Lord Clearys Revenge:

Lord Cleary's Revenge Miranda Cameron,1985 Lovely young Felicia Mannering engaged to marry Darcy Vellacort finds herself pursued by the irresistible dashing Earl of Cleary whose brother Darcy had killed in a duel My Lady Adventuress Roberta Eckert,1987 **Loving the Wrong Lord** Bethany M. Sefchick,2020-02-12 Lord Phineas Trew the Duke of Fullbridge must take a wife Or rather a new wife He is a widower after all However after a string of balls house parties and other social events he is no closer to selecting a young lady to become his bride and his new duchess save for one woman who is strictly off limits As the social season comes to a close Phin decides to host one last house party in a desperate attempt to find the right woman Or at least find a woman he can tolerate Lady Josephine Marshwood is not in London under the best of circumstances Her disgraced scandal attracting father the Earl of Telford has been found dead in the Thames Thankfully Josie has still been allowed entrance into Society so that she might make a decent match and she believes that she has with the Duke of Fullbridge However everyone has been quite clear that Josie needs to avoid the duke at all costs unless she wishes to stir up more gossip Taking a risk Phin invites Josie to his house party hoping that if they spend more time together he might grow bored with her or discover that they do not suit After all he is most certainly the wrong lord for her Or is he As Phin and Josie grow closer they must decide if love will win the day or if scandal and gossip will doom their chance for happiness This 77 200 word novel is written in the modern Regency romance style for a slightly hotter and sexier read It may not be appropriate for younger audiences **The Undaunted Bride** Miranda Cameron,1987 The Dissolute Duke Miranda Cameron,1986 **The Publishers' Trade List Annual** ,1985 **The Cotton Caliph** Margaret Summerville,1988 Beautiful young Lady Davinia Fitzhugh found Lord Stracham unbearable First he used wealth amassed from cotton trading to buy his title Then he had the effrontery to offer to buy Davinia s hand in marriage Davinia vowed to teach him that her love was not for sale only to discover that he had far more glittering lures than gold Original Regency romance **The Great Lady Tony** Dawn Lindsey,1986 Lady Antonia Burke was the most outrageous beauty in all the realm the gloom in her proper papa s life and the agony of her swarm of suitors Lucien St Clare was the most disgraceful lord in London having broken a legion of hearts Love between these two was an accident bound to happen and woe to the partner who relinquished the upper hand Canadiana ,1987 **Canadian Crime Fiction** David Skene Melvin,1996 **The Manchester illuminator, and general Catholic record, ed. by W.F. Cleary** William Francis Cleary,1850 **The Cooper's Wife Is Missing: The Trials Of Bridget Cleary** Joan Hoff,Marian Yates,2008-01-06 On March 15 1895 twenty eight year old Bridget Cleary a cooper s wife disappeared from her cottage in rural County Tipperary Immediately strange and lurid rumors began circulating the neighborhood about what had happened Some said she ran off with an egg seller others supposed it was an aristocratic foxhunter who had taken young Bridget away Swirling amid rumors was the barely whispered but widely held belief that Bridget had gone with no mortal man rather she had gone off with the fairies The mystery deepened when seven

days later her body was discovered bent broken and badly burned in a shallow grave Within a few days the unimaginable truth came to light for almost a week before her death Bridget had been confined ritually starved threatened physically and verbally abused exorcised and finally burned to death by her husband Michael Cleary her father and extended family who confused bronchitis with a fairy dart They had all become convinced that their Bridgie had been taken from them and her fairy possessed body left behind to deceive them In *The Cooper s Wife Is Missing* Joan Hoff and Marian Yeates make sense of this ancient rarely publicized ritual exorcism and explain how the incident went on to become a national and international incident Set against a backdrop of renewed Irish nationalism a Church crackdown on lingering pagan practices and the ongoing British humiliation of Catholic Ireland the authors deftly map the dislocating anxieties that beset the rural peasantry in late nineteenth century Ireland Bewildered and frightened by the changes occurring all around them pulled in all directions by their politicians priests landlords and English overlords the Clearys were not alone in retreating to the relative comfort of pagan ritual Drawing on first hand accounts contemporary newspaper reports police records trial testimony and a rich wealth of folklore the authors weave a mesmerizing tale that touches upon magic madness and mystery as it details day by day Bridget s ordeal and the resulting investigation This is narrative history at its evocative best It fascinates as it illuminates *Books in Print* ,1991

The Myth of Harm Sarah Cleary, 2022-12-01 Choice Outstanding Academic Title 2023 The Myth of Harm engages and analyses controversies generated by horror that examines some of the most high profile media debates around the issue of whether or not horror texts corrupt children. The horror genre has endured a long and controversial success within popular culture. Fraught with accusations pertaining to its alleged ability to harm and corrupt young people and indeed society as a whole the genre is constantly under pressure to suppress that which has made it so popular to begin with its ability to frighten and generate discussion about society's darker side. Recognising the circularity of patterns in each generational manifestation of horror censorship The Myth of Harm draws upon cases such as the Slenderman stabbing and the James Bulger murder amongst many others in order to explore the manner in which horror has been repeatedly cast as a harmful influence upon children at the expense of scrutinising other more complex social issues. Focusing on five major controversies beginning in the 1930s Golden Age of Horror Cinema and ending on a more contemporary note with Cyber Gothic horror this book identifies and considers the various myths and falsehoods surrounding the genre of horror and question the very motivation behind the proliferation and dissemination of these myths as scapegoats for political and social issues platforms for moral entrepreneurs and tools of hyperbole for the news industry.
