

*A lively Representation of the manner
how his late Majesty was beheaded
uppon the Stafford Jan 30. 1648.*

A representation of the execution of the Kings Judges.

Regicides And The Execution Of Charles I

Matthew Jenkinson

Regicides And The Execution Of Charles I:

The Regicides and the Execution of Charles I J. Peacey,2001-10-02 The events surrounding the trial of Charles I have been remarkably understudied by historians despite a wealth of information regarding both the proceedings and personalities involved and contemporary responses and reactions These essays submit one of the most momentous events in English history to rigorous scholarship contextualise it in the light of recent historiography not least regarding relations between the three kingdoms of Britain

The Trials of Charles the First, and of Some of the Regicides Charles I (King of England),1861

Why was Charles I Executed? Clive Holmes,2006 The execution of Charles I in 1649 followed by the proclamation of a Commonwealth was an extraordinary event in British history Examining key issues surrounding the regicide Clive Holmes looks at how a country descended into civil war

Who Killed The King? Robert Temple,2022-07

Killers of the King Charles Spencer,2015-01-20 On August 18 1648 with no relief from the siege in sight the royalist garrison holding Colchester Castle surrendered and Oliver Cromwell s army firmly ended the rule of Charles I of England To send a clear message to the fallen monarch the rebels executed four of the senior officers captured at the castle Yet still the king refused to accept he had lost the war As France and other allies mobilized in support of Charles a tribunal was hastily gathered and a death sentence was passed On January 30 1649 the King of England was executed This is the account of the fifty nine regicides the men who signed Charles I s death warrant Recounting a little known corner of British history Charles Spencer explores what happened when the Restoration arrived From George Downing the chief plotter to Richard Ingoldsby who claimed he was forced to sign his name by his cousin Oliver Cromwell and from those who returned to the monarchist cause and betrayed their fellow regicides to those that fled the country in an attempt to escape their punishment Spencer examines the long lasting far reaching consequences not only for those who signed the warrant but also for those who were present at the trial and for England itself A powerful tale of revenge from the dark heart of England s past and a unique contribution to seventeenth century history *Killers of the King* tells the incredible story of the men who dared to assassinate a monarch

The Trial of Charles I: A History in Documents K.J. Kesselring,2016-03-14 In January 1649 after years of civil war King Charles I stood trial in a specially convened English court on charges of treason murder and other high crimes against his people Not only did the revolutionary tribunal find him guilty and order his death but its masters then abolished monarchy itself and embarked on a bold though short lived republican experiment The event was a landmark in legal history The trial and execution of King Charles marked a watershed in English politics and political theory and thus also affected subsequent developments in those parts of the world colonized by the British This book presents a selection of contemporaries accounts of the king s trial and their reactions to it as well as a report of the trial of the king s own judges once the wheel of fortune turned and monarchy was restored It uses the words of people directly involved to offer insight into the causes and consequences of these momentous events

The Lives of the English Regicides Mark Noble,1798

Charles I's Killers in America Matthew Jenkinson, 2019-06-13 When the British monarchy was restored in 1660 King Charles II was faced with the conundrum of what to do with those who had been involved in the execution of his father eleven years earlier. Facing a grisly fate at the gallows, some of the men who had signed Charles I's death warrant fled to America. *Charles I's Killers in America* traces the gripping story of two of these men, Edward Whalley and William Goffe, and their lives in America from their welcome in New England until their deaths there. With fascinating insights into the governance of the American colonies in the seventeenth century and how a network of colonists protected the regicides, Matthew Jenkinson overturns the enduring theory that Charles II unrelentingly sought revenge for the murder of his father. *Charles I's Killers in America* also illuminates the regicides' afterlives with conclusions that have far-reaching implications for our understanding of Anglo-American political and cultural relations. Novels, histories, poems, plays, paintings, and illustrations featuring the fugitives were created against the backdrop of America's revolutionary strides towards independence and its forging of a distinctive national identity. The history of the king killers was distorted and embellished as they were presented as folk heroes and early champions of liberty, protected by proto-revolutionaries fighting against English tyranny. Jenkinson rewrites this once ubiquitous and misleading historical orthodoxy to reveal a far more subtle and compelling picture of the regicides on the run.

Charles I's Executioners James Hobson, 2020-12-14 This biographical history of the English Civil War profiles the lives and ultimate fates of the nearly 60 men who sentenced their king to death. On January 30th, 1649, King Charles I was executed on a scaffold outside the Banqueting House of Whitehall. The parliamentary High Court of Justice declared him guilty of treason, disregarding the Divine Right of Kings. Fifty-nine commissioners signed his death warrant. These killers of the king were soldiers, lawyers, Puritans, Republicans, and some mere opportunists, all brought together under one infamous banner. In *Charles I's Executioners*, James Hobson explores the lives of these men, shedding new light on their backgrounds, ideals, and motives. Their stories are a powerful tale of revenge and clashing convictions, their futures determined by their one fateful decision. When Charles II was restored, he enacted a deadly wave of retribution against the signatories. Some pleaded for mercy, many went into hiding or fled abroad, while others stoically awaited their sentence.

Anglo-Scottish Relations from 1603 to 1900 T. C. Smout, 2005-12-22 In 1603, England and Scotland came together, and Great Britain was created. But how did this union last when so many others in Europe have failed? This volume provides an account of two nations who have often differed, remained very distinct, and yet have achieved endurance in European terms.

Remembering Queens and Kings of Early Modern England and France Estelle Paranque, 2019-08-06 This collection examines the afterlives of early modern English and French rulers. Spanning five centuries of cultural memory, the volume offers case studies of how kings and queens were remembered, represented, and reincarnated in a wide range of sources, from contemporary pageants, plays, and visual art to twenty-first-century television and from premodern fiction to manga and romance novels. With essays on well-known figures such as Elizabeth I and Marie Antoinette, as well as lesser-known monarchs such as Francis II of France and

Mary Tudor Queen of France Remembering Queens and Kings of Early Modern England and France brings together reflections on how rulers live on in collective memory The Political Bible in Early Modern England Kevin Killeen,2017 This book explores the Bible as a political document in seventeenth century England revealing how it provided a key language of political debate *The trials of Charles the first, and of some of the regicides* Charles I (King of England),1832 The Oxford Handbook of the English Revolution Michael J. Braddick,2015-03-05 This Handbook brings together leading historians of the events surrounding the English revolution exploring how the events of the revolution grew out of and resonated in the politics and interactions of the each of the Three Kingdoms England Scotland and Ireland It captures a shared British and Irish history comparing the significance of events and outcomes across the Three Kingdoms In doing so the Handbook offers a broader context for the history of the Scottish Covenanters the Irish Rising of 1641 and the government of Confederate Ireland as well as the British and Irish perspective on the English civil wars the English revolution the Regicide and Cromwellian period The Oxford Handbook of the English Revolution explores the significance of these events on a much broader front than conventional studies The events are approached not simply as political economic and social crises but as challenges to the predominant forms of religious and political thought social relations and standard forms of cultural expression The contributors provide up to date analysis of the political happenings considering the structures of social and political life that shaped and were re shaped by the crisis The Handbook goes on to explore the long term legacies of the crisis in the Three Kingdoms and their impact in a wider European context **The Trials of Charles I** Ian Ward,2022-09-08 One of the iconic moments in English history the trial and execution of King Charles I has yet to be studied in depth from a contemporary legal perspective Professor Ian Ward brings his considerable legal and historical acumen to bear on the particular constitutional issues raised by the regicide of Charles and not only analyses the unfolding of events and their immediate historical context but also draws out their wider importance and legacy for the generations of historians politicians and writers over the ensuing three and a half centuries This is a book about constitutional history and thought but also about the writing of constitutional history and thought and the forms they have taken whether as scholarship polemics or literary experiments in collective British memory Chapters range from the events leading up to and through the trial and execution of Charles to their theatricality legality and constitutionality to the political writings such as Milton s *Tenure of Kings* and Hobbes *Leviathan* that followed and finally trace the various subsequent histories and trials of Charles I that presented him either as martyr Tory or in the 18th and 19th centuries the Whig **Radical voices, radical ways** Laurent Currelly,Nigel Smith,2016-10-30 This collection of essays studies the expression and diffusion of radical ideas in Britain from the period of the English Revolution in the mid seventeenth century to the Romantic Revolution in the early nineteenth century The essays included in the volume explore the modes of articulation and dissemination of radical ideas in the period by focusing on actors radical voices and a variety of written texts and cultural practices radical ways ranging from

fiction correspondence pamphlets and newspapers to petitions presented to Parliament and toasts raised in public They analyse the way these media interacted with their political religious social and literary context This volume provides an interdisciplinary outlook on the study of early modern radicalism with contributions from literary scholars and historians and uses case studies as insights into the global picture of radical ideas It will be of interest to students of seventeenth and eighteenth century literature and history

Rethinking Revolutionary Change in Europe Bailey Stone, 2020-02-17
Reconsidering the English French and Russian Revolutions this book offers an important new approach to the theoretical and comparative study of revolutions Bailey Stone proposes an innovative neostructuralist integration of competing structuralist and postmodernist theory Providing a balanced and nuanced critique of both sides he presents new ways of understanding radical change in the European polities that created the concept and the dramatic realities of modern revolution He focuses on the central issues of modernizers versus traditionalists old regime bourgeoisies regicides terror and state legitimacy By reconciling political and cultural theories of revolutionary causation and process Stone's synthesis marks a critical advance in our understanding of revolution

Deposing Monarchs Cathleen Sarti, 2021-12-30
Deposing Monarchs analyses depositions in Northern Europe between 1500 and 1700 as a type of frequent political conflict which allows to present new ideas on early modern state formation monarchy and the conventions of royal rulership The book revises earlier conceptualizations of depositions as isolated unique events that emerged in the context of national historiographies An examination of the official legitimations of depositions reveals that in times of crisis concepts of tradition rule of law and political consensus are much more influential than the divine right of kings Tracing the similarities and differences of depositions in Northern Europe transnationally and diachronically the book shows monarchical succession as more non linear than previously presumed It offers a transferable model of the different elements needed in depositions such as opposition to the monarch by multiple groups in a realm the need for a convincing rival candidate and a legitimation based on political traditions or religious ideas Furthermore the book bolsters our understanding of authority and rule as a constant process of negotiation adding to recent research on political culture and on the cultural history of politics

Women and the Pamphlet Culture of Revolutionary England, 1640-1660 Marcus Nevitt, 2017-03-02
Offering an analysis of the ways in which groups of non aristocratic women circumvented a number of interdictions against female participation in the pamphlet culture of revolutionary England this book is primarily a study of female agency Despite the fact that pamphlets or cheap unbound books have recently been located among the most inclusive or democratic aspects of the social life of early modern England this study provides a more gender sensitive picture Marcus Nevitt argues instead that throughout the revolutionary decades pamphlet culture was actually constructed around the public silence and exclusion of women In support of his thesis he discusses more familiar seventeenth century authors such as John Milton John Selden and Thomas Edwards in relation to the less canonical but equally forceful writings of Katherine Chidley Elizabeth Poole Mary Pope Parliament Joan and a large

number of Quaker women This is the first sustained study of the relationship between female agency and cheap print throughout the revolutionary decades 1640 to 1660 It adds to the study of gender in the field of the English Revolution by engaging with recent work in the history of the book stressing the materiality of texts and the means and physical processes by which women's writing emerged through the printing press and networks of publication and dissemination It will stimulate welcome debate about the nature and limits of discursive freedom in the early modern period and for women in particular

The Theatre of Death P. J. Klemp, 2016-10-19 This book discusses some rituals of justice such as public executions printed responses to the Archbishop of Canterbury's execution speech and King Charles I's treason trial in early modern England Focusing on the ways in which genres shape these events multiple voices I analyze the rituals genres and the diverse perspectives from which we must understand them The execution ritual like such cultural forms as plays and films is a collaborative production that can be understood only and only incompletely by being alert to the presence of its many participants and their contributions Each of these participants brings a voice to the execution ritual whether it is the judge and jury or the victim executioner sheriff and other authorities spiritual counselors printer or spectators and readers And each has at least one role to play No matter how powerful some institutions and individuals may appear none has a monopoly over authority and how the events take shape on and beyond the scaffold The centerpiece of the mid seventeenth century's theatre of death was the condemned man's last dying utterance This study focuses on the words and contexts of many of those final speeches including King Charles I's 1649 Archbishop William Laud's 1645 and the Earl of Strafford's 1641 as well as those of less well known royalists and regicides Where we situate ourselves to view hear and comprehend a public execution through specific participants eyes ears and minds or accounts shapes our interpretation of the ritual It is impossible to achieve a singular carefully indoctrinated meaning of an event as complex as a state sponsored public execution Along with the variety of voices and meanings the nature and purpose of the rituals of justice maintain a significant amount of consistency in a number of eras and cultural contexts Whether the focus is on the trial and execution of the Marian martyrs English royalists in the 1640s and 1650s or the Restoration's regicides the events draw on a set of cultural expectations or conventions Because rituals of justice are shaped by diverse voices and agendas with the participants scripts and counterscripts converging and colliding they are dramatic moments conveying profound meanings

Whispering the Secrets of Language: An Psychological Quest through **Regicides And The Execution Of Charles I**

In a digitally-driven earth wherever displays reign great and immediate communication drowns out the subtleties of language, the profound secrets and psychological subtleties concealed within phrases often move unheard. However, located within the pages of **Regicides And The Execution Of Charles I** a captivating fictional treasure pulsating with organic thoughts, lies a fantastic journey waiting to be undertaken. Penned by an experienced wordsmith, this marvelous opus invites readers on an introspective trip, softly unraveling the veiled truths and profound affect resonating within ab muscles cloth of each and every word. Within the mental depths of this poignant review, we will embark upon a honest exploration of the book is primary subjects, dissect its charming publishing fashion, and yield to the effective resonance it evokes heavy within the recesses of readers hearts.

Regicides And The Execution Of Charles I Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Regicides And The Execution Of Charles I PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to

focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Regicides And The Execution Of Charles I PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Regicides And The Execution Of Charles I free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Regicides And The Execution Of Charles I Books

1. Where can I buy Regicides And The Execution Of Charles I books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
