A.

Smith, Michael L. Gulker, 2018-01-02 As Christians engage controversial cultural issues we must remember that all things hold together in Christ Col 1:17 even when it comes to science and faith. In this anthology top Christian thinkers including Robert Barron, Timothy George, Stanley Hauerwas, Alasdair MacIntyre, Mark Noll, and N.T. Wright invite us to find resources for faithful creative thinking in the riches of the church's theological heritage and its worship traditions.      **God's Companions** Samuel Wells, 2008-04-15 We are pleased to announce that *God's Companions* by Samuel Wells has been shortlisted for the 2007 Michael Ramsey Prize for theological writing [www.michaelramseyprize.org.uk](http://www.michaelramseyprize.org.uk). Grounded in Samuel Wells' experience of ordinary lives in poorer neighborhoods, this book presents a striking and imaginative approach to Christian ethics. It argues that Christian ethics is founded on God, on the practices of human community, and on worship, and that ethics is fundamentally a reflection of God's abundance. Wells synthesizes dogmatic, liturgical, ethical, scriptural, and pastoral approaches to theology in order to make a bold claim for the centrality of the local church in theological reflection. He considers the abundance of gifts God gives through the practices of the Church, particularly the Eucharist. His central thesis, which governs his argument throughout, is that God gives his people everything they need to worship him, be his friends, and eat with him. Wells engages with serious scholarly material yet sets out the issues lucidly for a student audience.

**The Complete Works of C. H. Spurgeon, Volume 33** Spurgeon, Charles, 2015-03-26 Volume 33 Sermons 1938 2000 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is

enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon *The Whitby repository, or album of local literature* ,1867 **Fire in My Bones** Glenn Hinson,2010-11-24 Glenn Hinson focuses on a single gospel program and offers a major contribution to our understanding not just of gospel but of the nature of religious experience A key feature of African American performance is the layering of performative voices and the constant shifting of performative focus To capture this layering Hinson demonstrates how all the parts of the gospel program work together to shape a single whole joining speech and song performer and audience testimony prayer preaching and singing into a seamless and multifaceted service of worship Personal stories ground the discussion at every turn while experiential testimony fuels the unfolding arguments Fire in My Bones is an original exploration of experience and belief in a community of African American Christians but it is also an exploration of African American aesthetics the study of belief and the ethnographic enterprise The Henry Drummond Reader Henry Drummond,2013-05-20 Henry Drummond was one of the first writers to try to reconcile religion and science His evangelical lectures drew standing room only crowds in the biggest and smallest venues throughout the world His messages are as inspiring today as they were when he first delivered them This omnibus edition contains all of his most important works Here are dozens of his lectures papers addresses and books Included are Stones Rolled Away and Other Addresses The New Evangelism and Other Papers The Ideal Life and Other Unpublished Addresses The Ascent of Man Natural Law in the Spiritual World The Greatest Thing in the World and Other Addresses A Life for A Life and Other Addresses The Changed Life The City Without a Church Beautiful Thoughts From Henry Drummond The Program of Christianity and much much more Each One Reach One Babbie Mason,2024-08-06 This energizing highly interactive book from Grammy nominated recording artist and two time Dove Award winner Babbie Mason inspires us to share our God story with confidence Many of us want to talk about our faith with others but we feel unprepared and uncomfortable Written for Christians who long to live with more boldness and purpose Each One Reach One equips us to Find our own unique style of talking about Jesus Approach evangelism with enthusiasm rather than a sense of obligation Anticipate opportunities for telling others about Christianity Use Scripture and reflection questions to draw closer to God s heart Experience the joy of seeing others as Christ sees us Sharing our story of Jesus doesn t have anything to do with rote lines preachy words or guilty feelings As Babbie shows us it has everything to do with listening well practicing compassion and demonstrating Christ s joy Includes free streaming access to bonus videos *Rehearsals for Judgment* Stuart McCutcheon,2009-04 Before the foundation of the world God knew even the end of mankind For our understanding God unveils Scriptures which provide those illustrations that in particular give us insight as to the details of future events as forecasted in the Scriptures Those forecasts are precise models of future events to be experienced in this world as though God had choreographed them for us
