Risky Relationships Dane Cunningham, 2004-10 Have you ever made a bad choice in a relationship Why do some of our family members have a hard time relating to us Are the problems that exist between you and your colleagues at work your fault or theirs Why do some single people want to be married and some married people want to be single Risky Relationships will inspire you to look at all types of relationships from a biblical perspective It will illustrate that if your horizontal relationships with others are not contingent on your vertical relationship with God they will be at risk of failure We will see that our relationships will be successful as long as they line up with God and His divine purpose for our lives 365 Days of Friendship BroadStreet Publishing Group, LLC, 2022-09-06 One of the most precious things about life is the gift of friendship Receiving a kind word from a friend can make all the difference in your day Good friends believe the best about you and often have an inspired beautifully timed way of expressing it The sincere words of an encouraging friend bring life As you read these devotions and Scriptures be inspired to live with gratitude in your heart and praise on your lips Meditate on friendships that produce life and peace Evaluate each day in the light of God's truth and thank him for your good friends As you quiet yourself before him be filled with his life giving joy so you can pour it out on others Speak life into a friend each day of the year and brighten the world with love *Interreligious Reflections, Six Volume Set* Alon Goshen-Gottstein, 2018-08-08 This set includes all six volumes of Interreligious Reflections ABOUT VOLUME ONE Friendship is an outcome of as well as a condition for advancing interfaith relations However for friendship to advance there must be legitimation from within and a theory of how interreligious relations can be justified from the resources of different faith traditions Friendship Across Religions explores these very issues seeking to develop a robust theory of interreligious friendship from the resources of each of the participating traditions It also features individual cases as models and precedents for such relations in particular the friendship of Gandhi and Charlie Andrews his closest personal friend Contributors Balwant Singh Dhillon Timothy J Gianotti Alon Goshen Gottstein Maria Reis Habito Ruben L F Habito Ryan McAnnally Linz Stephen Butler Murray Eleanor Nesbitt Anantanand Rambachan Meir Sender Johann M Vento and Miroslav Volf ABOUT VOLUME TWO This book tackles the core problem of how painful historical memories between diverse religious communities continue to impact even poison present day relations Its operative notion is the healing of memory developed by John Paul II Chapters explore how painful memories of yesteryear can be healed and so address some of the root causes Strategies from six different faith traditions are brought together in what is in some ways a cross religious brainstorming session that identifies tools to improve present day relations

At the other pole of the conceptual axis of this book is the notion of hope. If memory informs our past, hope sets the horizon for our future. How does the healing of memory open new horizons for the future? And what is the notion of hope in each of our traditions that could lead to a common vision of good? Between memory and hope, this book seeks to offer a vision of healing that can serve as a resource in contemporary interfaith relations.

ABOUT VOLUME THREE: The essays collected here, prepared by a think tank of the Elijah Interfaith Academy, explore the challenges associated with sharing wisdom, learning, teachings, messages for good living. How should religions go about sharing their wisdom? These chapters, representing six faith traditions—Jewish, Christian, Muslim, Hindu, Sikh, and Buddhist—explore what wisdom means in each of these traditions, why and how it should be shared internally and externally, and the role of love and forgiveness in sharing. This book offers a theory that can enrich ongoing encounters between members of faith traditions by suggesting a tradition-based practice of sharing wisdom while preserving the integrity of the teaching and respecting the identity of anyone with whom wisdom is shared.

ABOUT VOLUME FOUR: All the world's religions are experiencing rapid change due to a confluence of social and economic global forces. Factors such as the pervasive intrusion of globalizing political and economic developments, polarized and morally equivalent presentations seen in the media, and the sense of surety demanded in and promised by a culture dominated by science are some of the factors that have placed extreme pressure on all religious traditions. This has stimulated unprecedented responses by religious groups ranging from fundamentalism to the syncretistic search for meaning. As religion takes on new forms, the balance between individual and community is disrupted and reconfigured. Religions often lose the capacity to recall their ultimate purpose or lead their adherents toward it. This is the situation we call the crisis of the holy. It is a confluence of threats, challenges, and opportunities for all religions. This volume explores the contours of pressures, changes, and transformations and reflects on how all our religions are changing. By identifying commonalities across religions as they respond to these pressures, *The Crisis of the Holy* recommends ways religious traditions might cope with these changes and how they might join forces in doing so.

ABOUT VOLUME FIVE: The chapters collected in this book, prepared by a think tank of the Elijah Interfaith Academy, address the subject of religious leadership. The subject is of broad relevance in the training of religious leaders and in the practice of religious leadership. As such, it is also germane to religious thought, where reflections on religious leadership occupy an important place. What does it mean to be a religious leader in today's world? To what degree are the challenges that confront religious leadership today the same perennial challenges that have arrested the attention of the faithful and their leaders for generations, and to what degree do we encounter challenges today that are unique to our

day and age One dimension is surely unique and that is the very ability to explore these issues from an interreligious perspective and to consider challenges opportunities and strategies across religious traditions Studying the theme across six faith traditions Christianity Islam Judaism Sikhism Hinduism and Buddhism The Future of Religious Leadership World Religions in Conversation recognizes the common challenges to present day religious leadership Contributors Awet Andemicael Timothy J Gianotti Alon Goshen Gottstein Anantanand Rambachan Maria Reis Habito Meir Sendor Balwant Singh Dhillon Miroslav Volf VOLUME SIX One of the biggest challenges for relations between religions is the view of the religious Other The question touches the roots of our theological views The Religious Other Hostility Hospitality and the Hope of Human Flourishing explores the views of multiple religious traditions on how to regard otherness How does one move from hostility to hospitality How can hospitality be understood not simply as social hospitality but as theological hospitality making room for the religious Other on theological grounds What is our vision for the flourishing of the Other while respecting his otherness This volume is an exercise in constructive interreligious theology By including Abrahamic and non Abrahamic traditions it approaches these challenges from multiple perspectives highlighting commonalities in approach and ways in which one tradition might inspire another Contributors Vincent J Cornell Alon Goshen Gottstein Richard P Hayes Lord Rabbi Jonathan Sacks Deepak Sarma Stephen W Sykes Dharma Master Hsin Tao Ashok Vohra **Singleness and the Church** Jana Marguerite Bennett, 2017-07-21 Despite the fact that almost half of all Americans are single singleness remains an often overlooked oddity in American culture and in Christian communities Christians ought to be the people who most support singleness given what scripture and tradition suggest but this does not seem to be the case In this exciting new book Jana Marguerite Bennett examines a variety of usually forgotten models of singleness the never married the casually uncommitted the committed but unmarried the same sex attracted the widowed the divorced and the single parent Each chapter in Singleness and the Church takes one of these models and considers the cultural commentary Christian debate and a holy guide figures like Paul Augustine Aelred of Rievaulx Elizabeth Ann Seton and Dorothy Day in order to offer a new perspective on singleness the church and what it means to be a single Christian disciple In Singleness and the Church Bennett provides a fresh new theology of single life a starting point for restoring singleness in all its amazing varieties to its rightful place in Christian tradition *The Ace and Aro Relationship Guide* Cody Daigle-Orians, 2024-10-21 Should I be upfront with someone I m interested in that I m ace or aro How do I get people to respect my boundaries around intimacy What if I don t want intimacy at all It is selfish to pursue a relationship if I don t want romance These questions are not only a source of deep anxiety and frustration for ace and aro people but limit the heights that ace and aro folks believe they can reach for in their lives These questions make us believe that we should settle for less when in fact we all deserve more Whether we re talking about friendships romantic relationships casual dates or casual intimate partners this guide will help you not only live authentically in your ace and aro identity but joyfully share it with others The American Friend ,1926 **The Christian**
