[Shadows On The Rock by Willa Cather](#) Willa Cather, 1931 *Shadows on the Rock* is a novel by the American writer Willa Cather published in 1931. The novel covers one year of the lives of Cecile Auclair and her father Euclide, French colonists in Quebec. Like many of Cather's books, the story is driven by detailed portraits of the characters rather than a narrative plot.

Book I: The Apothecary The story opens in 1697 in Quebec. Euclide Auclair stands on Cap Diamant overlooking the river, watching as the last ship of the season returns to France. He comes down to dinner with his daughter Cecile. After dinner, Cecile feeds Blinker, a partially disabled hired man who does some of the heavy chores. Euclide Auclair came to the Quebec colony eight years prior in the service of Count de Frontenac as physician and apothecary. His wife has died after an illness, and the duties of housekeeping have devolved upon his daughter Cecile. The following day, Cecile and Euclide attend to Reverend Mother Juschereau, who has sprained her ankle. Her father replenishes the hospital supplies while Mother Juschereau tells Cecile a story.

Book II: Cecile and Jacques On market day in late October, Euclide goes to buy vegetables to store in his root cellar. A description is given of citizens growing lettuce and root vegetables in cold frames in their cellars during the long winter. He goes to the church to say a prayer and notices Jacques, the son of a dissolute woman, also saying his prayers. Cecile goes to Governor Frontenac to ask for a pair of shoes for Jacques. He praises her for her charity and industry and asks if she would like anything for herself. She asks to look at his bowl of glass fruit, and he reminisces about his experiences in Turkey where the glass was made.

Book III: The Long Winter The young Bishop Saint Vallier calls at Auclair's shop for sugared fruit. We learn that Bishop Saint Vallier has undone the system of education and parish management instituted over twenty years by Bishop Laval. Euclide does not like the young bishop because of his extravagant way of life, his snubbing of the older bishop, and because he believes Saint Vallier makes

poor decisions Euclide derides him a less like a churchman than a courtier Book IV Pierre Charron In June a fur trader named Pierre Charron calls on Euclide He tells many stories to Euclide and C cile and accompanies C cile on a visit to friends on the le d Orl ans Book V The ships from France With many of their fellow townsfolk C cile and Jacques go down to the harbor to watch as five ships arrive from France There is a general celebration C cile receives packages from her two French aunts containing clothing and jewelry C cile is scheduled to return to France when the ships leave at the end of summer but is having reservations She tells her father that she is concerned about who will look after her friend Jacques Her father takes no notice and she is quite upset She goes to the church to pray and runs into Bishop Laval to whom she relates her troubles Book VI The Dying Count The Count learns that despite his expectations he is not being recalled to France He tells Euclide that he is released from his service and may return to France but Euclide chooses to remain The Count tells Euclide that he is dying and directs him to take the bowl of glass fruit to C cile as a gift Some time later the Count passes away The two bishops resolve their differences

Ezra Pound and Poetic Influence , 2021-09-13 This collection of twenty essays investigates a series of different aspects of poetic influence in relation to the major modernist poet Ezra Pound The volume commences with five essays on matters to do with

translation and poetic influence which situate Ezra Pound as an important transitional figure between 19th century and 20th century translation strategies The next five essays consider different influences on Pound s poetry and introduce the reader to new research in a variety of areas including how specific Chinese cultural artefacts inform his poetry The following five essays explore Pound s influence on some of his major contemporaries such as Eugenio Montale and Charles Olson and also through the reading he gave her as a girl on his daughter Mary de Rachewiltz The concluding five essays exemplify different approaches to the thorny issue of Pound and politics and end with two diametrically opposed interpretations of Pound s political poetic thought The collection will be of great interest to scholars of Ezra Pound and of modern to postmodern poetry but it will also serve as a useful and lively introduction to some of the debates within Pound scholarship to students coming to his work for the first time
