Amatoria Jason Potter, 2022-01-04 *Amatoria* is partly a disclosure partly a veil and partly a revelation incorporating the poetic discovery of God as experienced by the living and the dying alike Man knows nothing of death and love until he is clothed in such yet God is always willing to facilitate the transport of life out of one and into the other *Amatoria* is sublime in its obscurity It has been well said that the devil led the author a little way farther up in the medulla of the brain But it is enough to know that in the self indulgent disorder of the 21st century God still kills the old way

The Death Penalty, Volume II Jacques Derrida, 2017-05-31 In the first volume of his extraordinary analysis of the death penalty Jacques Derrida began a journey toward an ambitious end the first truly philosophical argument against the death penalty Exploring an impressive breadth of thought he traced a deeply entrenched logic throughout the whole of Western philosophy that has justified the state's right to take a life He also marked literature as a crucial place where this logic has been most effectively challenged In this second and final volume Derrida builds on these analyses toward a definitive argument against capital punishment Of central importance in this second volume is Kant's explicit justification of the death penalty in the *Metaphysics of Morals* Thoroughly deconstructing Kant's position which holds the death penalty as exemplary of the eye for an eye Talionic law Derrida exposes numerous damning contradictions and exceptions Keeping the current death penalty in the United States in view he further explores the anesthetical logic he analyzed in volume one addressing the themes of cruelty and pain through texts by Robespierre and Freud reading Heidegger and in a fascinating improvised final session the nineteenth century Spanish Catholic thinker Donoso Cort's Ultimately Derrida shows that the rationality of the death penalty as represented by Kant involves an imposition of knowledge and calculability on a fundamental condition of non knowledge that we don't otherwise know what or when our deaths will be In this way the death penalty acts out a phantasm of mastery over one's own death Derrida's thoughts arrive at a particular moment in history when the death penalty in the United States is the closest it has ever been to abolition and yet when the arguments on all sides are as confused as ever His powerful analysis will prove to be a paramount contribution to this debate as well as a lasting entry in his celebrated oeuvre

Hilsman,2007-03-05 In Intimate Spirituality The Catholic Way of Love and Sex Gordon J Hilsman presents sexual loving as integral to rather than separate from most people s spiritual lives His coalescing of intimate love with traditional Catholic concepts virtues capital sins fruits of the Spirit sacraments augments the pervasively moral view of sex with a spiritual perspective that highlights its beauty and power to shape the virtue of peoples lives Seeing sexual attraction as built into humanity by the Creator to feed and challenge virtually all persons worldwide he illustrates how intimate loving is actually a neglected aspect of Christian spirituality that has never been developed as fully as the individual and the communal Hilsman calls upon theologians and spiritual leaders to further develop the understanding of intimate loving as a genuinely beautiful spiritual aspect of life Many Christians Catholics and Protestants alike who take both their love lives and their Christian faith seriously will find the positive healthy view of sexuality presented in this book illuminating and helpful So will those who counsel them An Intimate Wilderness Norman Hallendy,2016-09-19 Arctic researcher author and photographer Norman Hallendy s journey to the far north began in 1958 when many Inuit who traditionally lived on the land were moving to permanent settlements created by the Canadian government In this unique memoir Hallendy writes of his adventures experiences with strange Arctic phenomena encounters with wildlife and deep friendships with Inuit elders Very few have worked so closely with the Inuit to document their traditions and in this book Hallendy preserves their voices and paints an incomparable portrait of a vibrant culture in a remote landscape **The Peoples' Companion to the Bible** Curtiss Paul DeYoung,Wilda C. Gafney,Leticia A. Guardiola-Saenz, Highlighting the role of cultures in both the development of the Bible and in its subsequent reception around the world The Peoples Companion to the Bible enables students to see how social location including gender ethnicity social class and cultural pluralism has figured in the ways particular peoples have understood the biblical text But it also helps students formulate their own social location and biblical horizon as a key to understanding the Bible and its import for them **Wisdom Of Wellness: Perpetuity Of Poise Of Purpose** Santosh Jha,2014-01-01 One needs to be in lasting physical emotional and ideational wellness Tips pills and shoulds abound still wellness is elusive Wellness is largely a function of cognitive poise of consciousness Wisdom of wellness is in being the master of mechanism internalizing the multifaceted life living realisms and then creating a personalized model of wellness Nothing external helps Wellness is a function of wider poise of person and personality A person is in complete wellness when there is an overall equanimity between the physical factors such as income wealth comfort leisure and health as well as emotional factors such as trust security integration with family friends colleagues connectivity communication stability sense

of desirability and spiritual purpose etc We live in a modern complex world where tangible elements of good life are improving considerably however as emotional elements of life and living are largely unsettled and conflicted most of us fail to hit the road of the perpetuity of poise for larger wellness Wellness involves a large spectrum of poise in multidimensional domains the spiritual physical mental social and emotional Moreover the emotional and spiritual aspect of wellness is far more complex as they are the intangibles of life Wellness is a dynamic idea It is a goal of life for which we all need to strive every day Wellness is not a static state It is not like wealth which we acquire once and keep it for long It requires ongoing attention and timely intervention to the details of evolving social spiritual and physical life Wellness as a holistic notion of physical emotional as well as ideational prosperity does not mean only lack of impediments to good life but also having loads of ingredients of good life For wellness positivity is far more crucial than simple lack of negativity Wellness is well within the reach of all of us yet we all need to constantly redefine ourselves as well our notion of wellness as our minds and bodies evolve to optimize capacities and excellence Wellness is essentially a consciousness positioning It is not an external or tangible entity which one can create like wealth Wellness is a poise of consciousness which is engendered when we have all elements of our life physical emotional ideational and material in perfect harmony and symmetry with each other We are ourselves a very complex mechanism The world we live in has also become hugely complicated and conflicted The cosmic realism is awesomely complex Wellness poise needs to connect with all these and then strike a lasting poise This poise is not static but dynamic constantly evolving and changing Only that person can attain perfect wellness and remain in perpetuity of it who understands all the mechanisms in details and then uses the wisdom to create a wellness model for himself or herself We talk in details here how the old wisdom still has lot to offer to our wellness needs and how we all can create our own personalized and subjective model of wellness taking ideas from old as well as new wisdoms of humanity This shall make all of us to be the master of mechanism of wellness Exodus (chap.
