Power Over Serpents Isaac Newton Corns, 2025-05-06 Power over Serpents is a bold identity driven declaration of victory for every believer who knows Christ lives in them now Written in the first person this book equips me to crush every lie every fear and every work of the devil without apology or hesitation I do not walk in survival I walk in dominion I tread on serpents daily confront deception with truth and burn with the fire of the Holy Ghost The serpent was defeated at the cross and because Christ is in me I live as the enforcer of that finished victory This book is my call to never back down to walk in full authority and to keep crushing serpents until the end The Serpent and the Soul Katie Souza, 2024-09-03 Healing cannot happen unless you confront the demonic strongholds attacking you After reading this book you will discover the strategies of Python and Leviathan identify their primary targets and learn how to defeat them You will gain confidence and understanding to sever the strongholds gripping your life Instead of being constricted by serpent spirits you will walk free in the power of Christ Jesus gave us the power to trample serpents and have authority of the power of the enemy in Luke 10:19 Isaiah 27:1-3 identifies Leviathan as a twisting fleeing serpent This spirit operates in relationships at all levels and twists people's words shooting darts between people and causing division Not only does it ruin relationships but healing minister Katie Souza believes it ruins our health and our daily lives The Serpent and the Soul shows you the many ways we allow the Leviathan serpent spirit into our lives and the impact it has on us Python is another serpent spirit and it constricts our finances and causes lack and misalignment in our lives and our physical bodies So many misunderstand or overlook the connection between idolatry witchcraft and these serpent spirits and the impact they have on our bodies Souza has seen this time and time again throughout her years of ministry But there is good news You can break the serpents deadly grip through genuine repentance of pride unforgiveness and other doors these spirits use to gain access to your life Your relationships can thrive again and you can prosper and live in health and peace This book will impart biblical understanding of Python Leviathan and other serpent spirits and provide you with powerful prayers and spiritual tools for breaking free from their control God's healing restoration and prosperity are available to you when you break the connection of the serpent and the soul **The Rise of the Serpents** Raymond Tolman, 2018-06-01 In this second volume of The Serpent Trilogy following The Family at Serpiente the history detectives discover the relationship between serpents and the ancient cultures of the Americas uncovering the predictable histories of growth and collapse due to the serpents Sensing imminent danger

that nurture As Gabriella Gutierrez y Muhs points out in her insightful introduction not only has Viramontes's work not yet received the broad critical engagement it richly deserves but there remains a monumental gap in the interpretations of Chicana literature that reach mainstream audiences *Rebozos de Palabras* addresses this void by focusing on how the Chicana image has evolved through Viramontes's body of work With a foreword by Sonia Saldivar Hull this collection addresses Viramontes's entire oeuvre through newly produced articles by major literary critics and emerging scholars who engage Viramontes's writing from multiple perspectives *In Other Words: Literature by Latinas of the United States* Roberta Fernàndez, 1994-01-01 Roberta Fernàndez has gathered the best and most representative examples of fiction poetry drama and essay currently being written by Latina writers of the United States The work is arranged by genre and topics are as varied as the voices and styles of the writers the challenge of living in two cultures experiencing marginality as a result of class ethnicity and or gender Latina feminism the celebration of one's culture and its people Most of the pieces are in English and some are presented bilingually in English and Spanish A preface and an introduction by the editor and a foreword by the noted critic of Latin American literature Jean Franco serve to contextualize the writers and their work a primary and secondary bibliography serves as an appendix *Chicana Without Apology* Eden E. Torres, 2013-09-13 By approaching Chicana issues from the frames of feminism social activism and cultural studies and by considering both lived experience and the latest research Torres offers a more comprehensive understanding of current Chicana life Through compelling prose Torres masterfully weaves her own story as a first generation Mexican American with interviews with activists and other Mexican American women to document the present fight for social justice and the struggles of living between two worlds
