Longest Night The Worst Night Of The London Blitz:

The Longest Night Gavin Mortimer, 2006-10-03 An emotionally stirring account of the single most devastating attack on London during the Blitz A captivating and important contribution History that reads like a novel Kirkus The untold story of the massive bombing raid that almost brought Britain to military collapse The Longest Night reveals just how close the Luftwaffe came to total victory On the night of May 10 1941 Nazi Germany sent some five hundred aircraft to drop more than seven hundred tons of explosives on London This vivid dramatically told account depicts how fate shifted based on Hitler's mistaken belief that he d actually lost the air war over Britain and portrays the unsurpassed we can take it bravery of the British people when they d been pushed beyond all human endurance An excellent book Gavin Mortimer has interviewed scores of survivors for his gripping narrative Andrew Roberts The Wall Street Journal **Securitizing Islam** Stuart Croft, 2012-02-09 Securitizing Islam shows how views of Muslims have changed in Britain since 9 11 following debates over terrorism identity and multiculturalism **Bomb Disposal in World War Two** Chris Ransted, 2018-01-30 For this book Chris Ransted has researched some of the lesser known events and personalities relating to the early years of Explosive Ordnance Disposal in the UK Daring acts of cold blooded bravery and ingenuity in the face of life threatening technical challenges are recounted throughout the book Included are numerous previously unpublished accounts and photographs that describe the disarming of German bombs parachute mines and even allied bombs found at aircraft crash sites In addition the book contains the most comprehensive account ever published of the Home Guards role with the Auxiliary Bomb Disposal Units and details of conscientious objectors involvement with unexploded bombs This is not only a valuable research tool for serious researchers already well read on the subject but also a fascinating read for those with no previous knowledge of wartime bomb disposal at all and of course a must read for anyone interested in the subject The Temple Church in **London** Robin Griffith-Jones, David Park, 2010 Founded as the main church of the Knights Templar in England at their New Temple in London the Temple Church is historically and architecturally one of the most important medieval buildings in England Its round nave modelled on the Holy Sepulchre in Jerusalem is extraordinarily ambitious combining lavish Romanesque sculpture with some of the earliest Gothic architectural features in any English building of its period It holds one of the most famous series of medieval effigies in the country The luminous thirteenth century choir intended for the burial of Henry III is of exceptional beauty Major developments in the post medieval period include the reordering of the church in the 1680s by Sir Christopher Wren and a substantial restoration programme in the early 1840s Despite its extraordinary importance however it has until now attracted little scholarly or critical attention a gap which is remedied by this volume It considers the New Temple as a whole in the middle ages and all aspects of the church itself from its foundation in the twelfth century to its war time damage in the twentieth Richly illustrated with numerous black and white and colour plates it makes full use of the exceptional range and quality of the antiquarian material available for study including drawings photographs and plaster casts Contributors Robin Griffith Jones Virginia Jansen Philip Lankester Helen Nicholson David Park Rosemary Sweet William Whyte Christopher Wilson **Do You Think That's Wise?** Graham McCann,2010-09-25 Best known for Dad's Army in which his Sergeant Wilson played the languid rakish foil to Arthur Lowe's pompous chippy Captain Mainwaring John Le Mesurier was one of Britain's favourite and most recognisable character actors The epitome of insouciance and languor on screen in real life this charming quietly spoken bon viveur was plagued by private turmoil and heartbreak Married three times he saw his first wife succumb to alcoholism his second the comedy diva Hattie Jacques move her lover into the family home and his third enjoy a passionate dalliance with troubled comic Tony Hancock As Graham McCann reveals in this fully authorised and moving biography as an actor John Le Mesurier was a key ingredient in the success of Britain's greatest sitcom but as a man he was far more courageous than Sergeant Wilson was ever meant to be

The Long Decade Christopher David Jenkins, Amanda Jacobsen, Anders Henriksen, 2014 The terrorist attacks of 9 11 precipitated significant legal changes over the ensuing ten years a long decade that saw both domestic and international legal systems evolve in reaction to the seemingly permanent threat of international terrorism At the same time globalization produced worldwide insecurity that weakened the nation state s ability to monopolize violence and assure safety for its people The Long Decade How 9 11 Changed the Law contains contributions by international legal scholars who critically reflect on how the terrorist attacks of 9 11 precipitated these legal changes This book examines how the uncertainties of the long decade made fear a political and legal force challenged national constitutional orders altered fundamental assumptions about the rule of law and ultimately raised questions about how democracy and human rights can cope with competing security pressures while considering the complex process of crafting anti terrorism measures Dear Helen Betty M.
