Ferrara, 1995 Information on more than 17 500 living authors from English speaking countries *Loving You From Here* Susan Clark, 2020-10-01 Few experiences can compare to the trauma and pain of losing a baby and the wall of silence that often surrounds that loss can make grieving even harder *Loving You From Here* explores the traumatic impact of losing a baby through stillbirth and neonatal death It features the moving stories of multiple families some affected recently some decades

ago but still living with the loss This book is a practical guide for grieving parents in the grips of tragedy and those around them who want to be able to offer support From managing those initial feelings of shock grief guilt and anger this book will also show families how it is possible to grow around that grief and eventually form an enduring bond with their baby This profound and insightful book will help everyone impacted by the loss of a baby before during or after birth including those who have suffered an early or a late miscarriage and those who have had an ectopic pregnancy and provides sensitive and reassuring advice on all aspects of loss and bereavement as well as practical advice on how to find a new normal This groundbreaking book breaks through the suffocating silence that surrounds the death of a baby and gives a voice to all those affected by baby loss Loving You from Here Susan Clark,2022-10-13 Few experiences can compare to the trauma and pain of losing a baby and the wall of silence that often surrounds that loss can make grieving even harder *Loving You From Here* explores the traumatic impact of losing a baby through stillbirth and neonatal death It features the moving stories of multiple families some affected recently some decades ago but still living with the loss This book is a practical guide for grieving parents in the grips of tragedy and those around them who want to be able to offer support From managing those initial feelings of shock grief guilt and anger this book will also show families how it is possible to grow around that grief and eventually form an enduring bond with their baby This profound and insightful book will help everyone impacted by the loss of a baby before during or after birth including those who have suffered an early or a late miscarriage and those who have had an ectopic pregnancy and provides sensitive and reassuring advice on all aspects of loss and bereavement as well as practical advice on how to find a new normal This groundbreaking book breaks through the suffocating silence that surrounds the death of a baby and gives a voice to all those affected by baby loss *Labor of Love* Sandra S.

Schantz,2007-08-03 *Labor of Love* stems from the many lives the author encountered during the years she worked in Labor and Delivery Pregnancy loss infant loss has such a profound affect on marriages and many of the marriages don t survive such a loss Pregnancy loss is greatly misunderstood and undermined in importance in the eyes of society Sandi hopes to bring encouragement and validation to the families who have suffered a pregnancy and or infant loss It is important for the families to know they are not alone in what they feel and have felt in the past or in their need to know what they ve lost both at the time and in all of their tomorrows **When A Baby Dies** Alix Henley,Nancy Kohner,2003-09-02 Every year in the UK over 10 000 babies die before birth or shortly afterwards For the parents the grief is hard to bear In this book parents who have lost a baby tell their stories They speak about what happened how they felt how they have been helped by others and how they helped themselves Using letters from and interviews with many bereaved parents Nancy Kohner and Alix Henley have written a book which offers understanding of what it means to lose a baby and the grief that follows *When a Baby Dies* also contains valuable information about why a baby dies hospital practices the process of grieving sources of support and the care parents need in future pregnancies Still Here Alishia Anderson,2018-10-15 Did you or someone you know and

love suffer from baby loss via stillbirth miscarriage neonatal death or infant loss If so this is the book for you Still Here is the memoir of grieving parents navigating the joys of pregnancy and the extreme lows of baby loss Still Here is a personal testimony of how love faith and support can bring you back from the abyss after the loss of your precious baby into a life of purpose Alishia wrote this book in hopes to remove the shield of shame and isolated suffering as well as shed light onto the cloak of secrecy wrapped inside of baby loss Most importantly Alishia wrote Still Here as a personal tool to heal her broken heart after suffering the devastating loss of her twenty eight week old son in hopes that her pain and restoration would be the jumpstart to someone else s recovery after loss She also delved into the untapped and often forgotten perspective of a grieving father after baby loss from her husband Derrek It is Alishia s prayer that Still Here reaches your heart no matter where you are in your grief journey

Mothers Bereaved by Stillbirth, Neonatal Death or Sudden Infant Death Syndrome Frances M. Boyle, 2018-10-26 First published in 1997 this volume studied families bereaved by perinatal or infant death including factors both preceding and following the experience and its effect on areas such as marriage mental health and future conception based on interviews with 194 women living in south eastern Queensland Australia Tracing the natural history of the first thirty months of their loss all mothers completed semi structured interviews and standardized questionnaires at two eight fifteen and thirty months following the baby s death The study aims to explain and explore these effects and to suggest some potential recommendations for the care and support of women who experience stillbirth neonatal death or SIDS

Mourning the Dreams Claudia Malacrida, 2016-09-17 Mourning the Dreams is an accessible and moving account of parents experiences of grief and recovery after losing an infant during pregnancy childbirth or within the first month of life Drawing from the sociology of emotions health research and psychology her own experience and a range of qualitative methods Claudia Malacrida finds that bereaved parents not only grieve their child and its unrealized potential but often find their personal experiences are at odds with social forces and prevailing assumptions about the nature of their loss and how they should react to it She explores the meanings parents create as they face denial silence and other reactions from friends family communities coworkers the medical community and even within spousal relationships She also describes the courage and creativity of parents who create and negotiate meanings that help them grieve recover and manage relationships
