**Christianity** Colleen McDannell,1995-01-01 What can the religious objects used by nineteenth and twentieth century  
 Americans tell us about American Christianity What is the relationship between the beliefs of the faithful and the landscapes  
 they build This lavishly illustrated book investigates the history and meaning of Christian material culture in America over  
 the last 150 years Drawing on a rich array of historical sources and on in depth interviews with Protestants Catholics and  
 Mormons Colleen McDannell examines the relationship between religion and mass consumption She describes examples of  
 nineteenth century religious practice Victorians burying their dead in cultivated cemetery parks Protestants producing and  
 displaying elaborate family Bibles Catholics writing for special water from Lourdes reputed to have miraculous powers And  
 she looks at today s Christians Mormons wearing sacred underclothing as a reminder of their religious promises Catholics  
 debating the design of tasteful churches and Protestants manufacturing marketing and using a vast array of prints clothing  
 figurines jewelry and toys that some label Jesus junk but that others see as a witness to their faith McDannell claims that  
 previous studies of American Christianity have overemphasized the written cognitive and ethical dimensions of religion  
 presenting faith as a disembodied system of beliefs She shifts attention from the church and the theological seminary to the  
 workplace home cemetery and Sunday school highlighting a different Christianity one in which average Christians  
 experience the divine the nature of death the power of healing and the meaning of community through interacting with a  
 created world of devotional images environments and objects      **The Saturday Evening Post** ,1900      *The Quarterly of*

 State Volunteers was one of the great fighting regiments of the Civil War In this thorough history the author has used letters  
 diary entries and remembrances many of them previously unpublished to present a view of the war as the men in the ranks  
 saw it At Chancellorsville Gettysburg the Wilderness Spotsylvania Court House Petersburg and many more battles the  
 Orange Blossoms earned a reputation for sacrifice and bravery eloquently put into words by Private Henry Howell As he lay  
 wounded he described the charge that broke the Confederate line at Spotsylvania everyone was borne irresistibly forward
