J. Stabile**

Sexism And The Law:

Sexism and the Law Albie Sachs, Joan Hoff, 1979 *Justice and Gender* Deborah L. RHODE, Deborah L. Rhode, 2009-06-30 This is the first book to provide a comprehensive investigation of gender and the law in the United States. Deborah Rhode describes legal developments over the last two centuries against a background of historical and sociological changes in women's activities and attitudes toward these new developments. She shows the way cultural perceptions of gender influence and in turn are influenced by legal constructions and what this complicated interaction implies about the possibility or impossibility of using law as a tool of social change.

Table of Contents Introduction Part One Historical Frameworks 1 Natural Rights and Natural Roles Domesticity as Destiny The Emergence of a Feminist Movement Nineteenth Century Legal Ideology Separate and Unequal 2 The Fragmentation of Feminism and the Legalization of Difference The Postsuffrage Women's Movement Separate Spheres and Legal Thought Part Two Equal Rights in Retrospect 3 Feminist Challenges and Legal Responses The Growth of the Contemporary Women's Movement Governmental Rejoinders Liberalism and Liberation 4 The Equal Rights Campaign Instrumental Claims Symbolic Underpinnings Political Strategies Requiem and Revivals 5 The Evolution of Discrimination Doctrine The Search for Standards Separate Spheres Revisited Bona Fide Occupational Qualifications Definitions of Difference Part Three Contemporary Issues 6 False Dichotomies Benign and Invidious Discrimination in Welfare Policy Elderly Women and Social Security Special Treatment or Equal Treatment Pregnancy Maternal and Caretaking Policy Public and Private Social Welfare and Childcare Policies 7 Competing Perspectives on Family Policy Form and Substance The Marital Nonmarital Divide Lesbian Gay Rights and Social Wrongs Equality and Equity in Divorce Reform Text and Subtext in Custody Adjudication 8 Equality in Form and Equality in Fact Women and Work Occupational Inequality The Legal Response Employment Policy and Structural Change 9 Reproductive Freedom The Historical Legacy Abortion Adolescent Pregnancy Reproductive Technology 10 Sex and Violence Sexual Harassment Domestic Violence Rape Prostitution Pornography 11 Association and Assimilation Private Clubs and Public Values Education Athletics Different But Equal Conclusion Principles and Priorities Differences over Difference Differences over Sameness Theory about Theory Legal Frameworks Notes Index

Reviews of this book Rhode's work is impressive in its scholarship and its range a compelling account Josephine Shaw International and Comparative Law Quarterly Reviews of this book The definitive treatment of the American legal system's struggle to deal with issues pertaining to gender The strength of Rhode's analysis however is not its historical aspect but its probing view of modern gender issues The focus is always on the deeper forces that have led to gender disadvantage There is much to be learned from reading this volume Victoria J Dodd Bimonthly Review of Law Books Reviews of this book A comprehensive journey through the history of law and gender The book is important in a number of ways It paints in stark irrefutable colors the irrational prejudices that have served to justify legal determinations limiting equality It has the audacity to ask the law to turn on itself and work more justly Sheila James Kuehl

California Lawyer Reviews of this book Encyclopedic Thorough carefully nuanced Rhode gives all sides their fair due on every issue she takes up A valuable resource for many years to come Susan Okin Law and Social Inquiry Justice and Gender breaks the impasse created by legal and theoretical debates over sameness and difference Deborah Rhode s brilliant analysis of gender and the law in the United States from the nineteenth century to the present argues persuasively for theories rooted in careful contextual analysis and for a legal emphasis on gender disadvantage rather than gender difference This book offers a new vantage point from which to think about the role of law in building a just society Sarah M Evans University of Minnesota

Men, Law and Gender Richard Collier,2010-04-05 This book presents the first published comprehensive overview and critical assessment of the relationship between law and masculinities It provides a general introduction to the subject whilst engaging with the difficult question of what it means to speak of the masculinity of law in the first place

Gender, Sexuality and Law Chris Ashford,Alexander Maine,2024-10-03 This textbook combines pioneering feminist and queer judgments and statutes with critical and intersectional theories to provide a comprehensive overview of the field of gender sexuality and law A diverse range of socio legal experts set out the theoretical and legal foundations of the topic before examining the ongoing struggle for rights and contemporary dissenting voices **Sourcebook on Feminist**

Jurisprudence Hilaire Barnett,1996-03-26 Analyzing the relationship between feminist theories and the law this work takes as its starting point a study of women and culture on an international level which demonstrates how religious and cultural influences have been fundamental in establishing contemporary legal and social mores **Gender-Competent Legal**

Education Dragica Vujadinović,Mareike Fröhlich,Thomas Giegerich,2023-02-03 Male dominated law and legal knowledge essentially characterized the whole of pre modern history in that the patriarchy represented the axis of social relations in both the private and public spheres Indeed modern and even contemporary law still have embedded elements of patriarchal heritage even in the secular modern legal systems of Western developed countries either within the content of legislation or in terms of its implementation and interpretation This is true to a greater or lesser extent across legal systems although the secular modern legal systems of the Western developed countries have made great advances in terms of gender equality The traditional understanding of law has always been self evidently dominated by men but modern law and its understanding have also been more or less malestreamed Therefore it has become necessary to overcome the given masculinity of legal thought In contemporary legal and political orders gender mainstreaming of law has been of the utmost importance for overcoming deeply and persistently embedded power relations and gender based unequal social relations At the same time and equally importantly the gender mainstreaming of legal education to which this book aims to contribute can help to gradually eliminate this male dominance and accompanying power relations from legal education and higher education as a whole This open access textbook provides an overview of gender issues in all areas of law including sociological historical and methodological issues Written for students and teachers around the globe it is intended to provide both a general

overview and in depth knowledge in the individual areas of law Relevant court decisions and case studies are supplied throughout the book *Feminism, Law, and Religion* Marie Failinger, Elizabeth Schiltz, Susan J. Stabile, 2016-04-15 With contributions from some of the most prominent voices writing on gender law and religion today this book illuminates some of the conflicts at the intersection of feminism theology and law It examines a range of themes from the viewpoint of identifiable traditions such as Judaism Christianity Islam and Buddhism from a theoretical and practical perspective Among the themes discussed are the cross over between religious and secular values and assumptions in the search for a just jurisprudence for women the application of theological insights from religious traditions to legal issues at the core of feminist work feminist legal readings of scriptural texts on women s rights and the place that religious law has assigned to women in ecclesiastic life Feminists of faith face challenges from many sides patriarchal remnants in their own tradition dismissal of their faith commitments by secular feminists and balancing the conflicting loyalties of their lives The book will be essential reading for legal and religious academics and students working in the area of gender and law or law and religion **Executive Sexism** Elizabeth C. Wolfe, 2019-05-24 In the context of the 2016 presidential election which was rife with charges of sexist actions this book explains how common such behavior is among executives why law doesn t protect victims and how female professionals can bring change Who do you report sexism to when the offender owns the company Overt and intentional sexism against women by powerful men in politics business academia and across the white collar world in public and private institutions is common Elizabeth C Wolfe a conflict analysis and resolution specialist details how female executives even at the pinnacle of their careers remain vulnerable to their male colleagues In this book women executives from nine countries explain how their career advancement and earning potential are continuously harmed though overt sexism sexist social behavior and microaggressions those damaging behaviors that are in a gray area but are not legally actionable Wolfe further examines why law does not protect these women sexism like racism is a way of thinking and so cannot be legislated Each ism has legal protections against documentable actions but ways of thinking socializing rituals and microaggressions are not actionable by law Wolfe details the minds of sexists describes how sexism is socialized and explains how to name each sexist behavior address it and take action to stop it **The American University Journal of Gender & the Law**, 1993 *Law and Gender* Joanne Conaghan, 2013-09-05 What role does gender play in shaping the law and legal thinking This book provides an answer to this question examining the historical role of gender in law and the relevance of gender to modern jurisprudence It presents a clear concise introduction to thinking about gender issues for lawyers and law students

Gender, Power, and Representations of Cree Law Emily Snyder, 2018-04-10 Drawing on the insights of Indigenous feminist legal theory Emily Snyder examines representations of Cree law and gender in books videos graphic novels educational websites online lectures and a video game Although these resources promote the revitalization of Cree law and the principle of *miyo w c htowin* good relations Snyder argues that they do not capture the complexities of gendered power

dynamics The majority of the resources either erase women's legal authority by not mentioning them or they diminish women's agency by portraying them primarily as mothers and nurturers Although these latter roles are celebrated Snyder argues that Cree laws and gender roles are represented in inflexible aesthetically pleasing ways that overlook power imbalances and difficult questions regarding interpretations of tradition What happens when good relations are represented in ways that are oppressive Grappling with this question Snyder makes the case that educators need to critically engage with issues of gender and power in order to create inclusive resources that meaningfully address the everyday messiness of law As with all legal orders gendered oppression can be perpetuated through Cree law but Cree law is also a dynamic resource for challenging gendered oppression

Gender Perspectives in Private Law Gabriele Carapezza Figlia, Ljubinka Kovačević, Eleonor Kristoffersson, 2023-02-15 This book discusses prominent and controversial gender related issues across the fields of family law tort law labour law civil procedure law ADR and private international law An important critical assumption made by the authors is that the gender equality perspective has been largely neglected in several branches of private law since scholars researching the intersection between gender and legal studies are mostly focused on public law and human rights law In light of that the book contributes not only to the deconstruction of gender blind private law but also to the development of a gender competent analysis of the key branches of private law starting with private international law Gender perspective in family law is analyzed on the basis of gendered and heteronormative operations of family law with reference to the formation of legally recognized relationships the establishment of legal parenthood the division of marital property after a divorce and the arrangements for post separation parenting Also regulation of family matters in Indian society and the gender equality perspective from the principle of the child's best interest are considered As far as tort law is concerned the book addresses compensation for damages suffered by women performing unpaid household work Further it contains papers dedicated to the following labour law issues the genesis of labor law and its capacity to contribute either to worsening gender inequality in the world of work or to promoting gender equality gender segregation in the labour market and its connection to family friendly policies in the European Union sexual harassment at work and the impact of work digitalization on gender related labour law issues Lastly the authors analyze gender equality in civil procedural law as well as in mediation as a tool for encouraging the peaceful settlement of disputes The book is intended to improve awareness of the wide range of private law issues that are important for understanding the ways in which gender inequality shapes everyday experiences while also presenting critical considerations of the key private law instruments for achieving gender equality

Gender and Careers in the Legal Academy Ulrike Schultz, Gisela Shaw, Margaret Thornton, Rosemary Auchmuty, 2021-02-25 In the past fifteen years there has been a marked increase in the international scholarship relating to women in law The lives and careers of women in legal practice and the judiciary have been extensively documented and critiqued but the central conundrum remains Does the presence of women make a difference What has been largely overlooked in the literature is the position of

women in the legal academy although central to the changing culture To remedy the oversight an international network of scholars embarked on a comparative study which resulted in this path breaking book The contributors uncover fascinating accounts of the careers of the academic pioneers as well as exploring broader theoretical issues relating to gender and culture The provocative question as to whether the presence of women makes a difference informs each contribution

Feminism, Law, Inclusion Gayle Michelle MacDonald, Rachel L. Osborne, Charles Smith, 2005 The contributions to this collection are written by legal advocates community activists and legal scholars While the Introduction and Commentary provide a theoretical overview the ten essays examine theories of intersectionality to demonstrate how race class sexual orientation gender and identity have been integrated into legal scholarship and activism in an attempt to shape legal policy and practice Section 1 Theory in Action addresses anti racism in community legal practice the legal construction of women s sexuality as deviant the protection of sexual orientation under human rights legislation and the gender and racial characteristics of the judiciary Section 2 Organizations in Action looks at women s place in the legal profession international women s rights and disrupting discriminatory practices in the workplace Section 3 Law in Action discusses the rights of Native women racial bias in legal judgements and the recognition and protection of same sex spousal rights **Feminism Law Inclusion** is an important contribution to the ongoing development of this critical discourse McCoubrey & White's Textbook on Jurisprudence James Penner, Nigel D. White, H. McCoubrey, Emmanuel Melissaris, 2012-08-30 This textbook provides an introduction to and analysis of the major theories and controversies of jurisprudence Starting with an overview of the nature of jurisprudence then moving on to examine the theories and main protagonists in more detail it is an ideal text for undergraduate students studying the subject for the first time **Sexual Offenses in Armed Conflict and**

International Law Noëlle Quénivet, 2021-10-01 Noëlle Quénivet has constructed a valuable tool for navigating the morass of sexual offences and international law Using Bosnia Herzegovina a jumping off point she proceeds to show how over the last two decades the Western world has been swept up by a wave of feminist scholars writing about international law and more particularly humanitarian and human rights law Although these articles books and statements have covered a broad range of issues the focus has been on sexual offences and more specifically on rape in times of conflict These authors as well as NGOs supporting their ideas have made a series of assumptions concerning sexual offences in times of armed conflict On the basis of these presumptions they have claimed inter alia that international law does not adequately prohibit sexual offences and that prosecution is scarce This timely work examines whether the assumptions made by feminist scholars are solidly grounded in international law and whether their claims are still valid regarding the latest legal developments A thorough examination of the laws and the jurisprudence relating to sexual offences demonstrates that whereas before the creation of the ad hoc international criminal tribunals some of their claims were founded these claims are now partially ill founded Published under the Transnational Publishers imprint **Gender, Crime, and Justice** Erin Katherine Krafft, Jo-Ann

Della Giustina, Susan T. Krumholz, 2021-12-09 *Gender Crime and Justice* is a unique core textbook that introduces key concepts through case studies Each chapter opens with a compelling case study that illustrates key concepts followed by a narrative chapter that builds on the case study to introduce essential elements Each chapter features pedagogical elements learning objectives key terms review and study questions and suggestions for further learning and exploration In addition to the unique case study approach this book is distinctive in its inclusion of LGBTQ experiences in crime victimization processing and punishment *Gender Crime and Justice* also addresses masculinity and the role it plays in defining offenders and victims as well as challenges posed by the gender gap in offending

Feminism, Media, and the Law Martha Fineman, Martha T. McCluskey, 1997 A collection of essays that explores how the media represents women in relation to the law eg abortion race surrogacy on trial and as lawyers Deals solely with American law and media

Women and Gender in Jewish Philosophy Hava Tirosh-Samuelson, 2004-06-18 *Women and Gender in Jewish Philosophy* is the first systematic attempt to interpret the Jewish philosophical tradition in light of feminist philosophy and to engage feminist philosophy from the perspective of Jewish philosophy Written by Jewish women who are trained in philosophy the 13 original essays presented here demonstrate that no analysis of Jewish philosophy historical or constructive can be adequate without attention to gender categories The essays cover the entire Jewish philosophic tradition from Philo through Maimonides to Levinas and they rethink the subdisciplines of Jewish philosophy including metaphysics epistemology ethics political theory and theology This volume offers an invitation for a new conversation between feminist philosophy and Jewish philosophy as well as a novel contribution to contemporary Jewish philosophy Contributors are Leora Batnitzky Jean Axelrad Cahan Idit Dobbs Weinstein Claire Elise Katz Nancy Levene Sandra B Lubarsky Sarah Pessin Randi Rashkover Heidi Miriam Ravven T M Rudavsky Suzanne Last Stone Hava Tirosh Samuelson and Laurie Zoloth

U.S. Supreme Court Cases on Gender and Sexual Equality Christopher A. Anzalone, 2016-07-08 This book includes every Supreme Court case relevant to gender and sexual equality from the Court s beginnings in 1787 to the end of the 1999 2000 term It is a primary document reference book organized topically in eight chapter civic and social rights and duties educational policies and instructions employment and careers sexual privacy and procreative rights morality and sexual ethics family gender and sexual orientation and other issues Every case is included either as a full edited version of the majority or per curiam opinion extensive excerpts of the opinion or a detailed description of the case In one book a researcher can see how American legal history in its entirety played out Back matter includes a table of cases and an extensive bibliography of books and legal periodicals

Eventually, you will no question discover a additional experience and execution by spending more cash. still when? accomplish you take that you require to acquire those all needs with having significantly cash? Sexism And The Law Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sexism And The Law has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sexism And The Law has opened up a world of possibilities. Downloading Sexism And The Law provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sexism And The Law has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sexism And The Law. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sexism And The Law. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sexism And The Law, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sexism And The Law has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students,

researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sexism And The Law Books

1. Where can I buy Sexism And The Law books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
