Love In The Machine Age A Psychological Study Of The Transition From Patriarchal Society

Frederick George Young

Love In The Machine Age A Psychological Study Of The Transition From Patriarchal Society:

Love in the Machine Age Floyd Dell, 1973 *Love in the Machine Age* Floyd Dell, 2025-01-06 First published in 1930 the object of *Love in the Machine Age* was to popularize a modern and scientific view of behavior and thereby help people to live happy and successful lives The author traces in popular language for the time the break up of the patriarchal values held by most of society and points out from the standpoint of modern psychiatric knowledge the inevitable effects upon sexual mores personality adjustments and the growth of children Topics covered include marriage parenting adolescence with special emphasis paid to the mating problems of youth Taking its lead from psychological theories prevalent at the time today it can be read in its historical context This book is a re issue originally published in 1930 The language used and views portrayed are a reflection of its era and no offence is meant by the Publishers to any reader by this re publication The

Commonwealth Review of the University of Oregon Frederick George Young, 1928 **Odd Girls and Twilight Lovers** Lillian Faderman, 2012-02-21 As Lillian Faderman writes there are no constants with regard to lesbianism except that lesbians prefer women In this groundbreaking book she reclaims the history of lesbian life in twentieth century America tracing the evolution of lesbian identity and subcultures from early networks to more recent diverse lifestyles She draws from journals unpublished manuscripts songs media accounts novels medical literature pop culture artifacts and oral histories by lesbians of all ages and backgrounds uncovering a narrative of uncommon depth and originality International Relations in Psychiatry Volker Roelcke, Paul Weindling, Louise Westwood, 2010 The decades around 1900 were crucial in the evolution of modern medical and social sciences and in the formation of various national health services systems The modern fields of psychiatry and mental health care are located at the intersection of these spheres There emerged concepts practices and institutions that marked responses to challenges posed by urbanization industrialization and the formation of the nation state These psychiatric responses were locally distinctive and yet at the same time established influential models with an international impact In spite of rising nationalism in Europe the intellectual institutional and material resources that emerged in the various local and national contexts were rapidly observed to have had an impact beyond any national boundaries In numerous ways innovations were adopted and refashioned for the needs and purposes of new national and local systems *International Relations in Psychiatry* Britain Germany and the United States to World War II brings together hitherto separate approaches from the social political and cultural history of medicine and health care and argues that modern psychiatry developed in a constant though not always continuous transfer of ideas perceptions and experts across national borders Contributors John C Burnham Eric J Engstrom Rhodri Hayward Mark Jackson Pamela Michael Hans Pols Volker Roelcke Heinz Peter Schmiedebach Mathew Thomson Paul J Weindling Louise Westwood Volker Roelcke is professor and director at the Institute for the History of Medicine Giessen University Germany Paul J Weindling is professor in the history of medicine Oxford Brookes University UK Louise Westwood is honorary research reader University of Sussex UK

Hollywood romantic comedy Kathrina Glitre, 2013-07-19 This book explores the changing representation of the couple focusing on themes of marriage equality and desire Kathrina Glitre moves beyond the usual screwball territory to consider cycles of production from 1934 to 1965 The central concern with the representation of the couple is distinctive and includes discussion of three star couples Myrna Loy and William Powell Katharine Hepburn and Spencer Tracy and Doris Day and Rock Hudson Glitre offers explanations of genre as well as detailed analysis of screwball comedy career woman comedy and sex comedy Each cycle is placed into context to analyse cultural discourses around heterosexuality gender romance and love This structure also enables a more sophisticated understanding of such conventions as masquerade gender inversion and the happy ending The book will appeal to university students and academics working on genre gender culture and representation and anyone with a keen interest in Hollywood romantic comedy

Routledge Library Editions: Feminist Theory

Various, 2021-08-07 Routledge Library Editions Feminist Theory brings together as one set or individual volumes a series of previously out of print classics from a variety of academic imprints With titles ranging from *The Liberation of Women* to *Feminists and State Welfare* from *Married to the Job* to *Julia Kristeva* this set provides in one place a wealth of important reference sources from the diverse field of gender studies

Textbook of Applied Psychoanalysis Salman Akhtar, Stuart Twemlow, 2020-09-10 The *Textbook of Applied Psychoanalysis* is a unique and original contribution to the field of psychoanalysis Emphasizing and underscoring the need for interdisciplinary discourse in understanding the dialectical relationship between mind and culture this volume addresses a multiplicity of realms These include anthropology religion philosophy history as well as evolutionary psychology medicine race poverty migration and prejudice Dimensions of social praxis such as education health policy and cyberpsychology are also addressed The enrichment of our understanding of the fine arts e g painting sculpture poetry and performing arts e g music dance cinema by the application of psychoanalytic principles and the enhancement of psychoanalysis by bringing such arts to bear upon it also form areas of this book's concern This magisterial volume brings distinguished psychoanalysts philosophers musicians poets businessmen architects and movie critics together to create a chorus of modern anthropologically informed and culturally sensitive psychoanalysis

An American Obsession Jennifer Terry, 2010-12-15 Drawing on original research from medical texts psychiatric case histories pioneering statistical surveys first person accounts legal cases sensationalist journalism and legislative debates Jennifer Terry has written a nuanced and textured history of how the century old obsession with homosexuality is deeply tied to changing American anxieties about social and sexual order in the modern age Terry's overarching argument is compelling that homosexuality served as a marker of the abnormal against which malleable tenuous and often contradictory concepts of the normal were defined One of the few histories to take into consideration homosexuality in both women and men Terry's work also stands out in its refusal to erase the agency of people classified as abnormal She documents the myriad ways that gays lesbians and other sexual minorities have coauthored resisted and transformed the most powerful and authoritative

modern truths about sex Proposing this history as a useable past *An American Obsession* is an indispensable contribution to the study of American cultural history **Twentieth Century American Literature** Warren French,1980-11-01 Making Marriage Modern Christina Simmons,2009-04-10 The nineteenth century middle class ideal of the married woman was of a chaste and diligent wife focused on being a loving mother with few needs or rights of her own The modern woman by contrast was partner to a new model of marriage one in which she and her husband formed a relationship based on greater sexual and psychological equality In *Making Marriage Modern* Christina Simmons narrates the development of this new companionate marriage ideal which took hold in the early twentieth century and prevailed in American society by the 1940s The first challenges to public reticence to discuss sexual relations between husbands and wives came from social hygiene reformers who advocated for a scientific but conservative sex education to combat prostitution and venereal disease A more radical group of feminists anarchists and bohemians opposed the Victorian model of marriage and even the institution of marriage Birth control advocates such as Emma Goldman and Margaret Sanger openly championed women's rights to acquire and use effective contraception The companionate marriage emerged from these efforts This marital ideal was characterized by greater emotional and sexuality intimacy for both men and women use of birth control to create smaller families and destigmatization of divorce in cases of failed unions Simmons examines what she calls the flapper marriage in which free spirited young wives enjoyed the early years of marriage postponing children and domesticity She looks at the feminist marriage in which women imagined greater equality between the sexes in domestic and paid work and sex And she explores the African American partnership marriage which often included wives employment and drew more heavily on the involvement of the community and extended family Finally she traces how these modern ideals of marriage were promoted in sexual advice literature and marriage manuals of the period Though male dominance persisted in companionate marriages Christina Simmons shows how they called for greater independence and satisfaction for women and a new female heterosexuality By raising women's expectations of marriage the companionate ideal also contained within it the seeds of second wave feminists demands for transforming the institution into one of true equality between the sexes **Captains Of Consciousness Advertising And The Social Roots Of The Consumer Culture** Stuart Ewen,2008-08-01 *Captains of Consciousness* offers a historical look at the origins of the advertising industry and consumer society at the turn of the twentieth century For this new edition Stuart Ewen one of our foremost interpreters of popular culture has written a new preface that considers the continuing influence of advertising and commercialism in contemporary life Not limiting his critique strictly to consumers and the advertising culture that serves them he provides a fascinating history of the ways in which business has refined its search for new consumers by ingratiating itself into Americans everyday lives A timely and still fascinating critique of life in a consumer culture *New and Improved* John C. Spurlock,Cynthia Magistro,1998-08 As the Victorian era drew to a close women began moving out of the home and into a public realm long claimed by men Drawing on

diaries letters and memoirs of women from a wide range of backgrounds and geographic regions this volume offers insights into middle class women s experiences of American culture in the transition between the Victorian era and 20th century modern life Photos

Margaret Mead Nancy C. Lutkehaus,2018-06-26 Never doubt that a small group of thoughtful committed citizens can change the world Margaret Mead This quotation found on posters and bumper stickers and adopted as the motto for hundreds of organizations worldwide speaks to the global influence and legacy of the American anthropologist Margaret Mead 1901 78 In this insightful and revealing book Nancy Lutkehaus explains how and why Mead became the best known anthropologist and female public intellectual in twentieth century America Using photographs films television appearances and materials from newspapers magazines and scholarly journals Lutkehaus explores the ways in which Mead became an American cultural heroine Identifying four key images associated with her the New Woman the Anthropologist Adventurer the Scientist and the Public Intellectual Lutkehaus examines the various meanings that different segments of American society assigned to Mead throughout her lengthy career as a public figure The author shows that Mead came to represent a new set of values and ideas about women non Western peoples culture and America s role in the twentieth century that have significantly transformed society and become generally accepted today Lutkehaus also considers why there has been no other anthropologist since Mead to become as famous Margaret Mead is an engaging look at how one woman s life and accomplishments resonated with the issues that shaped American society and changed her into a celebrity and cultural icon

Feminism and Its Discontents Mari Jo BUHLE,Mari Jo Buhle,2009-06-30 With Sigmund Freud notoriously flummoxed about what women want any encounter between psychoanalysis and feminism would seem to promise a standoff But in this lively often surprising history Mari Jo Buhle reveals that the twentieth century s two great theories of liberation actually had a great deal to tell each other Starting with Freud s 1909 speech to an audience that included the feminist and radical Emma Goldman Buhle recounts all the twists and turns this exchange took in the United States up to the recent American vogue of Jacques Lacan While chronicling the contributions of feminism to the development of psychoanalysis she also makes an intriguing case for the benefits psychoanalysis brought to feminism From the first American psychoanalysis became the property of freewheeling intellectuals and popularists as well as trained analysts Thus the cultural terrain that Buhle investigates is populated by literary critics artists and filmmakers historians anthropologists and sociologists and the resulting psychoanalysis is not so much a strictly therapeutic theory as an immensely popular form of public discourse She charts the history of feminism from the first wave in the 1910s to the second in the 1960s and into a variety of recent expressions Where these paths meet we see how the ideas of Freud and his followers helped further the real life goals of a feminism that was a widespread social movement and not just an academic phenomenon The marriage between psychoanalysis and feminism was not pure bliss however and Buhle documents the trying moments most notably the Momism of the 1940s and 1950s a remarkable instance of men blaming their own failures of virility on women An ambitious and highly

engaging history of ideas *Feminism and Its Discontents* brings together far flung intellectual tendencies rarely seen in intimate relation to each other and shows us a new way of seeing both

Table of Contents Introduction Feminism Freudianism and Female Subjectivity Dissent in Freud's Ranks Culture and Feminine Personality Momism and the Flight from Manhood Ladies in the Dark Feminists versus Freud Feminine Self in Relation The Crisis in Patriarchal Authority In the Age of the Vanishing Subject Notes Acknowledgments Index Reviews of this book

Where some feminists have been hostile to psychoanalysis and some psychoanalysts have been hostile to feminism Buhle a MacArthur Fellow and professor at Brown University finds them linked in their quest to understand selfhood gender identity family structures and sexual expression *Feminism and Its Discontents* is an excellent guide to the history of these ideas The struggles of feminism and psychoanalysis may be cyclical but they are far from over and far from dull Elaine Showalter Washington Post Book World Reviews of this book Buhle's project is to uncover the continual conversation that feminism and psychoanalysis have had with one another to show how they are mutually constitutive By charting the exchanges between psychoanalysis and feminism *Feminism and Its Discontents* corrects the common impression that feminist criticisms fell on deaf if not disdainful ears Buhle takes pains to detail how feminists and their opponents inside and outside psychoanalysis have set the terms for key debates Buhle is an animated and engaged storyteller The story she tells covering nearly a century of the vicissitudes of psychoanalysis and feminism is full of twists and turns well chosen anecdotes and occasional double crosses The cast of characters is inspiring exasperating remarkable mercurial colorful and sometimes slightly loony Buhle draws them with sympathy and a keen eye for the evocative detail Buhle writes with zest touches of humor and energy Her style is witty and readable It is no mean feat to avoid ponderous and technical language when writing about psychoanalysis but she manages it All told psychoanalysis and feminism sometimes in tandem and sometimes at arm's length have made vital contributions to the question of female selfhood The odd couple of our century they share a large part of the responsibility for our particular form of self consciousness and for the meaning of individuality in modern society Mari Jo Buhle deftly illuminates how together they advanced the ambiguous and radical project of modern selfhood Jeanne Marecek Women's Review of Books Reviews of this book *Feminism and Its Discontents* sets out to unravel the wondrously complex love hate relationships between and within feminism and psychoanalysis which it sees as the two most important movements of modernity The twists and tensions in that relationship highlight the continuous arguments around sexual difference and their entanglement in the messy conflicts in women's lives between motherhood and careers self realization and gender justice Buhle leads her readers through the repeated battles over feminism Freudianism and female subjectivity with exceptional clarity and care Her book will serve as a reliable introduction for those who have scant knowledge of the historical ties binding feminism to psychoanalysis and is also useful for those who wish to remind themselves of what they thought they already knew but may well have forgotten Lynn Segal Radical Philosophy Reviews of this book *Feminism and Its Discontents* adds a novel and welcome twist to the

Freud conversation the proposition that feminism was so central to Freud's Americanization that the quest for gender equality can be credited with turning psychoanalysis into what we imagine it always was an enterprise centered on femininity and female sexuality Buhle's assertions are as enticing as they are controversial The book is as relevant for students of feminist politics as for scholars interested in the history of psychoanalysis itself Ellen Herman *Journal of American History* Reviews of this book An exhaustively researched and accessibly written account of the intersections and collisions between psychoanalysis and feminism Buhle chronicles the gyrations of history and assesses how social theory influences culture and vice versa The result is far reaching and she is at her best when reflecting on how the mainstream accommodates and interprets the scholarly Overall the text promises a lively overview of the mutual benefits derived from a critical coalition between psychoanalysis and feminism Highly recommended for all libraries Eleanor J Bader *Library Journal* Reviews of this book Buhle bases her intriguing and expansive historical study on the premise that feminism and psychoanalytic theory each in its own way concerned with understanding the self developed in continuous dialogue with each other The author's captivating energetic writing style reflects the often spirited surprisingly tenacious relationship of these two theories from their emergence as unlikely bedpartners of Modernism through the shifting intellectual patterns of this century and the insidious mother blaming of the 50s to the contemporary postmodern paradigm of subjectivity and selfhood Combining thorough research and incisive analysis Buhle examines the ongoing discourse among Freudian new Freudian and feminist theorists throughout the century as well as the endless fascination of popular culture with the questions of biology versus culture difference versus equality A vital addition to both women's studies and psychology collections Grace Fill *Booklist* Reviews of this book *Feminism and Its Discontents* covers a dazzling spectrum of thinkers and polemicists ranging from Charlotte Perkins Gilman to Barbara Ehrenreich with admirable clarity and succinctness Buhle's reach in terms of American and French classical neo and post Freudian writing by men and women on women's psychosexual development is equally impressive Few scholars would attempt a comprehensive intellectual history on such a charged topic Buhle has done so in this informative scholarly feat *Kirkus Reviews* Reviews of this book Buhle has bridged the void between feminism and psychoanalysis with a historian's thorough and penetrating interpretation of theories and thoughts implicit in 20th century liberation movements The introduction is clearly developed and carefully documented Each chapter is skillfully organized with extensive references and notes to motivate the astute scholar There is no question that Buhle has adeptly used a multidisciplinary approach to present ideas and thoughts that give contemporary feminists and post Freudians another opportunity for dialogue on the terms difference and equality G M Greenberg *Choice* Feminism and psychoanalysis have each been defining moments of this now fading century and in their tangled relations lie some of its main preoccupations It takes a historian's eye to unravel this story and one with the breadth sympathy insight and wit of Mari Jo Buhle to do it justice *Feminism And Its Discontents* will undoubtedly stand as the definitive study of the encounter between these two great

movements Joel Kovel Bard College author of *Red Hun* **The History of Men** Michael S. Kimmel, 2012-02-01 In this collection one of the world's leading scholars in the field of masculinity studies explores the historical construction of American and British masculinities Tracing the emergence of American and British masculinities the forms they have taken and their development over time Michael S Kimmel analyzes the various ways that the ideology of masculinity the cultural meaning of manhood has been shaped by the course of historical events and in turn how ideas about masculinity have also served to shape those historical events He also considers newly emerging voices of previously marginalized groups such as women the working class people of color gay men and lesbians to explore the marginalized and de centered notions of masculinity and the political processes and dynamics that have enabled this marginalization to occur **Cold War Femme** Robert J. Corber, 2011-01-27 Interpretations of Hollywood films of the 1950s and 1960s demonstrate how Cold War homophobia focused on the femme as the lesbian who posed the greatest threat to the nation [Pennsylvania Library Notes](#), 1916 [Pennsylvania Library and Museum Notes](#), 1927 [Sexual Behavior in the Human Female](#) Alfred C. Kinsey, Wardell B. Pomeroy, Clyde E. Martin, Paul H. Gebhard, 1998-05-22 The groundbreaking Kinsey Report study on female sexuality from one of the most influential figures in American intellectual history The New York Times Originally published in 1953 the material presented in *Sexual Behavior in the Human Female* was derived from personal interviews with nearly 6 000 women from studies in sexual anatomy physiology psychology and endocrinology The study revealed the incidence and frequency with which women participate in various types of sexual activity and how such factors as age decade of birth and religious adherence are reflected in patterns of sexual behavior The authors make comparisons of female and male sexual activities and investigate the factors which account for the similarities and differences between female and male patterns of behavior and provide some measure of the social significance of the various types of sexual behavior It shocked the world in 1953 with its explicit revelations Countries banned it Churches berated it Some scholars scoffed but it was an instant success selling 270 000 copies in less than a month Kinsey made headlines around the globe with his findings on such things as masturbation sex before marriage and adultery CBSNews com

Embracing the Tune of Expression: An Mental Symphony within **Love In The Machine Age A Psychological Study Of The Transition From Patriarchal Society**

In some sort of used by monitors and the ceaseless chatter of instant transmission, the melodic beauty and mental symphony produced by the written term often disappear in to the back ground, eclipsed by the relentless noise and interruptions that permeate our lives. Nevertheless, set within the pages of **Love In The Machine Age A Psychological Study Of The Transition From Patriarchal Society** an enchanting fictional treasure full of organic thoughts, lies an immersive symphony waiting to be embraced. Constructed by an outstanding musician of language, this captivating masterpiece conducts viewers on a psychological journey, well unraveling the concealed songs and profound affect resonating within each carefully constructed phrase. Within the depths of this emotional examination, we shall explore the book is main harmonies, analyze its enthralling writing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
