**Wonderful** Stephen Kendrick,Alex Kendrick,Amy Parker,2019-08-06 If you asked a group of kids to describe themselves how would they reply Probably with their names ages or favorite sports who they are on the outside But what about who they are on the inside Do they know they are unique made new and loved children of God This book for middle grade readers focuses their identity right back where it belongs on their hearts and souls and minds reflecting the glory of the One who made them Featuring fun full color illustrations each short essay and activity will help kids discover their worth in God and learn that their true identity is nothing short of wonderful      Angels, Mysteries, and Miracles Bruce G Epperly,2017-08-14 There is a tendency among modern Christians to avoid comment on the idea of miracles or mysterious events that might indicate the direct intervention of God There is an even more pronounced belief that modern liberal or progressive Christians will avoid these ideas A God who is distant the source of everything is acceptable but the idea of supernatural activity is embarrassing at best There is virtually no room for theological discussions of angels demons and paranormal experiences Bruce Epperly is a process theologian and a leading thinker in progressive Christian theology and he believes we need to take another look at God and God s involvement in the universe in which we live Rather than finding ways to defend the intrusive interventions of a distant supernatural God in the traditional sense of the word miracle Bruce sees God as closer so close in fact that God is part of all events God providentially acts in all things not in terms of outside intervention but through
