Radio for Education and Development Dean T. Jamison, Emile G. McAnany, 1978-08      **Radio for Education and Development** Peter L. Spain, 1977      **Radio and Television in the Service of Education and Development in Asia** Meeting on Radio and Television in the Service of Education and Development (1966 : Bangkok, Thailand), 1967      **Local Radio, Community Education for Development** Andrew Azukaego Moemeka, 1981      **Radio for education and development : case studies. 1 (1977)** Peter L. Spain, 1977      *Basic Education at a Distance* Jo Bradley, Chris Yates, 2002-01-04 Open and distance learning has been used in many ways in the recent past to provide both primary education and adult education The Commonwealth of Learning works with governments schools and universities with the aim of strengthening the capacities of Commonwealth member countries in developing human resources required for their economic and social development Many existing policy documents link distance education with new information and communication technologies portraying them as a promising universal access and exponential growth of learning This book answers the key questions to these issues and assesses the impact and effect of the experience of basic education at a distance all over the world and in a wide variety of forms This is the first major overview of this topic for twenty years

**Radio in Education** Armstrong Perry, 1929      Radio for Education and Development Peter L. Spain, 1977      **Radio for education and development : case studies. 2 (1977)** Peter L. Spain, 1977      *Distance Education for Teacher Training* Hilary Perraton, 2002-03-11 Distance education combining the use of correspondence texts broadcasting and limited opportunities for face to face study has been used in at least a hundred teacher training programmes over the last 25 years Distance Education for Teacher Training is the first comparative review of the use of distance education and open learning for the training and upgrading of teachers The book contains case studies using a broadly common format both to describe and analyse distance teacher training programmes in eleven countries across five continents The case studies describe the methods used to examine how far the craft of teaching can be studied at a distance Using a standardised microeconomic framework they provide unique data on the comparative costs of training teachers by distance and conventional methods The authors then draw general conclusions about the advantages and drawbacks of using distance education or open learning about the conditions for success and about comparative effects and costs Distance Education for Teacher Training will be of value to all concerned with teacher education whether in developing or industrialised countries and to those working in and planning for distance education and open learning      *Resources in Education* , 1996      **A.I.D. Research and Development Abstracts** , 1981      **The Development of Radio Education in the Chicago Public Schools** Charlotte M.
