

General Background

- implosion of the Soviet Regime → NIS freed of FP directives of isolationist Soviet bloc → they developed bi- & multilateral ties with both West and East → post-Soviet territory much more complex picture than before.
- Still, several developments along distinct lines
 - **Central Europe** made unambiguous Western choice --> by striving to become part of the Euro-Atlantic security structures e.g. EU bid
 - **Eastern Europe** more complicated. region with divergent domestic and FP choices.
e.g.: CIS (1991) --> conjoins countries with diverse policy goals in 1 organisation
 - Some member states (e.g. Ukr): CIS = elegant solution (civilised divorce)
 - Other members (e.g. Rus&Bel): main purpose: co-ordinating econ & secur. policies among Soviet successor states. Russia: CIS = framework to re-assert leading role in post-Soviet region.
--> after 10 yrs : instit development of CIS has stalled - integration efforts dissipated over CIS area. Members involved in host of sub-regional initiatives: GUUAM, Eurasian Econ Community, Union Rus & Bel, Common Econ Zone.
- Some countries are profiling themselves clearly (Belarus), some pretend to do so (Ukraine)

Regional Foreign Policies In Rus

Nicholas Ross Smith

Regional Foreign Policies In Rus:

Eurasian Regionalisms and Russian Foreign Policy Mikhail A. Molchanov, 2016-03-03 Bridging foreign policy analysis and international political economy this volume offers a new look at the problem of agency in comparative regional integration studies It examines evolving regional integration projects in the Eurasian space defined as the former Soviet Union countries and China and the impact that Russian foreign policy has had on integration in the region Mikhail Molchanov argues that new regionalism in Eurasia should be seen as a reactive response to contemporary challenges that these developing states face in the era of globalization Regional integration in this part of the world treads the unknown waters and may not simply repeat the early steps in the evolution of the European Union The question of a hegemonic leadership in particular as exercised by a country that spearheads regional integration efforts animates much of the discussion offered in the book Moreover Eurasian regionalisms are plural phenomena because of complementary and competing projects that engage the same or partially overlapping groups of countries By combining foreign policy studies with an examination of the international political economy of regionalism in Eurasia the author furthers our understanding of new regionalism both theoretically and empirically

Russian Foreign Policy Eric Shiraev, Konstantin Khudoley, 2018-12-12 Written by two leading scholars this cutting edge textbook provides a comprehensive re evaluation of Russian foreign policy in the 21st century covering its historical development key institutions and actors and processes principles and strategies It integrates domestic and global perspectives to give a more rounded and balanced assessment of Russia's place in the world This text will be essential reading on Russian foreign policy modules as well as on broader courses on Russian government and politics It can also be used as supplementary reading on more general comparative politics and foreign policy modules which use Russia as a key case study

Russia's Foreign Policy D. Cadier, M. Light, 2015-06-30 This edited volume analyses the evolution and main determinants of Russia's foreign policy choices Containing contributions by renowned specialists on the topic the study sheds light on some of the new trends that have characterised Russia's foreign policy since the beginning of Vladimir Putin's third presidential term

Russia's Foreign Policy Andrei P. Tsygankov, 2013-02-14 Now fully updated and revised this clear and comprehensive text explores the past quarter century of Soviet Russian international relations comparing foreign policy formation under Gorbachev Yeltsin Putin and Medvedev Drawing on an impressive mastery of both Russian and Western sources Andrei P Tsygankov shows how Moscow's policies have shifted with each leader's vision of Russia's national interests He evaluates the successes and failures of Russia's foreign policies explaining its many turns as Russia's identity and interaction with the West have evolved The book concludes with reflections on the emergence of the post Western world and the challenges it presents to Russia's enduring quest for great power status along with its desire for a special relationship with Western nations

Russian Foreign Policy Nikolas K. Gvosdev, Christopher Marsh, 2013-08-22 In a truly contemporary analysis of Moscow's relations with its neighbors and other strategic international actors Gvosdev and

Marsh use a comprehensive vectors approach dividing the world into eight geographic zones Each vector chapter looks at the dynamics of key bilateral relationships while highlighting major topical issues oil and energy defense policy economic policy the role of international institutions and the impact of major interest groups or influencers demonstrating that Russia formulates multiple sometimes contrasting foreign policies Providing rich historical context as well as exposure to the scholarly literature the authors offer an incisive look at how and why Russia partners with some states while it counter balances others *Understandings of Russian Foreign Policy* Ted Hopf, 2010-11-01 Scholars from Asia Europe and North America working with the support of the Finnish Institute of International Affairs combine their efforts to bring us new insights into how Russia has conducted its foreign affairs since the fall of Communism Drawing on both archival sources and interviews they cover such major issues as Russia s decision to use military force in Chechnya its reactions to NATO expansion and its emergent relations with Japan and East Asia The contributors are Eunsook Chung Henrikki Heikka Ted Hopf Andrea Lopez Hiroshi Kimura Sergei Medvedev and Christer Pursiainen

Palestine in EU and Russian Foreign Policy Malath Alagha, 2016-10-04 The establishment of a Palestinian state has long been a strategic objective of EU and Russian foreign policy in the Middle East However over a decade after the creation of the road map the establishment of an independent Palestinian state has still not been achieved Palestine in EU and Russian Foreign Policy uses the school of constructivism to provide a new understanding of EU and Russian foreign policy It explores the failure of these global actors to speed up the process of establishing a Palestinian state despite this being a strategic objective and top priority of their involvement in the Middle East peace process The book then analyses the role of identity and self other perception in the making of EU and Russian foreign policy towards the Middle East peace process It is argued that Palestinian statehood provides a telling empirical example of how and to what extent the search for global actorness as a matter of international identity informs foreign policy making by global actors The book then proceeds to discuss why the EU and Russia are so eager to be involved in initiating a peace settlement Offering a new understanding of foreign policy making by global players in Middle Eastern politics this book will appeal to students scholars and policymakers working in International Relations and European Russian and Middle Eastern studies

Russian Foreign Policy under Dmitry Medvedev, 2008-2012 Valerie Pacer, 2015-11-19 Although the presidency of Dmitry Medvedev is often seen as a continuation of Vladimir Putin s presidency with the same policies applied in the same way this book disagrees arguing that Medvedev s foreign policy was significantly different from Putin s The book considers especially the relationship between Russia and the Euro Atlantic security configuration including both NATO and the Organisation for Security and Co operation in Europe a relationship of great importance to Russia given constant attention It discusses a wide variety of issues including frozen conflicts security co operation and nuclear weapons reductions highlights the different tone and approach under Medvedev exemplified especially by his draft European Security Treaty and shows how after Putin s return to the presidency there has been a shift in foreign

policy with much great emphasis on influencing Russia's immediate neighbours and on Eurasian union and less emphasis on rapprochement and co-operation

Russian Foreign Policy and the CIS Nicole J. Jackson, 2003-09-04 This book provides a systematic study of Russian foreign policy and the separatist and civil military conflicts in the former Soviet republics following the collapse of the Soviet Union

The Multilateral Dimension in Russian Foreign Policy Elana Wilson Rowe, Stina Torjesen, 2008-10-06 This book examines the place of multilateralism in Russia's foreign policy. It examines Russia's role and relationship with the G8, NATO, EU, Organization for Security and Cooperation in Europe, OSCE, Collective Security Treaty Organization and Shanghai Cooperation Organization covering a wide range of issue areas including nuclear non-proliferation and trade

Russian Foreign Policy Towards the Middle East Nikolay Kozhanov, 2022-04-28 This book sheds light on Russia's motives in the Middle East, examining its growing role in the region and its efforts to defend its national interests. As one of the first volumes to address both domestic and external drivers, it provides a valuable multi-dimensional account of Moscow's foreign policy. *Russian Foreign Policy Towards the Middle East* also traces the historical evolution of Russia's presence in the region, comparing Moscow's current vision of its diplomatic priorities with the strategic goals of the Soviet Union. Diverse case studies reveal areas of both divergence and convergence between Russia and various Middle Eastern players on a range of issues, including the Syrian Civil War, Iran's regional activities and the Yemeni conflict. In an era of renewed global tensions, this volume provides an important corrective to the notion that Russia's Cold War era confrontation with the West determines its contemporary approach to the Middle East. No less important are economic interests and domestic security considerations which push Moscow towards greater interaction with the region. Only by examining both new trends and old traditions can we understand Russia's significance as a global player today.

Explaining Russian Foreign Policy Behavior Alexander Sergunin, 2016-03-22 This book aims to explain the reasons behind Russia's international conduct in the post-Soviet era, examining Russian foreign policy discourse with a particular focus on the major foreign policy schools of Atlanticism, Eurasianism, *derzhavniki*, *realpolitik*, geopolitics, neo-Marxism, radical nationalism and post-positivism. The Russian post-Soviet threat perceptions and national security doctrines are studied. The author critically assesses the evolution of Russian foreign policy decision-making over the last 25 years and analyzes the roles of various governmental agencies, interest groups and subnational actors. Concluding that a foreign policy consensus is gradually emerging in contemporary Russia, Sergunin argues that the Russian foreign policy discourse aims not only at the formulation of an international strategy but also at the search for a new national identity. Alexander Sergunin argues that Russia's current domestic situation, defined by numerous socio-economic, inter-ethnic, demographic, environmental and other problems, dictates the need to abandon superpower ambitions and to rather set modest foreign policy goals.

Russian Foreign Policy in the 21st Century R. Kanet, 2010-10-29 After the collapse of the Soviet Union, expectations were high that a new world order was emerging in which Russia and the other former Soviet republics would join the Western community of

nations That has not occurred This volume explains the reasons for this failure and assesses likely future developments in that relationship EU-Russian Relations and the Ukraine Crisis Nicholas Ross Smith,2016-12-30 This book assesses the competitive and contentious EU Russia relationship in relation to Ukraine from 2010 to 2013 focusing on the important areas of trade energy and security The key issue explored is whether this relationship played any meaningful role in the deterioration of the situation in Ukraine since late 2013 *The “Asian Turn” in Russian Foreign Policy* Anatoly Torkunov,Dmitry Streltsov,Ekaterina Koldunova,2024-11-01 This book explores the seemingly unstoppable turn away from Europe and towards Asian powers notably China on the part of the Russian state in the early 21st century Ongoing global changes the growing complexity of international interactions and internal political dynamics in Russia have led to what has become known in Russian official and expert discourse as the Asian turn or turn to the East The monograph systemically analyzes all key directions of Russia s Asian turn and assesses achievements problems and prospects of Russian strategy in Asia in a wider international context The book might be interesting to those who are professionally studying IR international dynamics in Asia and Russian foreign policy in Asia **Russian Energy Security and Foreign Policy** Adrian Dellecker,Thomas Gomart,2011-05-03 This book provides an original and thoroughly academic analysis of the link between Russian energy and foreign policies in Eurasia as well as offering an interpretation of Russia s coherence on the international stage seeking to understand Russia and explain its behaviour The authors analyse both energy and foreign policies together in order to better grasp their correlation and gain deeper understanding of broader geopolitical issues in Eurasia at a time when things could go either way towards producers or towards consumers Questioning the concept of energy deterrence which aims to fuel uncertainty in Russia s relations with its partners as well as projecting its overall power on the international scene this provocative volume seeks to stimulate debate on this very important issue Assessing the weight that energy has in Russia s foreign policy and in its pursuit of power on the international stage this book will be of interest to students and scholars of international relations energy politics geopolitics and Russian and Central Asian Studies The Foreign Policy of the Russian Federation Alexander V. Kozhemiakin,Roger E. Kanet,2016-07-27 Providing a current assessment of the major developments in Russian foreign policy since the collapse of the Soviet Union at the end of 1991 the book begins with an examination of the emerging trends in Russian policy and the impact of domestic political and economic factors on Russian policy Succeeding chapters outline the development of Russian policy in the major geographic regions of the world the new states of the near abroad Central Europe and the Balkans the West Asia the Middle East and the developing countries **The Routledge Handbook of Russian International Relations Studies** Maria Lagutina,Natalia Tsvetkova,Alexander Sergunin,2023-02-27 This handbook examines the study of international relations IR in Russia giving a comprehensive analysis of historical theoretic conceptual geographical and institutional aspects It identifies the place and role of Russia in global IR and discusses the factors that facilitate or impede the development of Russian IR studies The

contributors represent diverse Russian regions and IR schools and offer an overview of different intellectual traditions and key IR paradigms in the post Soviet era Filling the vacuum in international understanding of the Russian perspective on pivotal international issues they demonstrate the continuity and change in Russia's international policy course over the past three decades and explain how different foreign policy schools and concepts have affected Russian foreign policy making and the decision making process Providing a unique contribution to the discussion on non Western IR theory this handbook will appeal to scholars and students of international relations Russian studies world politics and international studies *Russian Foreign Policy* Jeffrey Mankoff, 2011-10-16 Now thoroughly updated this widely praised book provides a thoughtful and balanced examination of the development of Russian foreign policy since the end of the Cold War This edition also places developments of the past two decades into the broader sweep of Russian history Jeffrey Mankoff argues that Russia's more assertive behavior since Vladimir Putin became president in 2000 has resulted from both a deep seated consensus among its elite about Russia's identity and interests as well as a favorable convergence of events including the persistence of high energy prices and the check on U S power resulting from the wars in Iraq and Afghanistan Because these factors are the result of long term trends the author argues that there is little reason to expect that the election of Dmitry Medvedev will fundamentally alter Russian foreign policy behavior Presenting an evenhanded treatment of controversial issues Mankoff analyzes Russia's interactions with major global actors including the United States the European Union the Commonwealth of Independent States and China Despite Moscow's often harsh rhetoric and the deployment of Russian forces against Georgia in 2008 the author convincingly demonstrates that there is little reason to fear a return to a Cold War like standoff with the West Instead he argues today's Russia is more interested in restoring what its leaders consider to be its rightful place among the world's major powers rather than in directly challenging the West Thoroughly researched and knowledgeable this book will be invaluable for all readers interested in Russia

Role Theory and Russian Foreign Policy Damian Strycharz, 2022-04-27 Despite the increased interest in Russia and its international behaviour current analyses leave much unexplained Damian Strycharz fills this gap in the literature by analysing leaders' perceptions and the interactions between internal and external factors shaping foreign policy decisions Challenging existing interpretations of Russian foreign policy and advancing our understanding on how role dynamics occur in non democracies Strycharz examines Russia's reactions to the 2003-4 colour revolutions in Georgia and Ukraine the Five Day War in Georgia and the Euromaidan Revolution He argues that divergent reactions to these upheavals result from a profound change in the leadership perceptions of Russia's international responsibilities Consequently a shift in the understanding of Russia's international duties and departure from the Western partner role resulted in more assertive foreign policy behaviour exemplified by the intervention in Georgia and the annexation of Crimea The book demonstrates that processes of foreign policy formation in Russia are more complex and include more actors than commonly assumed Role Theory and Russian Foreign Policy is an

ideal resource for scholars and researchers of international relations foreign policy and post Soviet politics

Regional Foreign Policies In Rus Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Regional Foreign Policies In Rus free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Regional Foreign Policies In Rus free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Regional Foreign Policies In Rus free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Regional Foreign Policies In Rus. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users

should always be cautious and verify the legality of the source before downloading Regional Foreign Policies In Rus any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Regional Foreign Policies In Rus Books

What is a Regional Foreign Policies In Rus PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Regional Foreign Policies In Rus PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Regional Foreign Policies In Rus PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Regional Foreign Policies In Rus PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Regional Foreign Policies In Rus PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
