Relative Sins Anne Mather,1996 *Relative Sins* Cynthia Victor,1994-01-01 **Absolute Truth for a Relative World** Dennis Dinger,2010-11-24 It is difficult these days to hear or read and decide what is true and what is false It seems like there are a lot of lies and deceptions floating about Some are lies Mostly rather people are telling the truth as they perceive it relative truth So as Pilate asked Jesus What is truth Where does one go in the 21st Century to discern truth from falsehood The answer is to the Bible God speaks in absolutes always has always will The answers to most of mankind s questions can be found in the Word of God This book is a study of truth as it appears in the Bible It behooves mankind especially Christians to familiarize themselves with the Word of God Otherwise they can be blown about tossed and scattered like fall s leaves dancing to every little breeze We all want to be well grounded solid individuals Knowing God and the truths of His Word can produce that result This book should provide many answers especially the one to Pilate s question
