**Phillips, the First 66 Years** ,1983      **Phillips - The First 66 Years - 1917-1983** Robert Finney,William C. Wertz,Phillips Petroleum Company (Bartlesville, Okla.),1983      **Oklahoma Crude and the Second World War** Kevin Neptune,2018-01-17 Historical account of the activities of Phillips Petroleum Company during World War II and the various means by which Phillips fought World War II on the American home front including research and development of petroleum technology corporate conservation shifts in labor policies and the politics and diplomacy of oil as it related to company and national interests during World War II How important was oil After the war Commander in Chief of the American Pacific Fleet Admiral Chester W Nimitz stated Oil and oil products constituted more than twice the combined tonnage of all other supplies shipped overseas including men weapons ammunition and food Uncovering the wartime activities of Phillips 66 provides a fascinating account of the depths to which the American oil industry dove to ensure victory over the Axis powers

*The Prize* Daniel Yergin,2012-09-11 The Prize recounts the panoramic history of oil and the struggle for wealth power that has always surrounded oil This struggle has shaken the world economy dictated the outcome of wars and transformed the destiny of men and nations The Prize is as much a history of the twentieth century as of the oil industry itself The canvas of this history is enormous from the drilling of the first well in Pennsylvania through two great world wars to the Iraqi invasion of Kuwait and Operation Desert Storm The cast extends from wildcatters and rogues to oil tycoons and from Winston Churchill and Ibn Saud to George Bush and Saddam Hussein The definitive work on the subject of oil and a major contribution to understanding our century The Prize is a book of extraordinary breadth riveting excitement and great importance      **Basketball** David L. Porter,2005-07-30 From its beginnings at the turn of the 20th century to its pervasive presence in 21st century America basketball has grown into an undeniably important sport The 575 entries in this biographical dictionary present concise narratives on the lives and careers on the most important names in basketball history Entries include both classic players such as Kareem Abdul Jabbar and Bob Cousy as well as more recently established and up and coming stars such as Carmelo Anthony Kevin Garnett and LeBron James Entries for coaches such as the Boston Celtics Red Auerbach and Mike Krzyzewski from Duke University present the figures who have shaped the game from courtside while the inclusion of female players and coaches such as Lisa Leslie Diana Taurasi and Pat Summitt show that basketball is not just a sport for men From its beginnings at the turn of the 20th century to its pervasive presence in 21st century America basketball has grown into an undeniably important sport The 575 entries in this biographical dictionary present concise narratives on the lives and careers on the most important names in basketball history Entries include both classic players such as Kareem Abdul Jabbar and Bob Cousy as well as more recently established and up and coming stars such as Carmelo Anthony Kevin Garnett and LeBron James Entries for coaches such as the Boston Celtics Red Auerbach and Mike Krzyzewski from Duke University present the figures who have shaped the game from courtside while the inclusion of female players and

coaches such as Lisa Leslie Diana Taurasi and Pat Summitt show that basketball is not just a sport for men This volume is an ideal reference for students seeking easily accessed information on the greats of the game     The Dismissal of Miss Ruth Brown Louise S. Robbins,2022-11-01 In 1950 Ruth W Brown librarian at the Bartlesville Oklahoma Public Library was summarily dismissed from her job after thirty years of exemplary service ostensibly because she had circulated subversive materials In truth however Brown was fired because she had become active in promoting racial equality and had helped form a group affiliated with the Congress of Racial Equality Louise S Robbins tells the story of the political social economic and cultural threads that became interwoven in a particular time and place creating a strong web of opposition This combination of forces ensnared Ruth Brown and her colleagues for the most part women and African Americans who championed the cause of racial equality This episode in a small Oklahoma town almost a half century ago is more than a disturbing local event It exemplifies the McCarthy era foregrounding those who labored for racial justice sometimes at great cost before the civil rights movement In addition it reveals a masking of concerns that led even Brown s allies to obscure the cause of racial integration for which she fought Relevant today Ruth Brown s story helps us understand the matrix of personal community state and national forces that can lead to censorship intolerance and the suppression of individual rights     *The American Synthetic Rubber Research Program* Peter J. T. Morris,2017-01-30 This history of the government funded synthetic rubber research program 1942 1956 offers a rare analysis of a cooperative research program geared to the improvement of existing products and the creation of new ones The founders of the program believed the best way to further research in the new field was through collaboration among corporations universities and the federal government Morris concludes that in fact the effort was ultimately a failure and that vigorous competition proves the best way to stimulate innovation Government programs like the rubber research program are far better at improving existing products the author contends than creating wholly new ones     **The A to Z of the Petroleum Industry** Marius S. Vassiliou,2009-09-24 The world as we have known it for the past century would have been very different without petroleum Petroleum particularly in the form of crude oil and its refined products has been central to all aspects of modern industrial society and has been a major strategic geopolitical objective for nations The 20th century was the age of oil and at least part of the 21st century will be as well Petroleum is used as an energy source and as a raw material for the production of an immense variety of chemicals and synthetic materials Almost all the world s food relies on petroleum for fertilizer pesticides cultivation or transport Petroleum has been particularly dominant as a source of transportation fuels an application for which cost effective substitutes will be especially difficult to find The A to Z of the Petroleum Industry presents a concise but complete one volume reference on the history of the petroleum industry from pre modern times to the present day This is done through a chronology an introductory essay and over 400 cross referenced dictionary entries on companies people places events technologies and phenomena related to the history of the world s petroleum industry Anyone interested in the history status and outlook for the petroleum industry

will find this book a uniquely valuable source      Hearings United States. Congress. House,1953      Hearings United States. Congress. House. Committee on Appropriations,1954      Ultimate Sacrifice Lamar Waldron,Thom Hartmann,2013-08-22

Drawing on seventeen years of research thousands of recently declassified files and dozens of interviews Ultimate Sacrifice re creates and in many ways rewrites the crucial period of our history leading up to November 22 1963 In the process this groundbreaking account provides the missing pieces to the greatest tragic puzzle of post war America the true circumstances behind the assassination of President John F Kennedy Ultimate Sacrifice details a previously unknown Plan for a Coup in Cuba authorized by President John Kennedy run by Attorney General Robert Kennedy and set for December 1 1963 The Kennedy plan unique and different from any previously disclosed operation was as detailed in a Joint Chiefs of Staff memo to have included a palace coup a provisional Cuban government and if necessary a full scale invasion by invited US military forces The CIA's code name for their part of the operation AMWORLD has never previously surfaced in any government investigation nor in any book or article making it one of the most covert operations in United States history Ultimate Sacrifice will detail how the Kennedy plan was penetrated by three mafia godfathers Carlos Marcello Santo Trafficante and Johnny Roselli being vigorously pursued by Attorney General Robert Kennedy along with a dozen of their associates six of whom were also working on the Coup plan The crime bosses then used parts of the Coup Plan AMWORLD to arrange JFK's assassination in a way that would prevent a truly thorough government investigation in order to protect the Coup Plan its participants and national security By using the secrecy surrounding the Plan the mob bosses would target JFK not only in Dallas but in two earlier attempts one in Chicago on November 1 and then one in Tampa on November 18 which Ultimate Sacrifice reveals for the first time in any book Ultimate Sacrifice has finally pieced together the whole story by building on the work of the seven governmental committees that have investigated aspects of the assassination on the work of former government investigators and on the four million documents that were declassified in the 1990s in addition to exclusive interviews with dozens of witnesses and participants including Secretary of State Dean Rusk Press Secretary Pierre Salinger and the Kennedys' closest Cuban exile aide Harry Ruiz Williams      **Heads of Families at the First Census of the United States Taken in the Year 1790 ...** United States.
