Relationships Made By God:

The Love of God Christopher W. Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted. The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God's love. Featuring contributions from well-known evangelical scholars, this multi-disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology, biblical theology, apologetics, pastoral theology, and ethics. The contributors, including D. A. Carson, Andreas J. K.stenberger, Raymond C. Ortlund Jr., Robert L. Plummer, and many others, address a variety of issues related to how God's love is expressed in the Old and New Testaments, the Trinity, apologetics, Christian living, social justice, and more. This addition to the Theology in Community series will promote clear, sound thinking about what Scripture means when it declares that God is love. Part of the Theology in Community series. *Relationships Made by God* Paul M. Stevens, 1999-01-01

Marriages Made in Heaven Dan Evangelist Jones III, 2008-11 Marriage made in heaven is more about what you do than what you say. Many have vowed much but vouched for little. Pastor Dan E. Jones III. Today's thought of marriage is antiquated, out-dated, old-school, and believed not necessary or convenient. Television watching has bombarded our minds with images of cheating, broken, uncommitted, selfish, and shackled-up relationships. Also in this 21st-century television programming with its images have fortified itself in the minds of our generation as strongholds nullifying the desire for marriage as well as blinding the appreciation for what God requires in Christian and married relationships. Marriage is the transparency of salvation, and salvation of marriage; you can trace relationship troubles in one; it will speak of the identical trouble in the other. Fear not, faithful, through this anointed book, God is revealing what he desires to see in married and saved relationships. The cover is blown on the enemy's tactics that cause many to despise holy matrimony and to settle for compromising, convenient, and unholy relationships with God and your spouse. Marriages that are made in heaven and like salvation have their identity and internal workings in Christ. Christ is the Author and Procurer of them both. The copyrights belong to Him; therefore, his divine intent and requirements are still effective and still in effect. When you look at God's redemptive plan for relationships, marriage, and salvation has identical DNA. How do we obtain the type of marriage God has ordained for us? Identify the Twins. Understanding the Engagement Process. Knowing What Love Have to Do With It.

If God Made the Universe, Who Made God? Holman Bible Publishers, 2012-02-01 Perhaps you remember being in a university class feeling frustrated when the respected professor dismissed questions from a student because of her religious faith. Or maybe over a business lunch one of your colleagues referred to Christianity as a fairytale and you said nothing. Many Christians find themselves in such situations but don't speak up because they don't fully realize the strength of their own position. They feel incapable of giving reasons for the hope that is theirs. Christian apologetics is the discipline and growing body of knowledge that equips believers to address their own doubts, to converse with seekers and critics from a position of strength, and to bear witness to Christ with confidence. In the spirit of the title question, *If God Made the Universe, Who Made*

Moloney, SDB,2023-06-13 No other book of the New Testament has attracted as much attention from commentators as the Fourth Gospel It has stirred minds hearts and imaginations from Christianity s earliest days In The Gospel of John Francis Moloney unfolds the identifiable point of view of this unique Gospel narrative and offers readers heirs to its rich and widely varied interpretative traditions relevance for their lives today The Gospel of John s significance for Christianity has been obvious from the time of Irenaeus It was also fundamental in the emergence of Christian theology especially in the trinitarian and christological debates that produced the great ecumenical Councils from Nicaea to Chalcedon What sets this commentary on the Fourth Gospel apart from others is Moloney s particular attention to the narrative design of the Gospel story He traces the impact the Johannine form of the Jesus story has made on readers and explicates the way in which the author has told the story of Jesus Through this he demonstrates how the Gospel story articulates a coherent theology christology and ecclesiology *Loving Creation* Gary Chartier,2022-09-27 Is it true that all we need is love Does love capture the essence of Christian ethics Does a love centered ethic need to be impartial in a way that leaves no room at ground level for relationships and projects What is the place of well being in an ethic of love Loving Creation The Task of Moral Life seeks to answer these questions by showing how a love ethic and an ethic of creation are not at odds but rather reinforce each other Gary Chartier articulates a love centered creation ethic or a creation centered love ethic and applies it to such issues as sex economic life love for enemies and political order In the book Chartier offers a powerful alternative both to natural law theories that seem to lose sight of the welfare of actual people and to the accounts of Christian love that embrace an alienating impartiality He develops an understanding of Christian love as focused on creation that can contribute effectively to enriching both social practices and personal lives Loving Creation is unabashedly theological But the theological considerations it adduces are ones that will allow Christians to engage in the public sphere with adherents of other religious traditions and of none It is a contribution not only to theological understanding but also to personal moral reflection to church practice and to Christian participation in public life **An Exposition of the Several Epistles Contained in the New Testament ... and the Revelation ...** Matthew Henry,1721 **The Book of Common Prayer, and Administration of the Sacraments** Protestant Episcopal church in the United States,1891
