Religion And Culture By Michel Foucault:

Religion and Culture Michel Foucault, 1999 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company Michel Foucault and Theology James Bernauer, 2017-03-02 Whilst Foucault's work has become a major strand of postmodern theology the wider relevance of his work for theology still remains largely unexamined Foucault both engages the Christian tradition and critically challenges its disciplinary regime Michel Foucault and Theology brings together a selection of essays by leading Foucault scholars on a variety of themes within the history thought and practice of theology Revealing the diverse ways that the work of Michel Foucault 1926 1984 has been employed to rethink theology in terms of power discourse sexuality and the politics of knowledge the authors examine power and sexuality in the church in late antiquity Castelli Clark Schuld raise questions about the relationship between theology and politics Bernauer Leezenberg Caputo consider new challenges to the nature of theological knowledge in terms of Foucault's critical project Flynn Cutrofello Beadoin Pinto and rethink theology in terms of Foucault's work on the history of sexuality Carrette Jordan Mahon This book demonstrates for the first time the influence and growing importance of Foucault's work for contemporary theology **Foucault and Religion** Jeremy Carrette, 2002-09-11 This is the first major study of Michel Foucault in relation and response to religion It offers us a challenging new look at Foucault's work and addresses a religious dimension that has previously been neglected **Foucault, Christianity and Interfaith Dialogue** Henrique Pinto, 2020-11-25 Foucault Christianity and Interfaith Dialogue develops a new model for interfaith dialogue using the work of the French historian of ideas Michel Foucault The author argues that it is the injustice done to the Other by Roman Catholic Protestant and other centred and unitary models of religious pluralism that allows the introduction of Foucault's de centring of transcendence and human reason as an alternative model for understanding religious diversity and the role it ought to play in the constitution of the self and the making of society This Foucaultian approach provides a new direction for interfaith dialogue in the modern world and leads to an ethical rather than a nihilistic position while fostering a non unitary theology of religious pluralism and an open textured process of self transformation The author's original and imaginative application and expansion of Foucault's concept of the More from The Archaeology of Knowledge 1969 makes important and original contributions to academic work on Foucault and contemporary theology A Companion to Foucault Christopher Falzon, Timothy O'Leary, Jana Sawicki, 2013-04-01 A Companion to Foucault comprises a collection of essays from established and emerging scholars that represent the most extensive treatment of French philosopher Michel Foucault's works currently available Comprises a comprehensive collection of authors and topics with both established and emerging scholars represented Includes chapters that survey Foucault's major works and others that approach his work from a range of thematic angles Engages extensively with Foucault's recently published lecture courses from the Collège de France Contains the first translation of the extensive Chronology of Foucault's life and works written by Foucault's life partner Daniel Defert Includes a bibliography of Foucault's

shorter works in English cross referenced to the standard French edition *Dits et Ecrits* [The Blackwell Companion to Postmodern Theology](#) Graham Ward, 2008-04-15 This Companion provides a definitive collection of essays on postmodern theology drawing on the work of those individuals who have made a distinctive contribution to the field and whose work will be significant for the theologies written in the new millennium The definitive collection of essays on postmodern theology drawing on the work of those individuals who have made a distinctive contribution to the field Each essay is introduced with a short account of the writer's previous work enabling the reader to view it in context Discusses the following disciplines Aesthetics Ethics Gender Hermeneutics Phenomenology Heideggerians and Derrideans Edited by Graham Ward one of the most outstanding and original theologians working in the field today [The Church, Authority, and Foucault](#) Steven G. Ogden, 2017-02-03 The Church Authority and Foucault addresses the problem of the Church's enmeshment with sovereign power which can lead to marginalization Breaking new ground Ogden uses Foucault's approach to power and knowledge to interpret the church leader's significance as the guardian of knowledge This can become privileged knowledge under the spell of sovereign power and with the complicity of clergy and laity in search of sovereigns Inevitably such a culture leads to a sense of entitlement for leaders and conformity for followers All in the name of obedience The Church needs to change in order to fulfil its vocation Instead of a monarchy what about Church as an open space of freedom This book then is a theological enterprise which cultivates practices of freedom for the sake of the other This involves thinking differently by exploring catalysts for change which include critique space imagination and wisdom In the process Ogden uses a range of sources analysing discourse gossip ritual territory masculinity and pastoral power In all the work of Michel Foucault sets the tone for a fresh ecclesiological critique that will appeal to theologians and clergy alike [Religion as a philosophical matter](#) Lars Albinus, 2016-03-21 The book works out new perspectives for a philosophy of religion that aims beyond the internal questions of rationality within a theological tradition on the one hand and the outer criticism of religion from naturalistic quarters on the other Instead it places itself within a wider philosophical view in line with groundbreaking thoughts about culture and a basic human conditionality among interwar philosophers such as Ernst Cassirer Ludwig Wittgenstein Walter Benjamin and Martin Heidegger The book also offers a concrete interpretation of examples of religious phenomena displaying a human world relation that centers on issues of truth name and habitation Finally lines are drawn to Jean Luc Nancy's current rethinking of Christianity **Foucault in Iran** Behrooz Ghamari-Tabrizi, 2016-08-08 Were the thirteen essays Michel Foucault wrote in 1978 1979 endorsing the Iranian Revolution an aberration of his earlier work or an inevitable pitfall of his stance on Enlightenment rationality as critics have long alleged Behrooz Ghamari Tabrizi argues that the critics are wrong He declares that Foucault recognized that Iranians were at a threshold and were considering if it were possible to think of dignity justice and liberty outside the cognitive maps and principles of the European Enlightenment Foucault in Iran centers not only on the significance of the great thinker's writings on the revolution but also on the profound

mark the event left on his later lectures on ethics spirituality and fearless speech Contemporary events since 9 11 the War on Terror and the Arab Uprisings have made Foucault s essays on the Iranian Revolution more relevant than ever Ghamari Tabrizi illustrates how Foucault saw in the revolution an instance of his antiteleological philosophy here was an event that did not fit into the normative progressive discourses of history What attracted him to the Iranian Revolution was precisely its ambiguity Theoretically sophisticated and empirically rich this interdisciplinary work will spark a lively debate in its insistence that what informed Foucault s writing was not an effort to understand Islamism but rather his conviction that Enlightenment rationality has not closed the gate of unknown possibilities for human societies *The Sex Lives of Saints* Virginia Burrus,2010-08-03 Has a repressive morality been the primary contribution of Christianity to the history of sexuality The ascetic concerns that pervade ancient Christian texts would seem to support such a common assumption Focusing on hagiographical literature Virginia Burrus pursues a fresh path of interpretation arguing that the early accounts of the lives of saints are not antierotic but rather convey a sublimely transgressive countereroticism that resists the marital procreative ethic of sexuality found in other strands of Christian tradition Without reducing the erotics of ancient hagiography to a single formula *The Sex Lives of Saints* frames the broad historical theological and theoretical issues at stake in such a revisionist interpretation of ascetic eroticism with particular reference to the work of Michel Foucault and Georges Bataille David Halperin and Geoffrey Harpham Leo Bersani and Jean Baudrillard Burrus subsequently proceeds through close performative readings of the earliest *Lives of Saints* mostly dating to the late fourth and early fifth centuries Jerome s *Lives of Paul Malchus Hilarion and Paula* Gregory of Nyssa s *Life of Macrina* Augustine s portrait of Monica Sulpicius Severus s *Life of Martin* and the slightly later *Lives of so called harlot saints* Queer s m and postcolonial theories are among the contemporary discourses that prove intriguingly resonant with an ancient art of saintly loving that remains in Burrus s reading promisingly mobile diverse and open ended *Religion after Secularization in Australia* Timothy Stanley,2015-09-01 Religion s persistent and new visibility in political life has prompted a significant global debate One of this debate s key features concerns the nature and impact of secularization This collection of essays draws together leading sociologists historians philosophers of religion and political theorists in order to provide a broad and up to date account of religion after secularization Contributors explore the meaning and conceptual legacies of religion as well as the unique features of the Australian case such as religion as it relates to law education gender media and radical political movements Intervening in the current debate this book provides summative accounts of the historical cultural and legal interactions that have informed Australia s relationship to religion and secularization Contributors critically analyze and engage with secular political theory concerning the public sphere while also dissecting deliberative politics and democratic practices This book propels the debate over religion s place in public life in new directions and promotes urgently needed public understanding Foucault in Iran, 1978-1979 Johann Beukes,2020-12-31 In 1978 Michel Foucault went to Iran as a distinguished intellectual but novice

political journalist controversially reporting on the unfolding revolution undeniably compromising and wounding his reputation in the European intellectual community Given the revolution's bloody aftermath and its violent theocratic development is Foucault's Iranian expedition simply to be understood as a critical error in judgement with disastrous consequences for his legacy What exactly did Foucault hope to achieve in Iran in 1978-1979 explicitly supporting the cause of the revolting masses and effectively isolating himself from the European intellectual community and the Western liberal tradition The book investigates this open nerve in the Foucault scholarship by interpreting Foucault's primary texts from this period commenting on the various positions in the scholarship over the past three decades and eventually proposes that Foucault's mistake resulting from his self-consciousness and uncertainty was indeed a highly philosophical endeavour but was completely misinterpreted by his contemporaries and even his most noteworthy biographers The issue of Foucault's involvement in Iran is still a relatively unexplored theme in Foucault research and one that is actually bypassed by the majority of Foucault scholars since the general view is that it was a breathtaking mistake comparable to Heidegger's flirtation with National Socialism This book will provide value and advance knowledge in this area firstly by presenting the three concepts that are in my opinion key to understand Foucault's involvement in the Iranian revolution Otherness Present history and Political spirituality Secondly by providing a thorough overview of what really happened in Iran after Foucault arrived in Tehran in September 1978 and what really happened was not conforming to the West's idea of progression but an Iranian idea of progression on its own terms Thirdly by disseminating Foucault's reports back to France in a detailed and forensic fashion Fourthly by providing a solid overview of the interpretations on this issue however reluctant and scarce from the scholarship over the past three decades Fifthly by presenting Foucault's involvement in the Iranian revolution not as a mistake or a critical error in judgement but as a deeply philosophical position that actually corresponds to many of Foucault's theoretical positions on power death madness uncertainty spirituality Orientalism and Otherness preceding the revolution in Iran The detailed historical overview of Foucault's involvement in the Iranian revolution the responsible and non-polemical overview of the scholarship's attempts to deal with the issue and the author's original interpretation and presentation of the legitimacy of Foucault's presence in Iran from September 1978 to April 1979 In an age where it has become urgent to reinterpret both Shia and Sunni legacies within the context of radicalised Islam the book argues for a Foucaultian recognition of the Orient Other as nothing more than An Other Self

The Cambridge Companion to Foucault Gary Gutting, 2005-07-18

For Michel Foucault philosophy was a way of questioning the allegedly necessary truths that underpin the practices and institutions of modern society He carried this out in a series of deeply original and strikingly controversial studies on the origins of modern medical and social scientific disciplines These studies have raised fundamental questions about the nature of human knowledge and its relation to power structures and have become major topics of discussion throughout the humanities and social sciences The essays in this volume provide a comprehensive overview of Foucault's major themes and

texts from his early work on madness through his history of sexuality Special attention is also paid to thinkers and movements from Kant through current feminist theory that are particularly important for understanding his work and its impact This revised edition contains five new essays and revisions of many others and the extensive bibliography has been updated

Readings in the Theory of Religion Scott S. Elliott, Matthew Waggoner, 2016-06-16 *Readings in the Theory of Religion* brings together classic and contemporary texts to promote new ways of thinking about religion The texts reflect the diverse methods used in the study of religion text and textuality ritual the body gender and sexuality religion and race religion and colonialism and methodological and theoretical issues in the study of religion *Readings in the Theory of Religion* is an indispensable introduction to theoretical and interdisciplinary approaches in religious studies and provides the student with all the tools needed to understand this fascinating and wide ranging field

Foucault, Art, and Radical Theology Petra Carlsson Redell, 2018-07-27 Michel Foucault wrote prolifically on many topics including art religion and politics He also eloquently articulated how power structures are formed and how they also might assist resistance and emancipation This book uses the hermeneutical lens of Foucault's writings on art to examine the performative material and political aspects of contemporary theology The borderland between philosophy theology and art is explored through Foucault's analyses of artists such as Diego Velázquez Édouard Manet René Magritte Paul Rebeyrolle and Gérard Fromanger Here special focus is placed on performativity and materiality or what the book terms the mystery of things At successive junctures the book discovers a postrepresentational critique of transcendence an enigmatic material sacramentality playful theopolitical accounts of the transformative force of stupidity and nonsense and political imagery in motion enabling theological interpretations of contemporary collectives such as Pussy Riot and the Sisters of Perpetual Indulgence In conversation with contemporary thinkers including Catherine Keller Louise Marie Chauvet John Caputo Daniel Barber Mark C Taylor Jeffrey W Robbins and Mattias Martinson the book outlines this source of inspiration for contemporary radical theology This is a book with a fresh and original take on Foucault art and theology As such it will have great appeal to scholars and academics in theology religion and the arts the philosophy of religion political philosophy and aesthetics

Theory for Religious Studies William E. Deal, Timothy K. Beal, 2004-11 *Theory for Religious Studies* presents the key theoretical influences on religious studies since the 1960s an essential guide to the figures and ideas animating religious studies today Drawing on their complementary knowledge of Eastern and Western religious traditions William Deal and Timothy Beal begin with four foundational figures Marx Nietzsche Saussure and Freud and go on to provide guided introductions to Althusser Bakhtin Barthes Bataille Baudrillard Benjamin Bourdieu Butler Cixous Deleuze and Guattari Derrida Foucault Gadamer Irigaray Kristeva Lacan Lefebvre

Foucault, Buddhism and Disciplinary Rules Malcolm Voyce, 2016-12-01 This book suggests that previous critiques of the rules of Buddhist monks Vinaya may now be reconsidered in order to deal with some of the assumptions concerning the legal nature of these rules and to provide a focus on how Vinaya texts may have actually

operated in practice Malcolm Voysce utilizes the work of Foucault and his notions of power and subjectivity in three ways First he examines The Buddha s role as a lawmaker to show how Buddhist texts were a form of lawmaking that had a diffused and lateral conception of authority While lawmakers in some religious groups may be seen as authoritative in the sense that leaders or founders were coercive or charismatic the Buddhist concept of authority allows for a degree of freedom for the individual to shape or form themselves Second he shows that the confession ritual acted as a disciplinary measure to develop a unique sense of collective governance based on self regulation self governance and self discipline Third he argues that while the Vinaya has been seen by some as a code or form of regulation that required obedience the Vinaya had a double nature in that its rules could be transgressed and that offenders could be dealt with appropriately in particular situations Voysce shows that the Vinaya was not an independent legal system but that it was dependent on the Dharma stra for some of its jurisprudential needs and that it was not a form of customary law in the strict sense but a wider system of jurisprudence linked to Dharma stra principles and precepts

Reviving the Children of Nimrod A. Pinn,2019-06-12 As Anthony Pinn argues in his latest collection humanism comes in many colors When more attention is given to issues of race as connected to other forms of oppression it is easier to see the manner in which humanism has lived and functioned within African American communities Using the biblical figure Nimrod as symbol African American Humanist Principles demonstrates African American humanists intellectual and praxis related grounding in a history of rebellion against over determined and oppressive limitations on human doing and being Pinn maintains that it is this quest for a fuller sense of being for greater existential and ontological worth that informs the basic principles of African American humanism African American Humanist Principles is one of the only books to present the inner workings of humanist principles as the foundation for humanism from the African American perspective its form and content nature and meaning

Reclaiming Spirit in the Black Faith Tradition D. Hicks,2012-10-31 This work attempts to uncover the function of religion for those degraded on the basis of race Accordingly Recalibrating Spirit reveals the role of religion in critical reflection on and active protest against negative assertions about racial identity in general and the abuse of black life in particular

Monasteries and the Care of Souls in Late Antique Christianity Paul C. Dilley,2017-09-07 In Monasteries and the Care of Souls in Late Antique Christianity Paul C Dilley explores the personal practices and group rituals through which the thoughts of monastic disciples were monitored and trained to purify the mind and help them achieve salvation Dilley draws widely on the interdisciplinary field of cognitive studies especially anthropology in his analysis of key monastic cognitive disciplines such as meditation on scripture the fear of God and prayer In addition various rituals distinctive to communal monasticism including entrance procedures the commemoration of founders and collective repentance are given their first extended analysis Participants engaged in heart work on their thoughts and emotions which were understood to reflect the community s spiritual state This book will be of interest to scholars of early Christianity and the ancient world more generally for its detailed description of communal

monastic culture and its innovative methodology

Religion And Culture By Michel Foucault Introduction

In today's digital age, the availability of Religion And Culture By Michel Foucault books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Religion And Culture By Michel Foucault books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Religion And Culture By Michel Foucault books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Religion And Culture By Michel Foucault versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Religion And Culture By Michel Foucault books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Religion And Culture By Michel Foucault books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Religion And Culture By Michel Foucault books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Religion And Culture By Michel Foucault books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Religion And Culture By Michel Foucault books and manuals for download and embark on your journey of knowledge?

FAQs About Religion And Culture By Michel Foucault Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Religion And Culture By Michel Foucault is one of the best book in our library for free trial. We provide copy of Religion And Culture By Michel Foucault in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Religion And Culture By Michel Foucault. Where to download Religion And Culture By Michel Foucault online for free? Are you looking for Religion And Culture By Michel Foucault PDF? This is definitely going to save you time and cash in something you should think about.
