Radhasoami Tradition A Critical History Of Guru Successorship

David Lane

Radhasoami Tradition A Critical History Of Guru Successorship:

The Radhasoami Tradition David Christopher Lane, 1992 A sociological study of the forces at work in choosing a successor to a guru taking as the central example the 1974 rivalry for spiritual leadership of an Indian sect Traces the lineage back to the beginning of the sect noting the circumstances of the various successions and relating them to the thoughts of the followers about the recent succession based on interviews No subject index Annotation copyright by Book News Inc Portland OR

Radhasoami David Christopher Lane, 2015-09-26 Presents a critical overview of guru succession in the Radhasoami Tradition from its inception in the mid 1850s up until early 1991 Provides vital information for anyone interested in the politics behind guru succession in general Includes extensive notes and an exhaustive bibliography Focuses specifically on the development of gurus in the Agra and Beas branches and includes information on lesser known gurus and movements including Faqir Chand and Manavta Mandir Central Issue On August 24 1974 Kirpal Singh a renowned guru of surat shabd yoga union of the soul consciousness with the sacred sound and founder of Ruhani Satsang died at the age of eighty His death caused an intense succession dispute amongst his thousands of followers that has yet to be mended Eventually a number of factions developed each following a different successor Although most of Kirpal Singh's followers rallied around Darshan Singh Kirpal's son others paid allegiance to either Thakar Singh of Delhi or Ajaib Singh of Rajasthan The interesting sociological question that confronts us here is how each successor to Kirpal Singh legitimized his role That is what type of ideological strategy did these would be gurus develop in order to solidify their constituencies Further what were the social and historical factors that influenced or constrained their gaddi nasheen rhetoric To properly address and answer these questions necessitates a fairly comprehensive overview of the social context in which these surat shabd yoga gurus live and teach Thus this study begins with a historical overview of Sant mat and Radhasoami in general And secondly I have focused on the specific parampara guru lineage that preceded Kirpal Singh and his successors General Thesis The central thesis of this work is that there is an observable pattern which governs the ideological work i.e. rhetoric of guru succession in the Sant mat and Radhasoami traditions namely successorship claimants who lack sufficient outward confirmation to be accepted by the majority of the guru's congregation move generally toward experiential inward and personal forms of verification This movement towards internal validation moreover brings with it an inclination to question the forms of legitimacy that brought solidarity to the majority party and its leader Hence minority claimants usually those who do not retain the gaddi seat of the guru's residence tend in Max Weber's terms to criticize the routinization of charisma by office and argue for the superiority of personal attainment The politics of guru succession therefore is essentially a conflict over the nature and transference of charisma spiritual power Using Ken Wilber's terminology as found in A Sociable God this thesis can also be phrased as those who lack legitimacy outward confirmation by the consensus majority point to their authenticity inward confirmation by individuals experientially or mystically as the primary means for verifying their roles Additionally

guru succession is oftentimes a struggle over controlling theological doctrines membership ranks and property rights Hence gurus do not merely represent their own inner callings but various material interests ranging from the right interpretation of Radhasoami teachings to the governance of sadhu and household members of outlying branches to ownership rights over inherited sacred property With such larger worldly issues at stake it is little wonder that guru politics can turn into an ugly slugfest between sister related communities The decades long legal battle between Dayal Bagh and Soami Bagh over worship rights at Shiv Dayal Singh s samadh is perhaps the most graphic illustration of how social factors play a central part in succession contests Based on years of extensive research from the author s numerous trips to India and personal interaction with a large number of shabd yoga gurus The Sach Khand Journal of Radhasoami Studies David Lane,2015-12-12 This unique journal covers the history of the Radhasoami movement as founded by Shiv Dayal Singh in the mid 19th century with unique articles on the various offshoots that have branched off from its inception Includes essays on Eckankar MSIA MasterPath and other American based gurus Also includes special issues on the death of Julian P Johnson and Soamiji s forgotten guru The Guru In America , *Handbook of Religion and the Authority of Science* James R. Lewis,Olav Hammer,2010-11-19 The present collection examines the many different ways in which religions appeal to the authority of science The result is a wide ranging and uniquely compelling study of how religions adapt their message to the challenges of the contemporary world **The Guru in South Asia** Jacob Copeman,Aya Ikegame,2012-08-21 This book provides a set of fresh and compelling interdisciplinary approaches to the enduring phenomenon of the guru in South Asia Moving across different gurus and kinds of gurus and between past and present the chapters call attention to the extraordinary scope and richness of the social lives and roles of South Asian gurus Prevailing scholarship has rightly considered the guru to be a source of religious and philosophical knowledge and mystical bodily practices This book goes further and considers the social engagements and entanglements of these spiritual leaders not just on their own narrowly denominational terms but in terms of their diverse complex rapidly evolving engagements with society broadly conceived The book explores and illuminates the significance of female gurus gurus from the perspective of Islam imbrications of guru ship and slavery in pre modern India connections between gurus and power governance and economic liberalization in modern and contemporary India vexed questions of sexuality and guru ship gurus charitable endeavours the cosmopolitanism of gurus in contexts of spiritual tourism and the mediation of gurus via technologies of electronic communication Bringing together internationally renowned scholars from religious studies political science history sociology and anthropology The Guru in South Asia provides exciting and original new insights into South Asian guru ship The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license **Encyclopedia of New Religious Movements** Peter Clarke,2004-03 An essential companion to both research and scholarship upon which undergraduates postgraduates lecturers and researchers can all be expected to draw Sach

Khand, 7 , **Edgar Cayce in Context** K. Paul Johnson, 2016-03-22 Edgar Cayce widely acclaimed clairvoyant and forerunner of the holistic health movement is revealed here as a pivotal figure in the transition from the esoteric and metaphysical movements of the late nineteenth century to the New Age movement This book describes and evaluates his psychic readings more than 14 000 trance discourses that address medical theological historical and psychological concerns raised by thousands of inquirers The author evaluates evidence for and against Cayce s reliability in the subject areas emphasized by the readings Cayce s medical and psychological advice is shown to be well ahead of his time in many respects and his spiritual teachings are appraised as a reconciliation of Protestant mysticism with New Thought and Theosophy Although the medical readings provide intriguing evidence for Cayce s ESP his clairvoyant time travel illustrates the fallibility of information derived through hypnotic trance The author contends that the contents of the readings reflect the knowledge and interests of their recipients as much as Cayce s personal opinions and beliefs This is the first book to focus solely on appraising the entire body of the Cayce readings from a scholarly perspective **The Skeptical Text** David Lane, 2015-12-02 This book contains a series of articles which take a critical look at various religious and paranormal phenomena *Sach Khand, 1* , The Encyclopedia of Cults, Sects, and New Religions James R. Lewis, 2001-03 Surpassing the scope and the thoroughness of the first edition this new edition of The Encyclopedia of Cults Sects and New Religions is the most wide ranging and accessible resource on the historically significant and more obscure sinister and bizarre religious groups Including many entries by scholarly specialists this volume explains more than 1 000 diverse groups and movements from such well known sects as the Branch Davidians Aum Shinrikyo and Heaven s Gate to obscure groups like Ordo Templi Satanas Witches International and the Nudist Christian Church of the Blessed Virgin Jesus In addition to an exhaustive index and handy cross references the second edition includes over a hundred new topical entries on subjects relevant to understanding sectarian movements from snake handling and satanic ritual abuse to brainwashing and exorcism This book a must for all libraries and schools will endure as the first and only point of reference for researchers scholars students and anyone interested in fringe religious groups **Sach Khand, 3** , **Encyclopedia of Hinduism** Constance Jones, James D. Ryan, 2006 An illustrated A to Z reference containing more than 700 entries providing information on the theology people historical events institutions and movements related to Hinduism **Provincial Hinduism** Daniel Gold, 2015 Provincial Hinduism explores intersecting religious domains of a medium sized Indian city Temples and Sufi shrines the dynamics of caste and class and specifically modern gurus and movements are described in a Hindu world that has experienced impacts of globalization but is still close to its traditional roots Controversial New Religions James R. Lewis, Jesper Aagaard Petersen, 2014 Written by established scholars as well as younger experts in their field this updated and revised second edition of Controversial New Religions offers a scholarly dispassionate look at the new religious groups that have generated the most attention in the media and general public *Enchanted Land: A Journey with the Saints of India* , *We Were*

Adivasis Megan Moodie, 2015-08-20 Anthropologist Megan Moodie examines the Indian state's relationship to scheduled tribes or adivasis historically oppressed groups that are now entitled to affirmative action quotas in educational and political institutions Through a deep ethnography of the Dhanka in Jaipur Moodie brings readers inside the creative imaginative work of these long marginalised tribal communities Literary Cultures in Early Modern North India Imre Bangha, Danuta Stasik, 2024-06-11 Literary Cultures in Early Modern North India Current Research grows out of over a 40 year tradition of the triennial International Conferences on Early Modern Literatures in North India ICEMLNI initiated to share Bhakti in current research This volume brings together a selection of contributions from some of the leading scholars as well as emerging researchers in the field originally presented at the 13th ICEMLNI University of Warsaw 18-22 July 2018 Considering innovative methodologies and tools the volume presents the current state of research on early modern sources and offers new inputs into our understanding of this period in the cultural history of India This collection of essays is in the tradition of Bhakti in current research volumes produced from 1980 onward but reflecting our current understanding of early modern textualities The book operates on the premises that the centuries preceding the colonial conquest of India which in scholarship influenced by orientalist concepts has often been referred to as medieval However these languages already participated in modernity through increased circulation of ideas new forms of knowledge new concepts of the individual of the community and of religion The essays cover multiple languages Indian vernaculars Sanskrit Apabhramsha Persian different media texts performances paintings music and traditions Hindu Jain Muslim Sant Sikh analyzing them as individual phenomena that function in a wider network of connections at textual intertextual and knowledge system levels *Religious Practice and Democracy in India* Pradeep K. Chhibber, 2014-07-17 This book demonstrates the close relationship between religion and democracy in India Religious practice creates ties among citizens that can generate positive and democratic political outcomes In pursuing this line of inquiry the book questions a dominant strand in some contemporary social sciences that a religious denomination Catholic Hindu Muslim Sikh and so on is sufficient to explain the relationship between religion and politics or that religion and democracy are antithetical to each other The book makes a strong case for studying religious practice and placing that practice in the panoply of other social practices and showing that religious practice is positively associated with democracy

The Enigmatic Realm of **Radhasoami Tradition A Critical History Of Guru Successorship**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary.
