Regional Problems Problem Regions And Public Policy In The U K

Paul Balchin, Maureen Rhoden

Regional Problems Problem Regions And Public Policy In The U K:

Regional Policy in Britain Paul N. Balchin, 2021-07-11 Originally published in 1990 this book examines the extent to which the north south divide in the UK has been a reality in recent years It also reveals the degree to which the gap between the two parts of Britain has worsened An issue of enduring relevance particularly given the political drive to level up the regions the book focusses particularly on the 1980s a period when regional assistance became a victim of both monetarism and free market ideology The book reviews legislation and considers whether regional policy has been effective and consistent To widen the debate the author questions some common assumptions about regional imbalance and argues that intraregional disparities and the plight of Inner London were causes of concern no less serious than the problem of the north south imbalance

Regional Identity and Behavior Max Sugar, 2012-12-06 The author proposes that the four earliest British North American colonies in the United States promoted the development of distinct regional identities and that this cultural legacy affected identity development as well as behavioral patterns differently in each region He compares data from the North American colonies to the situation in England and discovers that the findings in the latter's eight standard regions are very similar to those in the United States

Regional Development in the 1990s Ron Martin, Peter Townroe, 2013-10-18 This book documents the changing nature and challenge of regional development in Britain and Ireland in the final decade of this century In the first half of this book region by region profiles review the experience of the eighties and reflect on the present climate assessing problems and opportunities The second half provides 25 commentaries on changes influencing the development of regions from questions of industry technology and employment to the impact of national policy and 1992 and the prospects and capacity for regional policy and development

Strategic Planning for Regional Development in the UK Harry T.
