Graduate student Raina Sun thought she knew what she was getting herself into when she volunteered to take the new foreign exchange student shopping on the last weekend before Christmas. But between a riot for the last hot toy of the season and an abandoned baby, the holiday is a season for mayhem, and sometimes it doesn't pay to be a Good Samaritan. Raina wants to reunite the infant with his family, but calling the mysterious phone number in the diaper bag leads to more questions than answers. A strange man claims to be the child's father, and his alleged mother turns up dead. The local police are more interested in keeping the town's good name out of international news than considering if there's foul play. And to make matters worse, she has less than a week to find his real parents before the FBI takes over the case. Raina summons her sleuthing skills to protect this baby, and soon discovers everyone has a few skeletons in their closets. With

It considers how women from the disparate religious traditions of Hinduism, Islam, and Christianity expressed devotion in parallel ways. The argument is that women's mysticism demands to be compared not because of any essential female experience of the divine, but because the parallel positions of marginalization that pre-modern women experienced led them to deploy intimate encounters with the divine to speak publicly and claim authority. The topics covered range from the Sufi devotional tradition of Sids, Indians of African ancestry, to the Bhakti poet Mirabai and the nuns of Barking Abbey. Collectively, the chapters show how mysticism allowed premodern women to speak and act by unsettling traditional gender roles and expectations for religious behavior. At the same time as uncovering connections, the juxtaposition of women from different traditions serves to highlight distinctive features. The book draws on a range of disciplinary expertise and will be of particular interest to scholars of medieval religion and theology, as well as history and literary studies **The Girl with the Broken Heart** Lurlene McDaniel, 2018-12-18 Sorry, John Green fans, but McDaniel's been making us cry for decades.
