Emotional Destinations represents the journey through love and life we must all take It is a retrospective outlook on my own personal journey and is written in thanks and celebration for those who have been my companions on the way and journeys right up to the present riding side by side with my husband and true love Steve Some of the poems are from my perspectives some from others who asked me to write to help them make sense of situations that they were experiencing      *Odyssey of Love* Geeta Bhandari,2016-09-23 This book is my second attempt to celebrate the pastiche of finest human emotion that is love I must admit that it is very tedious for people to get the story of their life right because it is so subtle and complex The paradisaal innocence and guilelessness of the cosmos and the power and glory of relationships have their own illusions and disillusionment but they are the way of our life all true and real wherein love comes as a magic wand setting aside regret reproach and grief Life goes on and is frequented with unknown minds Emotions enter sometimes confronted with compassion and pity making us vulnerable And one is forced to say If thy unworthiness raised love in me More worthy I to be

beloved of thee William Shakespeare What emerges from all this is remarkable indeed unique Love is a healer and this is vehemently expressed by one and all Love is a real mystery which made Keats cry O for a life of sensations Rather than of thoughts The impetus for writing this book sprang from my growing realization that love is the only hope in this pernicious and deleterious world of today Some may find love gibberish panoply of emotions or a clap trap bringing butterflies and jingles in the heart but it certainly ennobles man Looking on what I have done with my life today I believe I have probably raised a premeditated exaltation to the perennial cause of joy something which has made me feel humble as and when it possessed and overpowered me The poetess speaks of love wondrous love and looks upon spring as the divine manifestation and is an eternal naysayer to pessimism The war of emotions that the human heart is persistently engaged in and the gutless modern men lacking in passion and compassion reinforce her faith and hope for the second world Amen T S Anand editor Literary Voice Odyssey of Love is a pious and secular peregrination goaded by the disquieting magnetism and charisma of love Dr B L Chakoo professor emeritus      **The Golden Rule and Odd-fellows Family Companion** ,1847      **Poems** Fritz (pseud.),1861      *Circle of Love* Karen S. Camara,2018-10-31 It was 1956 when Michael and Karen first met as teens in the streets of New York City They were both determined to escape their dysfunctional families buoyed up by dreams of success Their four years as soulmates would have been forever except Michael was addicted to heroin After walking away Karen buried all her feelings from the pure joy of their love to her dismay of drugs as a third partner yet she still lived with the heartbreak of going separate ways When Karen realized her history as a New York City street kid was atypical she wrote a memoir Songs from the Street A Native New Yorker Comes of Age in the Fifties She reveals how writing this memoir unleashed powerful memories of her teenage love as well as a curiosity about what happened to Michael after they parted Karen sought closure and describes how she found Michael now clean sober and professionally accomplished Through this reconnection their love was reborn and their life together as soulmates came full circle
