Phillis Wheatley In The Black American Beginnings:

Phillis Wheatley in the Black American Beginnings William Henry Robinson,1975 **The Harvard Guide to African-American History** Evelyn Brooks Higginbotham,2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America *African American Authors, 1745-1945* Emmanuel S. Nelson,2000-01-30 There has been a dramatic resurgence of interest in early African American writing Since the accidental rediscovery and republication of Harriet Wilson s *Our Nig* in 1983 the works of dozens of 19th and early 20th century black writers have been recovered and reprinted There is now a significant revival of interest in the Harlem Renaissance of the 1920s and in the last decade alone several major assessments of 18th and 19th century African American literature have been published Early African American literature builds on a strong oral tradition of songs folktales and sermons Slave narratives began to appear during the late 18th and early 19th century and later writers began to engage a variety of themes in diverse genres A central objective of this reference book is to provide a wide ranging introduction to the first 200 years of African American literature Included are alphabetically arranged entries for 78 black writers active between 1745 and 1945 Among these writers are essayists novelists short story writers poets playwrights and autobiographers Each entry is written by an expert contributor and provides a biography a discussion of major works and themes an overview of the author s critical reception and primary and secondary bibliographies The volume concludes with a selected general bibliography

African American Lives Henry Louis Gates Jr.,Evelyn Brooks Higginbotham,2004-04-29 *African American Lives* offers up to date authoritative biographies of some 600 noteworthy African Americans These 1 000 3 000 word biographies selected from over five thousand entries in the forthcoming eight volume *African American National Biography* illuminate African American history through the immediacy of individual experience From Esteban the earliest known African to set foot in North America in 1528 right up to the continuing careers of Venus and Serena Williams these stories of the renowned and the near forgotten give us a new view of American history Our past is revealed from personal perspectives that in turn inspire move entertain and even infuriate the reader Subjects include slaves and abolitionists writers politicians and business people musicians and dancers artists and athletes victims of injustice and the lawyers journalists and civil rights leaders who gave them a voice Their experiences and accomplishments combine to expose the complexity of race as an overriding issue in America s past and present *African American Lives* features frequent cross references among related entries over 300 illustrations and a general index supplemented by indexes organized by chronology occupation or area of renown and winners of particular honors such as the Spingarn Medal Nobel Prize and Pulitzer Prize **Black Womanist Ethics** Katie G. Cannon,2006-02-09 This study articulates the distinctive moral character of the Afro American women s community Beginning with a reconstructive history of the Afro American woman s situation in America the work next traces the

emergence of the Black woman's literary tradition and explains its importance in expressing the moral wisdom of Black women. The life and work of Zora Neale Hurston is examined in detail for her unique contributions to the moral tradition of the Afro American woman. A final chapter initiates a promising exchange between the works of Hurston and those of Howard Thurman and Martin Luther King Jr. A pioneering and multi-dimensional work, *Black Womanist Ethics* is at once a study in ethics, gender, and race.

Africans in America Charles Johnson, Patricia Smith, 1999 Chronicles the lives of Africans as slaves in America through the eve of the Civil War.

Encyclopedia of African American History, 1619-1895 Paul Finkelman, 2006-04-06 It is impossible to understand America without understanding the history of African Americans. In nearly seven hundred entries, the *Encyclopedia of African American History, 1619-1895* documents the full range of the African American experience during that period, from the arrival of the first slave ship to the death of Frederick Douglass, and shows how all aspects of American culture, history, and national identity have been profoundly influenced by the experience of African Americans. The *Encyclopedia* covers an extraordinary range of subjects. Major topics such as Abolitionism, Black Nationalism, the Civil War, the Dred Scott case, Reconstruction, Slave Rebellions, and Insurrections, the Underground Railroad, and Voting Rights are given the in-depth treatment one would expect. But the *encyclopedia* also contains hundreds of fascinating entries on less obvious subjects such as the African Grove Theatre, Black Seafarers, Buffalo Soldiers, the Catholic Church, and African Americans' Cemeteries and Burials, Gender, Midwifery, New York African Free Schools, Oratory, and Verbal Arts, Religion, and Slavery, the Secret Six, and much more. In addition, the *Encyclopedia* offers brief biographies of important African Americans as well as white Americans who have played a significant role in African American history, from Crispus

Attacks John Brown and Henry Ward Beecher to Olaudah Equiano Frederick Douglass Sarah Grimke Sojourner Truth Nat Turner Phillis Wheatley and many others All of the Encyclopedia's alphabetically arranged entries are accessibly written and free of jargon and technical terms To facilitate ease of use many composite entries gather similar topics under one headword The entry for Slave Narratives for example includes three subentries The Slave Narrative in America from the Colonial Period to the Civil War Interpreting Slave Narratives and African and British Slave Narratives A headnote detailing the various subentries introduces each composite entry Selective bibliographies and cross references appear at the end of each article to direct readers to related articles within the Encyclopedia and to primary sources and scholarly works beyond it A topical outline chronology of major events nearly 300 black and white illustrations and comprehensive index further enhance the work's usefulness

Ravishing Tradition Daniel Cottom, 2019-06-07 Though central to contemporary debates over identity politics and culture the concept of tradition often remains unexamined In a series of readings that transgress cultural and disciplinary boundaries Daniel Cottom subjects this concept to close scrutiny He calls into question conventional accounts of tradition with their reliance on standard oppositions between dogma and reason animality and humanity community and society religion and science and modernity and its predecessors Tradition as Cottom envisions it is a complex of cultural forces that moves divides and undoes those it touches it ravishes is ravished and is centrally etched with acts of ravishment Engaging writers from William Shakespeare to John Ashbery and from Phillis Wheatley to Antonin Artaud Cottom examines literary history within the contexts of war rape and slavery education technology and sexuality repetition imitation stereotyping and travesty censorship grief and ecstasy He also evaluates the work of various theorists who address questions of tradition such as Sigmund Freud Walter Benjamin Jacques Derrida and Adrienne Rich Cottom draws on works in social and cultural history as well as on literary texts from different eras nations and genres At once using and critiquing contemporary literary and cultural theory this eloquent book shows why tradition continues to be of compelling interest and importance

Speaking with the Dead in Early America

Erik R. Seeman, 2019-10-04 In late medieval Catholicism mourners employed an array of practices to maintain connection with the deceased most crucially the belief in purgatory a middle place between heaven and hell where souls could be helped by the actions of the living In the early sixteenth century the Reformation abolished purgatory as its leaders did not want attention to the dead diminishing people's devotion to God But while the Reformation was supposed to end communication between the living and dead it turns out the result was in fact more complicated than historians have realized In the three centuries after the Reformation Protestants imagined continuing relationships with the dead and the desire for these relations came to form an important and since neglected aspect of Protestant belief and practice In *Speaking with the Dead in Early America* historian Erik R Seeman undertakes a 300 year history of Protestant communication with the dead Seeman chronicles the story of Protestants relationships with the deceased from Elizabethan England to puritan New England and then on through the American Enlightenment into the middle of the nineteenth century with the explosion of interest in Spiritualism He brings together a wide range of sources to uncover the beliefs and practices of both ordinary people especially women and religious leaders This prodigious research reveals how sermons elegies and epitaphs portrayed the dead as speaking or being spoken to how ghost stories and Gothic fiction depicted a permeable boundary between this world and the next and how parlor songs and funeral hymns encouraged singers to imagine communication with the dead *Speaking with the Dead in Early America* thus boldly reinterprets Protestantism as a religion in which the dead played a central role

Slavery & Race in American Popular Culture William L. Van

Deburg, 1984 Spanning more than three centuries from the colonial era to the present Van Deburg's overview analyzes the

works of American historians dramatists novelists poets lyricists and filmmakers and exposes through those artists often disquieting perceptions the cultural underpinnings of American current racial attitudes and divisions Crucial to Van Deburg's analysis is his contrast of black and white attitudes toward the Afro American slave experience There has in fact been a persistent dichotomy between the two races literary historical and theatrical representations of slavery If white culture makers have stressed the unmaning of the slaves and encouraged such stereotypes as the Noble Savage and the comic minstrel to justify the blacks subordination Afro Americans have emphasized a counter self image that celebrates the slaves creativity dignity pride and assertiveness ISBN 0 299 09634 3 pbk 12 50

In the Midst of Early Methodism John R. Tyson, Boyd Stanley Schlenther, 2006 Selina Hastings the Countess of Huntingdon was the chief administrator and main organizer behind the Calvinistic wing of Methodism She leased chapels purchased advowsons the right to nominate a person to hold a church office and appointed chaplains and lay preachers to staff the far flung connection of nearly seventy chapels and preaching posts She also operated an orphanage and established a college to train preachers

We Wear the Mask Rafia Zafar, 1997 Zafar demonstrates that in doing so these forerunners of modern black American writers both adapted to and reacted against a milieu of social resistance and cultural antipathy By the end of Reconstruction this first century of black writers had paved the way for a distinctive African American literature

Answering the Cry for Freedom Gretchen Woelfle, 2016-11-04 Uncover the lives of thirteen African Americans who fought during the Revolutionary War Even as American Patriots fought for independence from British rule during the Revolutionary War oppressive conditions remained in place for the thousands of enslaved and free African Americans living in this country But African Americans took up their own fight for freedom by joining the British and American armies preaching speaking out and writing about the evils of slavery and establishing settlements in Nova Scotia and Africa The thirteen stories featured in this collection spotlight charismatic individuals who answered the cry for freedom focusing on the choices they made and how they changed America both then and now These individuals include Boston King Agrippa Hull James Armistead Lafayette Phillis Wheatley Elizabeth Mumbet Freeman Prince Hall Mary Perth Ona Judge Sally Hemings Paul Cuffe John Kizell Richard Allen and Jarena Lee Includes individual bibliographies and timelines author note and source notes
