K. Matthews, 2024-08-20 A central question for Judeo Christian faithful is Are we living in the age of antichristism or kingdom influence Can we salt and light entire cities and civilizations as Martin Luther King Jr hoped or with D L Moody should we simply save as many as we can from our rapidly sinking planet Over the years Christians have wrestled with the question and reached different conclusions Augustine's and Oliver O Donovan's answer to the question birthed The City of God and The Desire of Nations Miguez Bonino s and Grace Ji Sun Kim s Marxist influenced liberationist answers produced Toward a Christian Political Ethics and the post truth Intersectional Theology Former socialist Michael Novak s plea was to revive The True Spirit of Democratic Capitalism Jonathan Cahn and Frank Peretti by contrast predicted that we have entered the age of

This Present Darkness amidst The Return of the Gods Peretti s and Cahn s wildly popular future visions built upon Hal Lindsey s dated assurance and false prediction that true believers would be raptured in the last decade of The Terminal Generation 1980s Douglas Matthews offers a new route through the maze and discerningly answers this perennial question by boldly offering a Third City future vision option for effective kingdom influence amidst accelerating global antichristism

The Message Behind the Movie—The Reboot Douglas Beaumont, 2022-04-11 When it comes to movies people of faith often focus on negative assessments of the film industry and certain style elements that they find objectionable such as violence nudity or harsh language While these criticisms are important they are not the whole story A film's message and its method are not always the same thing By discussing the cinematic techniques and the genre considerations filmmakers use to communicate their ideas this book helps Catholics and other Christians to become informed viewers Douglas Beaumont shows how to evaluate the stories that movies tell and how to discern what they say about reality God and what it means to be human At the same time he illustrates how movie watchers can engage in thoughtful lively discussions about not only film but also the big questions in life Zionism Vs. the West Jonas E. Alexis, 2018-04-03 A person can be brought into bondage in two different ways by force or by his own will Force is a crude way of bringing a person into submission but using the persons own free will can be done sophistically and covertly Under the banner of democracy and freedom America has been under the bondage of what E Michael Jones has aptly called sexual liberation and political control for over fifty years In the first two volumes of the trilogy Alexis explored these ideological themes In this last volume he expands on some of those pernicious ideas emphasizing how Zionism for over sixty years has shaken the moral philosophical and intellectual foundation of much of Western culture The Iraq War alone will cost America at least six trillion dollars and as if to prove that America is still in bondage the oppressors continue to use sophisticated means to seduce Americans so that perpetual wars will never cease to exist in the Middle East and in much of the world This book will seek to address these and related issues and in the process tell us something about the fundamental nature of reality and how to approach this cosmic conflict which has dominated the West for over a thousand years Intentional Parenting Tad Thompson, 2011-02 There are thousands of books on how to live the Christian life At lest couple of dozen of these books involving family life and child training are well worth reading This book will allow you to take what you have read and all the sermons teachings and exhortations you have received on family discipleship and make sense of it Book jacket
