## **Philological And Historical Commentary On Ammianus Marcellinus Xxiv:**

Philological and Historical Commentary on Ammianus Marcellinus J. Den Boeft, 2002 This is a commentary on Book XXIV of the *Res Gestae* by the fourth century historian Ammianus Marcellinus The commentary discusses philological literary linguistic and historical problems in the Latin text Philological and Historical Commentary on Ammianus Marcellinus XXVII Jan den Boeft, Jan Willem Drijvers, Daniël den Hengst, Hans C. Teitler, 2009-11-23 Book 27 deals with events between 365 and 370 Military operations in the western and eastern half of the Empire take up a large part of the available space Apart from military matters Ammianus deals with internal affairs He discusses the terms of office of four Roman urban prefects and paints a picture of Petronius Probus the mightiest civil official of the period The most striking part of the book contains a portrait of the emperor Valentinian This passage forms the centre of the book which therefore has the structure of a triptych of the two outer parts each contains military affairs in the West and the East and reports on some notable non military events whilst in the central panel Valentinian takes pride of place Philological and historical commentary on Ammianus Marcellinus J. Den Boeft, 2008 Continuing the series of philological and historical commentaries on Ammianus *Res Gestae* this volume deals with Book 26 in which the beginning of the reign of Valentinian and Valens is described and the rise and fall of the usurper Procopius Philological and Historical Commentary on Ammianus Marcellinus , 2002

**Philological and Historical Commentary on Ammianus Marcellinus XXVIII** Jan Willem Drijvers, Dani L. Hengst, Hans Teitler, 2011-11-25 Continuing the series of philological and historical commentaries on Ammianus *Res Gestae* this volume deals with Book 28 which is devoted primarily to the deplorable events in Rome during the reign of Valentinian and his defense of the Rhine frontier **Philological and Historical Commentary on Ammianus Marcellinus XXVIII** J. den Boeft, Jan Willem Drijvers, Daniel den Hengst, H. C. Teitler, 2011 Continuing the series of philological and historical commentaries on Ammianus *Res Gestae* this volume deals with Book 28 which is devoted primarily to the deplorable events in Rome during the reign of Valentinian and his defense of the Rhine frontier OCLC **Philological and Historical Commentary on Ammianus Marcellinus XXVI** , 2008 Continuing the series of philological and historical commentaries on Ammianus *Res Gestae* this volume deals with Book 26 in which the beginning of the reign of Valentinian and Valens is described and the rise and fall of the usurper Procopius **Philological and Historical Commentary on Ammianus Marcellinus XXIV** J. den Boeft, 2002 This is a commentary on Book XXIV of the *Res Gestae* by the fourth century historian Ammianus Marcellinus The commentary discusses philological literary linguistic and historical problems in the Latin text *Ammianus Marcellinus From Soldier to Author* , 2022-11-28 Ammianus Marcellinus composed a history of the Roman empire from 96 AD to 378 AD focusing on the mid fourth century during which he served in the army His experience as a soldier during this period provides crucial realia of warfare while his knowledge of literature especially the genre of historiography enabled him to imbue his narrative with literary flair This book explores the tension between Ammianus roles

as soldier and author examining how his military experience affected his history and conversely how his knowledge of literature affected his descriptions of the Roman army      *War and Warfare in Late Antiquity (2 vols.)*, 2013-08-19 This two volume publication explores the key factors determining the course and outcome of war in Late Antiquity Volume 8 1 includes a detailed review of strategic and tactical issues and eight comprehensive bibliographic essays which provide an overview of the literature In Volume 8 2 thematic papers examine strategy and intelligence fortifications and siege warfare weaponry and equipment literary sources and topography and civil war while papers focused on particular geographic regions home in on war and warfare in the West Roman Empire in the 4th and 5th centuries and the Balkans and the Eastern frontier in the 4th to 7th centuries AD Contributors are Susannah Belcher Neil Christie Ian Colvin John Conyard Jon Coulston Jim Crow Florin Curta Hugh Elton James Howard Johnston Jordi Galbany Jordi Gu rdia John Haldon Michel Kazanski Maria Kouroumali Michael Kulikowski Christopher Lillington Martin Marta Maragall Oriol Mercadal Jordi Nadal Oriol Olesti Alexander Sarantis Conor Whately Michael Whitby and John Wilkes      *Ammianus' Julian* Alan J. Ross, 2016-06-17 Ammianus Marcellinus *Res Gestae* holds a prominent position in modern studies of the emperor Julian as the fullest extant narrative of the reign of the last pagan emperor Ammianus Julian Narrative and Genre in the *Res Gestae* offers a major reinterpretation of the work which is one of the main narrative sources for the political history of the later Roman Empire and argues for a re examination of Ammianus agenda and methods in narrating the reign of Julian Building on recent developments in the application of literary approaches and critical theories to historical texts Ammianus presentation of Julian is evaluated by considering the *Res Gestae* within three interrelated contexts as a work of Latin historiography which consciously sets itself within a classical and classicizing generic tradition in a more immediate literary and political context as the final contribution by a member of an eyewitness generation to a quarter century of intense debate over Julian s legacy by several authors who had lived through his reign and had been in varying degrees of proximity to Julian himself and as a narrative text in which narratorial authority is closely associated with the persona of the narrator both as an external narrating agent and an occasional participant in the events he relates This is complemented by a literary survey and a re analysis of Ammianus depiction of several key moments in Julian s reign such as his appointment as Caesar the battle of Strasbourg in 357AD his acclamation as Augustus and the disastrous invasion of Persia in 363AD It suggests that the *Res Gestae* presents a Latin speaking western audience with an idiosyncratic and Romanized depiction of the philhellene emperor and that consciously exploiting his position as a Greek writing in Latin and as a contemporary of Julian Ammianus wished his work to be considered a culminating and definitive account of the man and his life      **Emperors and Historiography** Danie l den Hengst, 2010 This volume contains scholarly articles by professor Dani l den Hengst in which structural and intertextual aspects of Roman historiographical texts are studied Special attention is given to the *Historia Augusta* and Ammianus Marcellinus *Res Gestae* but also relevant texts by Cicero Livy Quintilian and Suetonius are discussed      **Philological and**

**Historical Commentary on Ammianus Marcellinus XXXI** Jan den Boeft, Jan Willem Drijvers, Daniël den Hengst, Hans C. Teitler, 2018-01-09 This is the final volume in the series of commentaries on Ammianus Res Gestae The last book of Ammianus Marcellinus Res Gestae is the most important source for a momentous event in European history the invasion of the Goths across the Danube border into the Roman Empire and the ensuing battle of Adrianople 378 CE in which a Roman army was annihilated and the emperor Valens lost his life Many contemporaries were of the opinion that this defeat heralded the decline of the Empire Ammianus is sharply critical of the way Valens and his generals handled the military situation but holds on to his belief in the permanence of Roma Aeterna reminding his readers of earlier crises from which the Empire had recovered and pointing to the incompetence of the barbarians in siege craft

**Land of Dreams** André Lardinois, van der Poel, Vincent Hunink, 2006-06-01 This collection of essays dedicated to A H M Kessels provides an overview of modern Dutch scholarship in Greek and Latin studies with special emphasis on dreams in classical literature classical drama and the reception of Homer

**The Last Pagan Emperor** H. C. Teitler, 2017-02-13 Flavius Claudius Julianus was the last pagan to sit on the Roman imperial throne 361 363 Born in Constantinople in 331 or 332 Julian was raised as a Christian but apostatized and during his short reign tried to revive paganism which after the conversion to Christianity of his uncle Constantine the Great early in the fourth century began losing ground at an accelerating pace Having become an orphan when he was still very young Julian was taken care of by his cousin Constantius II one of Constantine's sons who permitted him to study rhetoric and philosophy and even made him co-emperor in 355 But the relations between Julian and Constantius were strained from the beginning and it was only Constantius' sudden death in 361 which prevented an impending civil war As sole emperor Julian restored the worship of the traditional gods He opened pagan temples again reintroduced animal sacrifices and propagated paganism through both the spoken and the written word In his treatise Against the Galilaeans he sharply criticised the religion of the followers of Jesus whom he disparagingly called Galilaeans He put his words into action and issued laws which were displeasing to Christians the most notorious being his School Edict This provoked the anger of the Christians who reacted fiercely and accused Julian of being a persecutor like his predecessors Nero Decius and Diocletian Violent conflicts between pagans and Christians made themselves felt all over the empire It is disputed whether or not Julian himself was behind such outbursts Accusations against the Apostate continued to be uttered even after the emperor's early death In this book the feasibility of such charges is examined

**Rome and Persia at War** Peter Edwell, 2020-10-25 This book focuses on conflict diplomacy and religion as factors in the relationship between Rome and Sasanian Persia in the third and fourth centuries AD During this period military conflict between Rome and Sasanian Persia was at a level and depth not seen mostly during the Parthian period At the same time contact between the two empires increased markedly and contributed in part to an increased level of conflict Edwell examines both war and peace diplomacy trade and religious contact as the means through which these two powers competed and by which they sought to gain

maintain and develop control of territories and peoples who were the source of dispute between the two empires The volume also analyses internal factors in both empires that influenced conflict and competition between them while the roles of regional powers such as the Armenians Palmyrenes and Arabs in conflict and contact between the two super powers receive special attention Using a broad array of sources this book gives special attention to the numismatic evidence as it has tended to be overshadowed in modern studies by the literary and epigraphic sources This is the first monograph in English to undertake an in depth and critical analysis of competition and contact between Rome and the early Sasanians in the Near East in the third and fourth centuries AD using literary archaeological numismatic and epigraphic evidence and one which includes the complete range of mechanisms by which the two powers competed It is an invaluable study for anyone working on Rome Persia and the wider Near East in Late Antiquity

**The Forgotten Reign of the Emperor Jovian (363-364)** Jan Willem Drijvers, 2022 Late Antiquity has unified what in the past were disparate disciplinary chronological and geographical areas of study Welcoming a wide array of methodological approaches this book series provides a venue for the finest new scholarship on the period ranging from the later Roman Empire to the Byzantine Sasanid early Islamic and early Carolingian worlds Book jacket

*Ammianus Marcellinus* Fred C. Jenkins, 2015-11-14 In *Ammianus Marcellinus An Annotated Bibliography 1474 to the Present* Fred W Jenkins surveys scholarship on Ammianus from the editio princeps to the present Included are bibliographies editions translations commentaries concordances and indexes Web sites and secondary scholarship in many languages

Greek and Roman Historiography in Late Antiquity Gabriele Marasco, 2003-07-01 This book is the first comprehensive study of Greek and Latin historiography from Constantine to the end of the sixth century AD It aims to examine the development of late antique historiography stressing chiefly the relations between pagan and Christian historians their polemics but also their often neglected agreements Of special importance is the study of the Church historians who are considerable but not adequately known sources for the political and social history of the period Greek and Latin Historiography in Late Antiquity is a highly valuable and useful reference tool for both scholars and students Greek and Roman Historiography in Late Antiquity has been selected by Choice as Outstanding Academic Title 2005

**Procopius of Caesarea: The Persian Wars** Geoffrey Greatrex, 2022-11-10 Procopius was the major historian of the reign of Justinian and one of the most important historians of Late Antiquity This is the first extensive commentary on his Persian Wars since the nineteenth century The work is among the most varied of the author incorporating the history and geography not only of Mesopotamia and the Caucasus but also of southern Arabia and Ethiopia Iran and Central Asia and Constantinople itself Each major section is introduced by a section on the history of the events concerned and on the treatment of these events by Procopius and other sources The volume is equipped with an introduction three appendices and numerous maps and plans All sections of the work that are commented on are translated The book will therefore be of use to specialists and the general reader alike A complete translation of the work with lighter annotation is being published

separately

Thank you very much for downloading **Philological And Historical Commentary On Ammianus Marcellinus Xxiv**. As you may know, people have look hundreds times for their favorite novels like this Philological And Historical Commentary On Ammianus Marcellinus Xxiv, but end up in harmful downloads.
