Regents And Rebels:

The Register of the Privy Council of Scotland Scotland. Privy Council,1878 **1569-1578** Scotland. Privy Council,1878

War, Public Opinion and Policy in Britain, France and the Netherlands, 1785-1815 Graeme Callister,2017-04-03

This book offers a detailed investigation of the influence of public opinion and national identity on the foreign policies of France Britain and the Netherlands in the late eighteenth and early nineteenth centuries The quarter century of upheaval and warfare in Europe between the outbreak of the French Revolution and fall of Napoleon saw important developments in understandings of nation public and popular sovereignty which spilled over into how people viewed their governments and how governments viewed their people By investigating the ideas and impulses behind Dutch French and British foreign policy in a comparative context across a range of royal revolutionary and republican regimes this book offers new insights into the importance of public opinion and national identities to international relations at the end of the long eighteenth century *The Register of the Privy Council of Scotland: 1569-1578* Scotland. Privy Council,1878 *The Register of the*

Said and Rubiyah - A Tale of War, Ambition & Love in Javanese History

A.N. Satrio,2023-04-04 This is the epic story of a man who defied all odds and rose to become the founder of the mighty Mangkunegaran dynasty a kingdom whose power rivaled that of the largest kingdoms in all of Java Raden Mas Said was a boy born into political intrigue as an outcast in the Palace of Kartosuro in 1728 But he was not one to be held down by his circumstances With the unwavering support of his grandmother and uncle he fought to carry on his father s legacy and prove to the world that he was destined for greatness However greatness would not come easily With his small force of army Said had to face three archenemies at once the powerful kingdoms of Yogyakarta and Surakarta as well as the formidable Dutch trading company VOC With each victory his might more undeniable that his enemy named him pangeran samber nyawa the prince of soul snatcher And then there was the matter of Rubiyah the wife who held the light to Said s path to become the king of Java Their union was anything but simple Twisted between lust and political interests he made her entangled in a battle for his love and attention where she had to go against the Javanese woman expected to be This historical novel draws on the transcription of the Babad Lelampahan written by Raden Mas Said as well as the insights of influential Javanese historians to vividly bring to life the epic story of this legendary figure **The Age of Revolutions** Nathan

Perl-Rosenthal,2024-02-20 A panoramic persuasive and inspiring New Yorker new history of the revolutionary decades between 1760 and 1825 from North America and Europe to Haiti and Spanish America showing how progress and reaction went hand in hand The revolutions that raged across Europe and the Americas over seven decades from 1760 to 1825 created the modern world Revolutionaries shattered empires toppled social hierarchies and birthed a world of republics But old injustices lingered on and the powerful engines of revolutionary change created new and insidious forms of inequality In

The Age of Revolutions historian Nathan Perl Rosenthal offers the first narrative history of this entire era Through a kaleidoscope of lives both familiar and unknown from John Adams Toussaint Louverture and Napoleon to an ambitious French naturalist and a seditious Peruvian nun he retells the revolutionary epic as a generational story The first revolutionary generation fired by radical ideas struggled to slip the hierarchical bonds of the old order Their failures molded a second generation more adept at mass organizing but with an illiberal tint The sweeping political transformations they accomplished after 1800 etched social and racial inequalities into the foundations of modern democracy A breathtaking history spanning three continents The Age of Revolutions uncovers how the period s grand political transformations emerged across oceans and slowly and unevenly over generations *On the Trail of the Yellow Tiger* Kenneth Swope,2018-07-01 Examination of the social and demographic effects of the Ming Qing transition on southwest China and the devastation wrought by the warlord Zhang Xianzhong Provided by publisher **Cabala, Sive Scrinia Sacra** ,1691 **The History of Scotland** James Carruthers,1831 **THE GREAT HISTORICAL, Geographical and Poetical DICTIONARY** Louis Moreri,Edmund Bohun,1694 *Cabala, Sive Scrinia Sacra: Mysteries of State and Government, in Letters of Illustrious Persons, and Great Ministers of State, as Well Foreign as Domestick in the Reigns of King Henry the Eighth, Queen Elizabeth ...* Dudley Carleton (Lord Dorchester),1691 **The Royal School History of Scotland** Anonymous,2023-08-18 Reprint of the original first published in 1873 María de Molina, Queen and Regent Paulette Lynn Pepin,2016-03-08 This biography of Queen Mar a de Molina thematically explores her life and demonstrates her collective exercise of power and authority as queen Throughout her public life Mar a de Molina s resilient determination as queen and later as regent enabled her to not only work tirelessly to establish an effective governing partnership with her husband King Sancho IV which never occurred but also to establish the legitimacy of her children and their heirs and their right to rule Such legitimacy enabled Queen Mar a de Molina s son and grandson under her tutelage to fend off other monarchs and belligerent nobles The author demonstrates the queen s ability to govern the Kingdom of Castile Le n as a partner with her husband King Sancho IV a partnership that can be described as an official union A major theme of this study is Mar a de Molina s role as dowager queen and regent as she continued to exercise her queenly power and authority to protect the throne of her son Fernando IV and later of her grandson Alfonso XI and to provide peace and stability for the Kingdom of Castile Le n **Sophia, Regent of Russia, 1657-1704** Lindsey Hughes,1990-01-01 Om Sof ja 1657 1704 der som formynder for sine yngre br dre Fedor 1661 1682 og Ivan 1666 1696 var Ruslands f rste kvindelige regent **William Marshal, Knight-Errant, Baron, and Regent of England** Sidney Painter,1982-01-01 Originally published by Johns Hopkins Press 1933 **The Regency of Anne of Austria, Queen Regent of France, Mother of Louis XIV.** Martha Walker Freer,1866 *China* Sir Robert Kennaway Douglas,1928
