Regulation And Development:

Regulation and Development Jean-Jacques Laffont,2005-03-10 Providing the first theoretical analysis of regulation of public services for less developed countries LDCs Jean Jacques Laffont demonstrates how the debate between price cap regulation and cost of service regulation is affected by the characteristics of LDCs Laffont develops a new theory of regulation with limited enforcement capabilities and discusses the delicate issue of access pricing in view of LDCs specificities His evaluation of the different ways to organize the regulatory institutions makes a significant contribution to the field

Regulation and Development Jean-Jacques Laffont,2005-03-10 In Regulation and Development Jean Jacques Laffont provides the first theoretical analysis of regulation of public services for developing countries He shows how the debate between price cap regulation and cost of service regulation is affected by the characteristics of less developed countries LDCs and offers a positive theory of privatization that stresses the role of corruption He develops a new theory of regulation with limited enforcement capabilities and discusses the delicate issue of access pricing in view of LDC s specificities In the final chapter he proposes a theory of separation of powers which reveals one of the many vicious circles of underdevelopment made explicit by the economics of information Based on organization theory and history and using simple empirical tests wherever possible Professor Laffont offers a comprehensive evaluation of the different ways to organize the regulatory institutions and opens up a rich new research agenda for development studies
