Philippines Unlike prevailing top down analysis Kerkvliet seeks to understand the movement from the point of view of its participants and sympathizers He argues that seeing a peasant revolt through the eyes of those who rebelled explains and clarifies the actions of people who otherwise might appear irrational Drawing on a rich array of documents and in depth interviews with peasants and rebel leaders the author provides definitive answers to the causes of the rebellion the goals of the rebels and the process of resistance **From Jail to Jail** Tan Malaka, 2020-03-10 From Jail to Jail is the political autobiography of Sutan Ibrahim gelar Tan Malaka an enigmatic and colorful political thinker of twentieth century Asia who was one of the most influential figures

of the Indonesian Revolution Variouslly labeled a communist Trotskyite and nationalist Tan Malaka managed to run afoul of nearly every political group and faction involved in the Indonesian struggle for independence During his decades of political activity he spent periods of exile and hiding in nearly every country in Southeast Asia As a Marxist who was expelled from and became a bitter enemy of his country s Communist Party and as a nationalist who was imprisoned and murdered by his own government s forces as a danger to its anticolonial struggle Tan Malaka was and continues to be soaked in contradiction and controversy Translated by Helen Jarvis and with a new introduction from Harry A Poeze this edition of *From Jail to Jail* contextualizes the life and political accomplishments of Tan Malaka in one of the few known autobiographies by a Marxist of this political era and region **Department of the Army Pamphlet** ,1976 *The Art and Science of Psychological Operations* American Institutes for Research,1976 Research and writing completed June 1972 T p Communism and Revolution Cyril E. Black,2015-12-08 In a period marked by growing fluidity between the West and the Communist nations the role of revolution as an instrument of political and social change takes on an intense possibly dangerous importance Owing to the unacceptable risks of international war revolutions in the less developed countries are increasingly taking the place of war as the main arena of great power conflict Thus the attitudes and policies of the Communist countries toward revolution are of vital concern In this book thirteen specialists on Communist affairs consider how the Communists have used revolutions in the past what they have deduced from their experience and what prospects they hold for revolution in light of their ideological commitments Originally published in 1964 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
