Tantric Love Letters Diana Richardson, 2012-05-25 Diana Richardson, an acclaimed authority on human sexuality, began a personal enquiry into the union of sex and meditation, the essence of tantra, over twenty-five years ago while living in India. Through these innocent steps and motivated by simple curiosity, she gained deep insights into the spiritual and generative implications of sex that lie beyond its reproductive aspect. She stresses that it is the *how* of sex and not the *what* of sex that determines the difference. With additional information, we can begin to honor the innate sexual intelligence that exists in our bodies as a subtle electro-magnetic reality. On this fine and delicate level, man and woman function as equal yet opposite forces that are highly complementary. Embracing this polarity potential can elevate and transform sex into an empowering and spiritual act, an experience that creates and sustains love, peace, and harmony. Her simple, down-to-earth and practical approach, as presented in her books, has created a wave of positive resonance and response from readers worldwide.

In this memoir, she shares her journey from the grief she experienced to her vision of a great new life. *Love Letters*, a collection of letters begun in September 2010, provides a snapshot of Savage's sorrows, joys, and reflections. Through these vignettes, she says her good-byes, notes her thanks, and provides advice for those who may have experienced the death of a spouse. This collection provides insight into how she survived the death of her husband, came to know and believe in the saving grace of God, and made the decision to stay on this earth to fulfill God's wishes. Emotional and self-disclosing, *Love Letters* shares Savage's personal message of living each day with no regrets. Through her life events, she expresses how placing your trust in the Lord can guide you through life's bad moments and help you to fully appreciate life's good moments.
