Regional Differences in America Alfred N. Garwood, 1988-10 Regional Differences in America Alfred N. Garwood, 1988 **Statistical Reference Index**, 1980 **Abortion and Dialogue** Ruth Colker, 1992-09-22 The issues she takes on are crucial not solely the subject areas of reproductive rights and law or public policy lenses and judicial impact in women's and children's lives but also the more difficult and fundamental questions of how these hot topics can be approached so as to make the most of the good will of all and the force of free discussion for social learning she brings a strong evolving and distinctive perspective to the discussion Emily Fowler Hartigan In *Abortion and Dialogue* Ruth Colker argues that the state falsely views the woman and the fetus as having conflicting needs when it intervenes in decisions regarding pregnancies Colker's feminist theological perspective on reproductive health issues encourages both pro choice and pro life advocates to consider how the value of life is implicated in discussions of reproduction Colker argues that theology can contribute to our understanding if we apply the concepts of love compassion and wisdom to problems identified by feminist theory and to actual concrete situations the impact of abortion regulations on poor female adolescents the judicial treatment of abortion regulations state intervention into women's decision making during pregnancies carried to term Colker concludes by examining effective and respectful family planning strategies that truly help women in making reproductive choices Substance Abuse and Mental Health Statistics Sourcebook Beatrice A.
