The Healing Power of God Bill Vincent, 2023-04-03 God has released His healing power through many of the most powerful ways and now is being released in this powerful book The purpose of this Book is to present some important principles of healing which may help you as you step out in faith and begin laying hands on the sick The information in this Book might be different than what you have always been taught but consider keeping an open mind in case God wants to reveal something new to you Check these things against the Bible don t just believe what I say or what other people have said The Power of Releasing Wayne Kniffen, 2023-05-22 Releasing others does not change the past it changes you

Wayne Kniffen a pastor of more than fifty years shares that powerful message in The Power of Releasing In straightforward language he answers important questions such as What really happens when we choose not to forgive or release people who have abused used or hurt us in some way How can we avoid becoming attached to the very people we want to get away from What does forgiveness mean and why is it so hard to forgive The author argues that forgiving and letting go of anger resentment grudges and even revenge is required for us to move forward in life Forgiving someone does not mean that you agree with what they did to you But it does mean that you refuse to let their actions hold you back One of the most dangerous things you can do to your emotional and spiritual health is to keep holding on to what you need to turn loose As long as you refuse to let go you ll be pulled and jerked around by what you refuse to release Releasing Your Potential Expanded Edition Myles Munroe, 2007-02-28 Here is a complete integrated principles centered approach to releasing the awesome potential trapped within you If you are frustrated by your dreams ideas and visions this book will show you a step by step Better Than Ever Dion pathway to releasing your potential and igniting the wheels of purpose and productivity Woods, 2011 God is calling out to those who are looking for more Is that you Releasing Your Potential Myles Munroe, 2011-07-28 Here is a complete integrated principles centered approach to releasing the awesome potential trapped within you If you are frustrated by your dreams ideas and visions this book will show you a step by step pathway to releasing your potential and igniting the wheels of purpose and productivity **Sharper Than a Two-Edged Sword** Andrew Wommack, 2011-04-26 Popular television host and minister Andrew Wommack shares sixteen of his best teachings in this powerful new book Teachings include sections from some of his most popular titles Better Way To Pray God Wants You Well The War is Over Believer's Authority Spirit Soul Body You ve Already Got It The True Nature of God Handbook for Christian Living Dr. Larry Ollison, 2011-12-20 A Powerful Reference Guide for the Believer Who Wants Deeper Understanding and Direction in the Quest for Victorious Daily LivingPeople rarely anticipate the dramatic changes and challenges that are just out of sight over the horizon A Christian must be prepared not just mentally but deep within so that when the storms of life threaten **The Battle for the Mind** Bishop Noel Jones, 2011-07-28 The dichotomy of this book juxtaposes success and failure while solidifying the truth that walking with God is not conflict free because the essential nature of man is a unity of two dichotomy distinct realities one physical body and spiritual soul spirit mind When the question is asked What is the mind The authors present a logical case for linking the paradigms of the mind from theology truth to philosophy the search for truth to provide a deeper understanding of two opposing forces that cause the battle between the desires of the flesh and the will of the spirit **Shifting Shadow of Supernatural Power** Julia Loren, 2011-07-28 A storm is brewing Who is ready for the coming showdown Shifting Shadows of Supernatural Power charts the storm brewing between the power of God and schemes of the enemy and encourages believers to step out of the shadows and into the Light A history of the prophetic movement in the United States combined with interviews of many well known prophetic voices such as Jill
