Radhakrishnan His Life And Ideas

Vikram Sinha

Radhakrishnan His Life And Ideas:

Radhakrishnan K. Satchidananda Murty, Ashok Vohra, 1990-01-01 This book presents a critical and comprehensive biography of Radhakrishnan The authors explain how Radhakrishnan who had a British knighthood and an Oxford Professorship and who did not participate in India's struggle for freedom became important in the political life of Independent India They show how this philosophy professor and vice chancellor often expressed radical views developed rapport with national leaders and became President of India under Nehru without losing the goodwill and regard of either the British intellectuals or the colonial government of India It is the thought of Sarvepalli Radhakrishnan that is most often presented in the West as Hinduism Through an analysis of his autobiographical sketches writings of those who knew him and worked with him and documents the authors come to grips with Radhakrishnan's complex personality which in spite of his greatness and varied achievements is all too human **Using Technical Analysis** Cliff Pistolese, K Satchidananda Murty, 2007-02-15

S. Radhakrishnan His Life And Works Mamta Anand, 2006 Dr Radhakrishnan is an all time favourite of academicians and philosophers and deemed the most trustworthy friend of the common man The present book fulfils the need of all those who are in quest of testing the nectar of Radhakrishnan's wisdom in a condensed form His book on Gandhi that awakens our conscience and infuses with love for Gandhi has been particularly studied Written in a style which appeals to the intellectual and the layman alike this book is bound to be a great source of intellectual enrichment as well as spiritual enjoyment for those who recognize that mind must always remain above matter aptly remarked by Justice Gulab Gupta Ex Vice Chancellor Rani Durgawati University Jabalpur It is an extraordinary work of understanding and expression and would promote respect for spirituality morality and noble thoughts Ms Mamta Anand's analysis and interpretation of Gandhiji's Prabhamandal reinterpretes Gandhiji's evolution as a Mahatma

Beyond Orientalism Fred Dallmayr, 1996-12-12 *Beyond Orientalism* explores the confluence of contemporary Western especially Continental philosophy with its focus on otherness and difference and the ongoing process of globalization or the emergence of the global village The basic question raised in the book is What will be the prevailing life form or discourse of the global village Will it be the discourse of Western science industry and metaphysics which under the banner of modernization and development seeks to homogenize the world in its image In Said's work this strategy was labeled Orientalism Or will it be possible to move beyond Orientalism in the direction neither of global uniformity nor radical fragmentation After discussing the broad range of possible modes of cross cultural encounter in a historical perspective the book develops as a preferred option the notion of a deconstructive dialogue or a hermeneutics of difference which respects otherness beyond assimilation This hermeneutics is illustrated in chapters examining several bridge builders between cultures primarily the Indian philosophers Radhakrishnan and J L Mehta and the Indologist Halbfass The remaining chapters are devoted to more concrete social political problems including issues of modernization multiculturalism and the prospects

of a globalized democracy which bids farewell to Orientalism and Eurocentrism **Hindus and Their Christian Bible** R. S. Sugirtharajah, 2024-02-22 R S Sugirtharajah shows how at the height of European colonialism whilst the colonizers were studying the sacred texts of Hindus Muslims Buddhists Sikhs and Zoroastrians the Hindus were themselves scrutinizing the invader's book the Christian Bible Sugirtharajah examines how these Hindus transformed the Bible into what they deemed fit for and suited to their contexts The result was that the Bible acquired a totally different form and lost its authority as the Book of the Empire Sugirtharajah shows how the resistant subversive and at times antagonistic readings of the Hindus went beyond what the colonizer had intended Sadly what these Hindus made of the Bible went largely unnoticed and was ignored by Western scholarship This volume seeks to rectify this regrettable omission and to place both the Hindu reformers and nationalists attitude to the Bible in their own specific context and to allow them to speak on their own terms rather than reading them with Christian preconception The Hindu reformers covered include figures such as Raja Rammohun Roy Arumuga Navalar Keshub Chunder Sen Swami Vivekananda Ponnambalam Ramanathan M K Gandhi and Sarvepalli Radhakrishnan and nationalists such as Dhirendranath Chowdhary Sita Ram Goel and Ram Swarup The book contains the interpretative context the textual negotiation that went on between these Hindus and the missionaries and orientalist examples of their Hinduization of the Bible and the hermeneutical impact on mainstream biblical interpretation

Encountering Religious Pluralism Harold Netland, 2001-08-14 Harold Netland traces the emergence of the pluralistic ethos that challenges Christian faith and mission interacting heavily with philosopher John Hick and providing a framework for developing a comprehensive evangelical theology of religions **Jesus in Asia** R. S. Sugirtharajah, 2018-02-19

Reconstructions of Jesus occurred in Asia long before the Western search for the historical Jesus began in earnest Asians remade Jesus at times appreciatively and at other times critically R S Sugirtharajah situates the historical Jesus beyond the narrow confines of the West and offers an eye opening chapter in the story of global Christianity Radhakrishnan Robert N. Minor, 1987-09-30 It is the thought of Sarvepalli Radhakrishnan that is most often presented in the West as Hinduism He was a remarkable man In addition to having been President of India while Nehru was Prime Minister and the Indian Ambassador to the Soviet Union he held the Spaulding Chair of Comparative Religion and Ethics at Oxford University And he continues to be a culture hero of India Radhakrishnan's thought developed in the context of his full life Robert Minor places his thought in that context His book traces the influences on him and the growth of his thought from his birth in Tirutani to his retirement to Madras The book contains a complete bibliography of Radhakrishnan's writings and of the secondary literature **Indian Philosophy and Yoga in Germany** Owen Ware, 2023-10-19 This book sheds new light on the fascinating at times dark and at times hopeful reception of classical Yoga philosophies in Germany during the nineteenth century When debates over God religion and morality were at a boiling point in Europe Sanskrit translations of classical Indian thought became available for the first time Almost overnight India became the centre of a major controversy

concerning the origins of western religious and intellectual culture Working forward from this controversy this book examines how early translations of works such as the Bhagavad G t and the Yoga S tras were caught in the crossfire of another debate concerning the rise of pantheism as a doctrine that identifies God and nature It shows how these theological concerns shaped the image of Indian thought in the work of Schlegel Gunderrode Humboldt Hegel Schelling and others lasting into the nineteenth century and beyond Furthermore this book explores how worries about the perceived nihilism of Yoga were addressed by key voices in the early twentieth century Indian Renaissance notably Dasgupta Radhakrishnan and Bhattacharyya who defended sophisticated counterreadings of their intellectual heritage during the colonial era Written for non specialists Indian Philosophy and Yoga in Germany will be of interest to students and scholars working on nineteenth century philosophy Indian philosophy comparative philosophy Hindu studies intellectual history and religious history 75

Wasted Years, Let us Catch Up and Leapfrog Vikram Sinha,2022-08-02 The author tears into the false narrative of India s progress since independence and the mirage of a glorious future created by the political class and the bureaucracy With facts data and a touching narration he reveals the plight of the poor and the unemployed through the decades One of the most agonizing facts that he highlights is that since independence India has fallen 100 places behind other countries in GDP per capita and with Bangladesh overtaking India on this parameter India is destined to remain the poorest large country in the world The book illustrates how Indians have become hostage to a crippled system that is unable to deliver Power brokers in the garb of politicians entrenched bureaucracy driven by self interest ineffective judiciary and elements of the fourth estate along with self seeking pseudo intellectuals have formed a powerful coalition to thwart any change in the system and policies which is essential for the transformation of India initiated from time to time by some progressive governments Based on his diagnosis of why India continues to fall by the wayside as also his insights into strategies governance systems and best practices of countries like South Korea China and others the author evolves a framework for the strategic transformation of India to Catch Up and Leapfrog these countries

The Religious Other Alon Goshen-Gottstein,2018-08-08 One of the biggest challenges for relations between religions is the view of the religious Other The question touches the roots of our theological views The Religious Other Hostility Hospitality and the Hope of Human Flourishing explores the views of multiple religious traditions on how to regard otherness How does one move from hostility to hospitality How can hospitality be understood not simply as social hospitality but as theological hospitality making room for the religious Other on theological grounds What is our vision for the flourishing of the Other while respecting his otherness This volume is an exercise in constructive interreligious theology By including Abrahamic and non Abrahamic traditions it approaches these challenges from multiple perspectives highlighting commonalities in approach and ways in which one tradition might inspire another Contributors Vincent J Cornell Alon Goshen Gottstein Richard P Hayes Lord Rabbi Jonathan Sacks Deepak Sarma Stephen W Sykes Dharma Master Hsin Tao Ashok Vohra

Breaking Barriers: Essays in Asian and Comparative Philosophy Frank J.

Hoffman, Godabarisha Mishra, 2003 *Breaking Barriers* is a collection of invited contributions by distinguished philosophers, scientists and religious thinkers of East and West in honor of Professor Ramakrishna Puligandla. The twenty three essays in this volume may be divided into four groups: 1 Philosophy of Advaita, 2 Buddhism, 3 Indian Philosophy and Physics and 4 Asian and Comparative Thought. Contributors have written on topics such as the phenomenology of consciousness, science and religion and comparative philosophy and religion. The volume is designed to stimulate the interest of students, professors and all those who wish to explore new knowledge. In this volume, the creative thought of leading thinkers from principal universities in India and elsewhere transcends words without insight, barren arguments and all limiting paradigms. *Breaking Barriers* thus represents a multi-disciplinary approach informed by cross-cultural philosophical vision. Modern physics and classical Indian philosophy exist here in unity. *Reason, Revelation and Peace* Ashok Vohra, 2020-01-01 Professor K. Satchidananda Murty, one of modern India's leading philosophers, passed away in his native village of Sangamjagarlamudi in Andhra Pradesh in 2011 after a stellar career during which he advanced knowledge rather than opinion. The Indian Philosophical community and especially Ashok Vohra is to be congratulated for producing a dynamic engagement with philosophy. I had known Murty for more than twenty years. I interacted with him several times. When I once asked him where he stood philosophically, he was candid enough to say that he oscillates between Sankar and Ramanuja. The essays in this book amply demonstrate that he was a man of many parts, but as the allusion to his mystical experiences in his book *The Realm of Between* reveals, he was also more than the sum of his parts, that while willing to transcend the limits of reason when required. Thus revelation and reason characterize not just the title of one of his famous books but in a sense his life, and this fact renders this collection uniquely relevant for our times. I therefore enthusiastically recommend this book not only to all those interested in the philosophy of Professor Murty or in Indian Philosophy or in philosophy in general but to all those interested in contemporary philosophy in the broadest sense. *Men, Masculinities and Religious Change in Twentieth-Century Britain* L. Delap, S. Morgan, 2013-09-05 Charting the growing religious pluralism of British society, this book investigates the diverse formations of masculinity within and across specific religions, regions and immigrant communities. Contributors look beyond conventional realms of worship to examine men's diverse religious cultures in a variety of contexts. *Anxieties, Fear and Panic in Colonial Settings* Harald Fischer-Tiné, 2017-01-23 This book argues that the history of colonial empires has been shaped to a considerable extent by negative emotions such as anxiety, fear and embarrassment as well as by the regular occurrence of panics. The case studies it assembles examine the various ways in which panics and anxieties were generated in imperial situations and how they shook up the dynamics between seemingly all-powerful colonizers and the apparently defenceless colonized. Drawing from examples of the British, Dutch and German colonial experience, the volume sketches out some of the main areas such as disease, native savagery or sexual transgression that generated panics or created anxieties in colonial settings and analyses the most common varieties of practical discursive

and epistemic strategies adopted by the colonisers to curb the perceived threats *Indian Philosophy* M. Ram Murty, 2012-12-07 This book introduces the vast topic of Indian philosophy It begins with a study of the major Upanishads and then surveys the philosophical ideas contained in the Bhagavadgita After a short excursion into Buddhism it summarizes the salient ideas of the six systems of Indian philosophy Nyaya Vaishesika Samkhya Yoga Purva Mimamsa and Vedanta It concludes with an introduction to contemporary Indian thought *The Future of Religious Studies in India* Clemens Cavallin, Åke Sander, Sudha Sitharaman, 2020-11-23 This book looks at how religious studies is framed and taught in India It addresses the contradiction between the country's vibrant religious life and the dearth of comparative and social scientific religious studies programs across Indian universities The volume Studies the efforts by Rabindranath Tagore in Santiniketan and Mohan Malaviya in Varanasi to introduce and institutionalize religious studies in India Discusses the notions of religion and spirituality and situates the failure of the secularization thesis in the context of modern India Provides concrete suggestions on how to develop religious studies in relation to global citizenship and Indian cultural heritage with the hope of initiating a larger discussion A unique contribution to the study of religion in society and education the book will be indispensable to students and researchers of theology history philosophy sociology secularization globalization religious studies education studies and South Asian studies *Human Rights in Eastern Civilisations* Surya P. Subedi, 2021-03-26 Based on the author's first hand experience as a UN Special Rapporteur this thought provoking and original book examines the values of Eastern civilisations and their contribution to the development of the UN Human Rights agenda Rejecting the argument based on Asian Values that is often used to undermine the universality of human rights the book argues that secularism personal liberty and universalism are at the heart of both Hindu and Buddhist traditions **Dictionary of Twentieth-Century British Philosophers** Stuart Brown, Hugh Terence Bredin, 2005-08-01 No Marketing Blurb

Presidential Democracy Jashwant B. Mehta, 2019-05-02 Extracts from Opinions of Author's Earlier Book I am happy to find in your book such well documented and argued support for a proposal which I have advocated for many years Shri J R D Tata Eminent Industrialist My own personal opinion that a success of any system be it parliamentary or presidential ultimately depends on the people who will operate it has changed after having read your book Your book is bound to contribute a great deal in moulding the public opinion in this regard Shri Babubhai Patel Ex Chief Minister of Gujarat I really enjoyed the discussion we had on your views and analysis of the Presidential System Frankly after listening to your meticulous analysis of the comparative merits I must say I am veering around to your view I am convinced that your objective is a pure one and is not aimed at pursuit of any political gains but to the promotion of a nationalist ideology I am pleasantly amazed that our country still has persons like you You have no personal ambitions in the matter It is indeed gratifying that a highly qualified Engineer and Technologist like you should be taking such great interest in promoting a larger national cause You have taken up this agenda of political reforms with no other expectation than good of the country at large Shri M N

Venkatachaliah Former Chief Justice of India and Chairman Constitutional Reforms Committee Govt of India 2002 Your lifetime of work for the cause of bringing the presidential system to India is an important contribution to the future of our country You have given this mission your best for a very long time I am touched and encouraged Please don t give up hope You are a source of inspiration Shri Bhanu Dhamija Author of Why India Needs The Presidential System

Decoding **Radhakrishnan His Life And Ideas**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force.
