Regional Integration In Europe And East Asia:

Regional Integration in East Asia and Europe Bertrand Fort, Douglas Webber, 2006-06-19 No existing book provides a systematic description and explanation of the differences and similarities in regional integration levels and processes in Europe and East Asia Apart from also providing a comprehensive issue based overview of political integration in the past and present in the two regions the volume provides a useful reality check to integration theorists who have developed their theories based exclusively or largely on the analysis of the European case Brings together the top scholars on regionalism in Europe and Asia

Regional Integration - Europe and Asia Compared Woosik Moon, 2017-07-05 This book examines and compares the integration process in both Europe and Asia and draws some possible lessons for East Asia from the European experience The book embraces the political dimension of integration peace and security economic trade and monetary aspects as well as cultural aspects

Globalization and Regional Integration in Europe and Asia Dr Nam-Kook Kim, 2013-04-28 This volume discusses the current trend of globalization and the main characteristics of world order focusing specifically on the destiny of the nation state the threat against human rights and conflicts between unilateral hegemony of the USA and Europe It examines the contemporary European experience and compares it with Asian reality with a view to implications for the future development of Asia It also discusses regional integration as a framework for bringing stable peace exploring detailed principles and specific forms of a regional community in Asia Contributors from Europe and Asia critically review previous literature on this topic and suggest new theoretical and empirical grounds of regional community in Asia The book takes the viewpoint of comparative civilization and experiences of European integration to offer meaningful lessons for the future of nation states and the possibility of building regional communities in Asia

Regional Integration in East Asia, 2010 Regional integration is not a new phenomenon but has become an increasingly important topic of political research with the continued expansion of the European Union as well as an increased number of regional organizations around the globe This paper will seek to use both Europe and East Asia as illustrations in order to better comprehend the driving forces behind integration as well as why some regions are further integrated than others The purpose of this research is to achieve a better understanding of what causes regional integration in hopes of developing a more inclusive theory More specifically it aims to see how integrated the region of East Asia is in particular when compared to Europe Through comparing the two regions and analyzing factors in both Europe and East Asia as determined by current integration theory this research aims to achieve a better understanding of the driving forces behind regional integration as an international phenomenon My research is an attempt to tie together the multiple existing theories of regional integration with the goal of creating a more cohesive and measurable theory With an increased understanding of regional integration we will be better able to both explain and predict integration in both Europe and East Asia as well as other less integrated regions around the world

Regional Integration in East Asia Amaleia E. Kolovos, 2010 Regional integration is not a new phenomenon but has

become an increasingly important topic of political research with the continued expansion of the European Union as well as an increased number of regional organizations around the globe This paper will seek to use both Europe and East Asia as illustrations in order to better comprehend the driving forces behind integration as well as why some regions are further integrated than others The purpose of this research is to achieve a better understanding of what causes regional integration in hopes of developing a more inclusive theory More specifically it aims to see how integrated the region of East Asia is in particular when compared to Europe Through comparing the two regions and analyzing factors in both Europe and East Asia as determined by current integration theory this research aims to achieve a better understanding of the driving forces behind regional integration as an international phenomenon My research is an attempt to tie together the multiple existing theories of regional integration with the goal of creating a more cohesive and measurable theory With an increased understanding of regional integration we will be better able to both explain and predict integration in both Europe and East Asia as well as other less integrated regions around the world

Drivers of Integration and Regionalism in Europe and Asia Louis Brennan, Philomena Murray, 2015-05-22 This book examines the drivers of regionalism and integration in both Europe and Asia and seeks to forge comparative perspectives between the two regions Comprising contributions from scholars analysts and policymakers this volume explores and debates how and why regional bodies such as the European Union EU and the Association of Southeast Asian Nations ASEAN are formed and sustained Furthermore it examines the drivers of and impediments to regionalism and integration The debates regarding what and who constitute drivers are presented in a fresh thematic and comprehensive manner Leadership and core states are also critically examined whilst material ideational and normative factors are all assessed comparatively Significantly in light of the global financial crisis the book considers the role of crisis as a driver of regionalism and integration This book will be of interest to students scholars and policymakers interested in Asian and European politics and comparative politics

The European Union and East Asia Christopher M. Dent, 1999-08-12 The world economy continues to be dominated by the Triad regions Europe North America and East Asia This text analyses the economic relationship that has evolved between two Triadic powers The EU and East Asia and its future prospects especially in the wake of the recent financial crises that have shaken the East Asian region This text argues

The Asian Way of Regional Integration Rolf J. Langhammer, 2007 **European and East Asian Regionalism** Jens-Uwe Wunderlich, 2020-10-15 Embedded in the evolving comparative regionalism literature this book offers a systematic analysis of the factors positively and negatively influencing regional institution building The ruptures caused by the Eurozone crises the coronavirus pandemic and by Brexit have renewed the interest in the impact of crises and critical junctures on regionalism here defined as regional institution building Drawing from critical juncture research and historical comparative analysis this volume uses the cases of European and East Asian regional institution building to systematically analyse institutional transformations during specific historical turning points and critical juncture moments Wunderlich's research

offers an in depth analysis of the interrelated drivers spoilers and dissolvers of regional institution building processes in Europe and East Asia and addresses key questions including Under what conditions does regionalism take hold What is influencing the initial institutional design choices What is the impact of historical experiences and well entrenched norms and ideas What are the roles of regional leaders How do external factors influence regional institution building What turns a crisis into a critical juncture and are such junctures threats or opportunities What accounts for variations in institutional responses to crisis events across different regional settings This book will be a valuable resource for scholars of regionalism region building regional governance and international relations of Europe and East Asia The Politics of Economic Regionalism K. Cai,2010-01-20 While major theories of economic regionalism in the existing literature are primarily constructed to explore institutionalized regional integration European integration in particular the analytical framework developed in this work explains the unique process and pattern of regional integration in East Asia **Regional Cooperation in South Asia and Southeast Asia** Kripa Sridharan,2007 Provides a comparative sketch of regional cooperation in South and Southeast Asia in the light of various political economic and social developments in the two regions

Regional Integration in East Asia Satoshi Amako,Shunji Matsuoka,2013 Asian regional integration which has shown remarkable progress since the end of the 1990s is at a major crossroads It faces confusion of and debate over the direction and effectiveness of integration as well as friction brought about by the rise of China Meanwhile the changing balance of power among nations the rise of nonstate actors the internationalization of internal problems and the internalization of international problems are rendering the cross national structure of Asia increasingly complex and multilayered Signs of instability of the global economy are growing and environmental and resource challenges are deepening East Asia needs new approaches to understanding the state of regional integration and mechanisms to address the challenges Regional Integration in East Asia is the culmination of five years of intensive research on Asian regional integration by Waseda University It reexamines theoretical approaches to comprehending the actual state of integration in the region and presents the most compelling ones It also examines the state of cooperation in Asia in areas ranging from the economy to energy and the environment security and education In addition the book offers long term historical perspectives including those of Japan ASEAN and China on Asian regional integration Thus it sheds light on diverse aspects levels of analysis and time spans and offers a comprehensive portrayal of the actual condition of Asia and the state of attempts to build regional cooperation and institutions This volume will open a new research frontier in Asian regional integration research The EU, ASEAN and Interregionalism L. Allison,2015-01-31 Using a framework of norm diffusion to determine the EU s international actorness in the context of its relations with ASEAN this book provides a timely and in depth analysis of EU ASEAN relations By investigating three aspects of regionalism support by the EU it presents a comprehensive account of norm diffusion between the EU and ASEAN Europe, East Asia and APEC Peter Drysdale,David Vines,1998-05-21 This book is the first in a major

new series examining Global Economic Institutions and contrasts regional economic integration in the Asia Pacific Region and in Europe In the Asia Pacific Region regionalism is developing by means of open regionalism which is different from the regionalism which has developed in Europe through the construction of a single European Market and Monetary Union within the European Union In the light of this contrast a number of important contemporary policy questions are considered

Paths to Regionalisation Sophie Boisseau Du Rocher, Bertrand Fort, 2005 The aim of this book is to explain the different experiences in region building in Europe and East the two regions of the world that are making major contributions to the experience and theory of region building Europe and East Asia have evolved in different ways with different logics and mechanisms but it does not mean they do not have common interests or things to learn from one another This book seeks to contribute to a better understanding of the experiences and challenges in both regions and to stimulate a much needed reflection of the benefits of regions to harness globalisation EU-ASEAN Relations in the 21st Century D. Novotny, C. Portela, 2012-10-17 Escaping the economic and security centered approaches prevalent in contemporary U S debate the contributors explore political relations between the European Union EU and Association of Southeast Asian Nations ASEAN Their inter disciplinary perspectives touch on domains such as security comparative integration human rights energy

Europe and Asia P. Murray, 2008-10-23 Much more than a simple examination of EU Asia relations this book examines the idea that the EU may constitute a model for East Asian regionalism It challenges specialists on the EU to understand the EU s impact on Asia and Asia s impact on the EU whilst illustrating that there is a commonality of interests in both Europe and Asia

International Economic Integration And Asia Michael G Plummer, Erik Jones, 2006-11-07 Regional economic integration has become a key force in international commercial policy in the 2000s Europe has traditionally embraced regionalism the United States became actively involved in preferential trading arrangements only in the 1980s While Asia has been late in accepting formal regional economic integration accords all Asian countries are now in the process of creating various free trade areas and other forms of economic integration programs and some are already in place This volume analyzes the regionalism trend from an Asian perspective It considers the lessons from and the economic implications of various economic integration programs in the OECD mostly the EU but also NAFTA as well as the proposals for closer economic integration in the region itself Chapters deal with both real and financial integration issues China, East Asia and the European Union, 2016-11-21 In China East Asia and the European Union specialist authors from both Europe and Asia reflect on the dynamic relationship between the three actors from an International Relations perspective The book is a testimony to China s seemingly unstoppable rise both in the East Asian region and in the relationship with the EU and its member states The authors investigate why the economic links between the European Union and East Asia have become so firmly established while in comparison the political bond has remained underdeveloped They conclude that the crises the EU is currently facing seriously affect its manoeuvring space vis a vis China and its neighbours both economically and politically
