Pedro Albizu Campos who served as the president of the Nationalist Party A lawyer chemical engineer and the first Puerto Rican to graduate from Harvard Law School Albizu Campos was imprisoned for twenty five years and died under mysterious circumstances By tracing his life and death Denis shows how the journey of Albizu Campos is part of a larger story of Puerto Rico and US colonialism Through oral histories personal interviews eyewitness accounts congressional testimony and recently declassified FBI files War Against All Puerto Ricans tells the story of a forgotten revolution and its context in Puerto Rico s history from the US invasion in 1898 to the modern day struggle for self determination Denis provides an unflinching account of the gunfights prison riots political intrigue FBI and CIA covert activity and mass hysteria that accompanied this tumultuous period in Puerto Rican history
